School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes **the school office** requires one week's notice to change to/from school meals.

Christmas Jumper Day

Thank you for all you the great gifts you sent in for the Christmas Fair tombola—school has been a particularly festive place today with all the lovely Christmas jumpers on parade

Y4 Multiplication tests

Y4 and Y5 have been involved in trialling the multiplication tests which will become statutory for all Y4 Pupils in 2019. They tied hard, did their best and were a credit to their teachers.

Well done everyone!

Staff News

Well done to Mrs Wallace for successfully completing a two day First Aid at work qualification renewal this week. We are ll proud of you!

999 Emergency

Huge thanks to our colleagues at North Yorkshire Police who came into school last Friday to work with Y1 and YR. Everyone had great exploring the police car and dressing up as Police Officers. We all hope that our youngest children would now have the confidence to dial 999 and ask for help if needed.

Christingle

Our traditional Christingle Service is coming up in a couple of weeks—we have sent your child home with a collection box. If you'd like to donate a few coins to our Christmas Charity—the Children's Society please use the box and send back into school for Thursday 21 December.

Thank you!

Winter has arrived…

There is information on the front page of our website about the procedures which are in place in case of school closure.

Be aware on icy days we are advised by NYCC not to grit the pavements outside the school gate. Please take extra care on these days.

When there is ice or snow Mr Jones our caretaker will grit a safe route into school for all children—however is not feasible for him to grit the whole playground. Before school opens in the morning children remain the responsibility of the people who bring them to school— ensure that they are not running around and sliding on ice because they will probably fall over! During the school day a judgement is taken before break times to assess whether children can be outdoors.

We make every attempt to enable children to access fresh air during the school day.

There are a surprising number of children still arriving at school without coats and in unsuitable footwear for the winter weather.
