### **Anti Bullying Policy**

Our school is a place where every person has the right to be themselves, not to be judged, and to be included and to learn in a safe and happy environment. Everyone at our school is considered to be equal here and expected to treat each other with respect and kindness.

# Aims and purpose of the policy

Bullying of any kind is unacceptable and will not be tolerated at our school. At our school the safety, welfare and well-being of all pupils and staff is a key priority. We take all incidents of bullying seriously and it is our duty as a whole school community to take measures to prevent and tackle any bullying, harassment or discrimination.

We actively promote values of respect and equality and work to ensure that difference and diversity is celebrated across the whole school community. We want to enable our pupils to become responsible citizens and to prepare them for life in 21st Century Britain. These values reflect those that will be expected of our pupils by society, when they enter secondary school and beyond in the world of work or further study.

We are committed to improving our school's approach to tackling bullying and regularly monitor, review and assess the impact of our preventative measures.

This sets out where our school stands on bullying because a clear definition of bullying helps everyone at school understand exactly what constitutes bullying behaviour

Several Times On Purpose.

### **PUPILS:**

 Pupils should not take part in any kind of bullying and should watch out for signs of bullying among their peers. They should never be bystanders to incidents of bullying, but should offer support to the victim and, if possible, help them to tell a trusted adult.

## 3. Responding to bullying

When bullying has been reported, the following actions will be taken:

- Staff will record the bullying on CPOMS this will be shared with class teacher, GTA, HT and DHT. Mrs Riley will monitor incident reporting forms and information recorded - analysing and evaluating the results
- Designated school staff will produce termly reports summarising the information, which the head teacher will report to the governing body
- Staff will offer support to the target of the bullying in discussion with the pupil's class teacher.
- Individual meetings will then be held with any target of bullying to devise a plan of action
  that ensures they are made to feel safe and reassured that the bullying is not their fault.
  Action plans will make use of school initiatives such as buddy systems and playground
  monitoring
- Staff will proactively respond to the bully who may require support. They will discuss with the target's class teacher to devise a plan of action
- Staff will decide whether to inform parents or carers and where necessary involve them in any plans of action
- Staff will assess whether any other authorities (such as police or the local authority) need to be involved, particularly when actions take place outside of school

### 4. Bullying outside of school

- Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during the holidays, or in the wider community.
- The nature of cyber bullying in particular means that it can impact on pupils' well-being beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities as outlined in this policy.

  the head teacher regularly reporting incidents to the governing body. This not only ensures
  that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables
  targeted anti-bullying interventions.

# 7. School initiatives to prevent and tackle bullying

- We use a range of measures to prevent and tackle bullying including:
- A child-friendly anti-bullying policy displayed in classrooms and communal spaces around school in learning logs ensures all pupils understand and uphold our anti-bullying policy. The PSHE programme of study includes opportunities for pupils to understand about different types of bullying and what they can do to respond and prevent bullying. School assemblies help raise pupils' awareness of bullying and derogatory language. Difference and diversity are celebrated across the school through diverse displays, books and images. The whole school participates in events including Anti-Bullying Week, Black History Month and LGBT History Month as well as a SMSC focussed day annually The school values of equality and respect are embedded across the curriculum to ensure that it is as inclusive as possible
- Stereotypes are challenged by staff and pupils across the school
- Wellbeing Champions offer support to all pupils, including those who may have been the target of bullying
- Restorative justice programmes provide support to targets of bullying and those who show bullying behaviour

- Pupils are continually involved in developing school-wide anti-bullying initiatives through consultation with groups for example through the school council.
- Working with parents and carers and in partnership with community organisations to tackle bullying, where appropriate. We acknowledge the guidance of Stonewall in drawing up this policy.

## 7.1 Decision making

All allegations of bullying will be thoroughly investigated by the Designated Safeguarding Leads (DSLs), who are responsible for ensuring the safety and well-being of all individuals involved. This may include but not limited to, some or all of the following: CPOMS entries, pupil voice, parent voice, staff voice. If, after a comprehensive investigation, the behaviour is deemed to meet the criteria for bullying—defined as hurtful or unkind behaviour which is deliberate and repeated—appropriate actions will be taken in line with the school's policy above. All investigation notes, actions and outcomes will be logged in chronological order on CPOMS and labelled as 'Bullying' and relevant stakeholders will be appropriately informed.

If it is determined that the behaviour does not meet the criteria for bullying - defined as hurtful or unkind behaviour which is deliberate and repeated, then the incident will not be classified as bullying. All investigation notes, actions and outcomes will be logged in chronological order on CPOMS and labelled as 'Alleged Bullying'. All concerns will be addressed appropriately, and relevant support or intervention will be provided to ensure a positive and respectful environment for all students.

The DSLs will handle each case with sensitivity and care, ensuring a fair process while prioritising the safety and emotional well-being of all students.

### 8. Training

relevant training will take place for staff and pupils

### 9. Monitoring and reviewing

The head teacher is responsible for reporting to the governing and North Yorkshire Council
on how the policy is being enforced and upheld, via the termly report. The governors are in
turn responsible for monitoring the effectiveness of the policy via the termly report and by
in-school monitoring such as learning walks and focus groups with pupils.

This policy is reviewed every 12 months.
