

Our school is a place 'where learners grow'.  
A kind community where the worth of everyone is nurtured and celebrated.  
We are rooted in a love of learning and building the confidence and courage to be ourselves.  
Together we flourish to be the best that we can be.

Sutton CP Vision Statement

Dear Families

It is good to be back in school after a period of isolation due to contracting COVID. I am now feeling much better. In my absence the school continued to function under the skilled leadership of Mrs. Fletcher, ably supported by our staff team who as always, stepped up to fill the gaps made by mine and other colleagues absence. The last few weeks have been the most challenging for our school since the pandemic began and we got a clear sense of COVID transmission within classes. Although the high rate of staff absence caused enormous challenges we managed to stay open. The decision to move to remote learning for two cohorts has proved to be the right one. Both Y5 and Y6 have been brilliant with the overwhelming majority engaging really well in the teaching and learning provided over Google Classroom—they were a real credit to their families; showing a great attitude to their learning, under difficult circumstances.

Currently positive cases in school have reduced and we are nearly back to a full complement of staff. I would like to thank parents for proactively following the Government and Public Health England guidance issued through school. The only way we are going to attempt to mitigate the current high risk is to continue to work together in the coming months. In school we are monitoring the situation closely. I would like to publically thank Mr. Sugden, Mr. Mason and Mr. Barton, three of our governors for their wisdom and support over recent weeks.

In September I told you that we had planned an entire year of learning and I promised that the children had much to look forward to. We have certainly had lots of fun and learning this term. I was sorry to have missed Children in Need this year although when I saw the photos of 'I'm a Teacher Get Me Out of Here' a little bit of me might have been a little bit relieved!

Now we can allow ourselves to think ahead to the final week of the school term. The trees are decorated and there are twinkly lights throughout the building. Carols are being sung and the school is full of excited chatter. I am pleased to say that all the events precisely published on the school website will be going ahead next week—some in a slightly modified form.

- On **Monday** we invite children and staff to come to school in their favourite Christmas jumper. The kitchen will be serving Christmas dinner for those who have already prebooked.
- Joyful rehearsals for 'The Grumpy Innkeeper' are well underway. Our littlest learners in YR are currently producing their traditional Nativity to be shared with friends and families in time for Christmas.
- On **Tuesday** Chaplin's Panto Company will be in school to perform Dick Whittington. Obviously it is not possible for all classes to be together in the hall so it will be livestreamed on google classroom.
- On **Wednesday** our staff will be **making Christingles** for the service on Thursday. We are sad not to be inviting friends and families in to help us this year but promise to 'look after' the mince pies whilst we make 220+ Christingles.
- On **Thursday** we are holding our **Christingle Service**. This year Y6 will be leading the service from St Thomas's Church and will be bringing the light of Christmas back to the waiting school so that we can all light our Christingles together outside at the end of the day. It promises to be a magical event and we are keeping our fingers crossed for dry weather.
- On **Friday** we will be holding our traditional games day—class based Christmas fun. No toys or games from home though—don't worry we have loads in school. School breaks up at the usual time of 3.30pm. Rumour has it that children on the Nice List (that's all of them of course!) might even catch a glimpse of a very special visitor on Friday morning.

Today as we are beginning to digest the implications of the Prime Minister's 'Plan B' and consider its impact on school we can enjoy the weekend and look forward to a lovely Christmassy week in school.

Have a lovely weekend  
Mrs B

## Christmas Cards and Gifts

We know that at this time of year children enjoy sharing Christmas cards with their friends and sometimes gifts for the adults in school.

This year staff have requested the following :

If your child wishes to send Christmas cards this year, please could we ask that they are in school by Monday 13th December at the latest. They will be then handed out to children on Friday 17th December.

Gifts for staff can be brought into school during next week.

Thank you for your continued support - it means more than you know.

## Before & After School Childcare Club

Registers for the first half of the Spring Term are now open for bookings. If you require childcare after Christmas, please visit <https://www.wherelernersgrow.co.uk/activities/upcoming> to place a booking.

## Staff Vacancy—come and join our lunchtime team

We are looking for a new member for our lunchtime staff team.  
The post is for 5 hours per week—12.00-1.00pm

The post may include time working in the hall to help children with their lunches or time outside in the playground keeping children safe and leading games.

If you would like to find out more, please contact Mrs Harrison in the office via [administrator@suttoncp.uk](mailto:administrator@suttoncp.uk)

## School Chromebooks

If your children) have borrowed a school Chromebook this term please return it to school by Wednesday next week.

They can be reissued on request after Christmas.

## Remote learning

If your child is off school isolating, but is feeling well, we will provide remote learning for them while at home.

- For the first 3 days of isolation please use the learning that is posted on the **school website** on your child's class page under Learning at Home. There are also other useful learning resources on the website under the learning menu.
- After that your child will have work posted on **google classroom** on that mirrors what is happening in class. They can hand this work in online.
- If you find that your child is isolating and you would find it useful to borrow a **Chromebook** from school please email the office and let us know.

## Phizzi Photo Competition

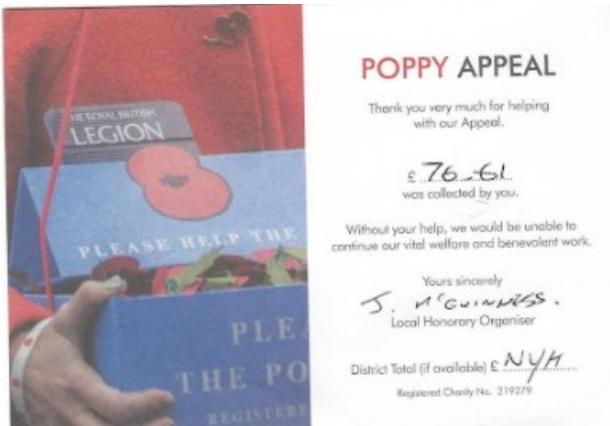

Our Craven Science partnership is running a photo competition over the holidays on the theme of Light. This is a great opportunity to get out and about and take some lovely photos of light at Christmas.

Please send your photos in to the Craven Partnership website via [competitions@cravenpartnership.co.uk](mailto:competitions@cravenpartnership.co.uk).

There are more details on the poster at the end of the newsletter. There will be prizes!

## Cool Milk

We wish to make you aware that for deliveries from 01/01/22 onwards, Cool Milk will increase the price of a portion of milk for children aged 5 or over. Under-5 children will continue to receive milk free-of-charge.

The new price is driven by recent increases in the prices that we pay our dairy partners and also by ever-increasing overheads. Food prices have increased nationwide as farmers and distributors strive to maintain a sustainable business whilst confronted by significant increases in the cost of their feed, fuel, packaging supplies and general operating overheads.

This means that Cool Milk will adjust the prices that we charge for over-5 milk **from 23p to 24p per child per day.**

This increase will be clearly displayed on any SPS invoices (if applicable) and pre-payment requests sent to parents for milk from January 2022 onwards.

Should you have any queries, please do not hesitate to [contact](#) our dedicated customer service team.

Kind regards,

The Cool Milk Team
