11 Feb 22

Our school is a place 'where learners grow'.
A kind community where the worth of everyone is nurtured and celebrated.
We are rooted in a love of learning and building the confidence and courage to be ourselves.
Together we flourish to be the best that we can be.
Sutton CP Vision Statement

Dear Families

It's a gorgeous day in Sutton and the sun is out. School is filled with fun and laughter as another busy week draws to an end.

Last week in school was Animal Stories week. Books and stories about animals are always amongst the most popular titles in our school library

The purpose of the week was two fold. Firstly, we want to encourage our learners to be story tellers—and particularly we want them to be great story writers. And secondly we wanted the opportunity to welcome the newest member of our school family!

During the week we even welcomed a range of animals into school. Of course when the children met the goats, rabbits and dog the first thing they wanted to do was... yes you've guessed , talk, draw, read and WRITE about them. We have put the stories together into a book which we are arranging to be published. Later in the newsletter is an article from Mrs. Fletcher telling you how you can pre order a copy. The book isn't about making money, the charge is just to cover costs—it's all about the joy of being a published author. And as for the newest member of the school family ... well carry on reading to be introduced to Bella the Dog.

This week in school the theme of Mental Health has continued and children have been learning how to keep their minds active and healthy. Attached to this newsletter is our regular Well Being Newsletter drawn up by Miss Day, our Mental Health Champion. There are ideas and suggestions for you to develop at home with your children. Remember too the 'Raising Yorkshire Puddings' Parents Group (flier at the end of the newsletter) which you can access if you need support at home.

Also this week it has been Internet Safety Day. Miss Robinson, our IT Leader has supported staff to revisit online safety with their classes. The theme for this national day was 'All fun and games? Exploring Respect and Relationships Online.' During the day children had virtual assemblies, lessons and quizzes to help them develop their online skills. Further on in the newsletter we have provided a list of excellent resources which parents might like to explore. Your children probably know much more about the internet than you think and these resources might help you to be prepared to support your child.

The recruitment process for our new Headteacher is now well underway. Thank you to the many families who took part in the online questionnaire from governors. The search is being cast far and wide. The advert has now been published on the front page of the school website and other recruitment sites. We will continue to keep you updated.

We still have COVID cases in school and some staff and pupil absence. However there are other bugs out there too—a nasty sickness and diarrhoea bug is currently spreading so this is just a reminder to please to keep your children off school for 48 hours if they catch this pesky bug. This will help us keep transmission to a minimum.

World Book Day is coming up after half term so I shall have to think about making some sort of costume over the half term break!

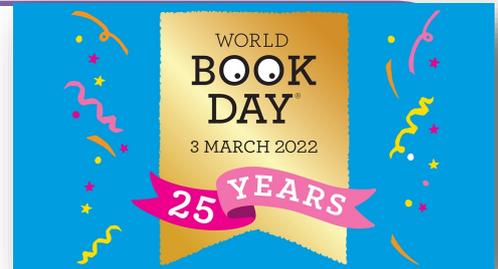

Have a lovely weekend—see you on Monday
Mrs B

Thursday 3rd March is World Book Day.

We are delighted to be able to celebrate this as a whole school and we invite children to come to school dressed up as a character from a book. There will also be a range of book and story related activities taking place throughout the day.

Dressing up on World Book Day helps to enhance pupil engagement and pleasure in books and reading. Costumes don't have to be bought or expensive - the home made ones are often the best (you might have one lying around from previous years) or your child could bring in a 'clue' of what their favourite book or character is.

This year's theme is 'You Are A Reader!', where everyone is encouraged to find the reader within and to ignite a lifelong passion for reading, regardless of gender or background. It is an opportunity to spread the word that the skill and joy of reading can make a huge difference to a child's future. In school, we shall be sharing stories with one another - in many different ways - throughout the day. Please look at www.worldbookday.com for further information or ideas for supporting your child with their reading at home.

All fun and games? Exploring respect and relationships online'. Safer Internet Day 2022

From gaming and chat, to streaming and video, young people are shaping the interactive entertainment spaces they are a part of. Safer Internet Day 2022 celebrates young people's role in creating a safer internet, whether that is whilst gaming and creating content, or interacting with their friends and peers.

Y1 and Y2 are proud to present...

Animal Rumble Grumble

The children in year one and two have been working hard to prepare a musical production of 'Animal Rumble Grumble'. Costumes are all now in school, lines are all learnt and songs have been rehearsed and so we are ready next week to commence the filming of this fabulous production.

Animal Rumble Grumble is a 35+ minute musical play for ages 5 to 9, making it ideal for whole-school performance by infant, primary and first schools. This colourful, atmospheric show takes inspiration from a traditional Kenyan folktale. The animals of the plain are fearful of a strange distant rumbling. "Something terrible is coming this way! It will destroy us and take over our plains." The animals quickly seek the advice of Ghubari, a wise old man who lives at the top of the umbrella thorn tree. But his wise and cryptic words confuse them, so the animals find enough courage to seek out and confront the terrible danger that is coming closer.

Animal Rumble Grumble will be uploaded to onto Google Classroom for Y1 and Y2 from Thursday 17th February 2022.

Introducing Bella the Dog

Bella, the beautiful black Labrador puppy, was born in March 2021 and with her velvety nose, chocolate brown eyes and silky coat quickly won the heart of Miss Ibbotson.

Miss Ibbotson was looking for a puppy shaped pal to join her at home and it was a match made in the stars! For nearly a year the staff team have been kept up to date with the progress of this canine princess. The staff Whats App group has been crammed with pictures of her escapades and adventures. She has kept us smiling through some tough times.

Bella even came to school on a training day last year when was smothered with cuddles from the staff. Bella may live with Miss Ibbotson but we instantly took her to our hearts. Bella belongs to us all!

So, Bella was already one of the Sutton CP Family when she came to visit everyone during Animal Stories Week. She was immediately made very welcome by the children who behaved with impeccable care and consideration around her. Miss Ibbotson was so proud of both the children and her beloved pooch!

The plan over time is for Bella to become a regular visitor into school much like Bonny the Dog did prior to the pandemic. Bella will be trained as a therapy dog. There is much research about the positive impact that therapy animals can have in schools, hospitals and care homes.

We look forward to watching this beautiful young dog grow and learn alongside our pupils. Welcome to the family Bella!

Animal Stories by the children of Sutton in Craven CP

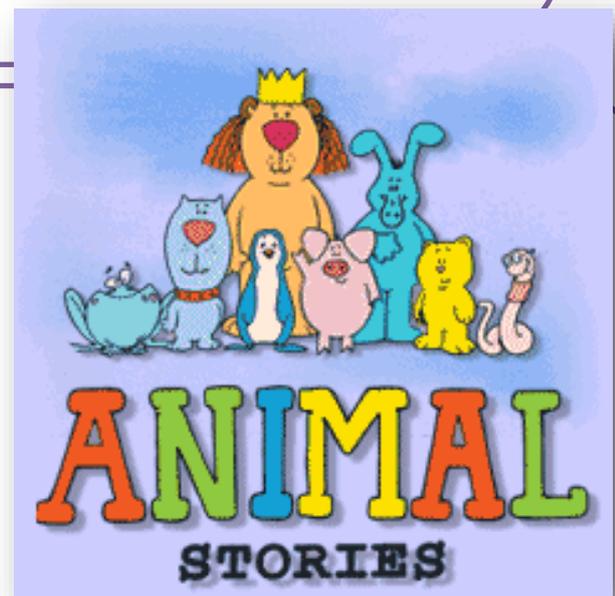

We are publishing our first ever book - would you like to buy one?

For the last two weeks the children have been writing stories about animals.

Each class have submitted a story and we are going to celebrate the fantastic writing they have done by having their stories printed in a book. We are hoping the book will be ready to send out on World Book Day - Thursday 3rd March.

If you would like to purchase our book please put in your order on Parent Pay before Friday 18 the March, this will enable us to request to the correct amount from the publisher.

The cost of the book will be £3.50 which will cover the cost of publishing.

There will be themed meals during the school year, please visit the [calendar](#) on the school website for more information.

To pre-book meals visit [the ParentPay website](#).

- Log in using your username & password which you created
- Select child
- Select book meal & places (the blue box on the right)
- Select make or view bookings (the blue box on the right)
- Select week
- Select meals)
- Confirm booking
- Make payment (if appropriate)

Your order must be placed by **9.00am seven days** in advance of the meal being taken or, by **9.00am on the last Thursday of each half term.**

If you have pre-ordered a meal which your child no longer wishes to have, the meal must be cancelled by 9.00am seven days in advance; the office will delete pre-ordered meals on days when your child is absent from school. If you send your child with a packed lunch when a meal has been pre-ordered (hence already prepared and cooked) the packed lunch will be returned home. If your child hasn't got a meal pre-ordered and they haven't brought a packed lunch from home, then we will always try to contact you to either bring them a lunch, or ask that you are happy for us to provide them with a baked potato, filling and sides of the day (chargeable if your child is not eligible for a free school meal).

COVID 19 UPDATES

www.gov.uk/coronavirus

In a nutshell ...

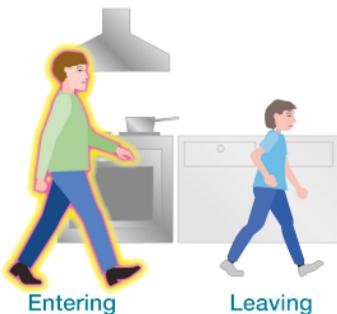

- Lateral Flow Tests are for asymptomatic (no symptom) testing
- If you have symptoms you must still get a PCR
- The day your symptoms start, or the day you test positive if you do not have symptoms, counts as day zero.
- You may leave isolation on day six if you test negative on a LFT on day 5 and day 6, at least 24 hours apart, as long as you do not have a high temperature.
- If one of these tests return positive, you must wait until two consecutive days of negative tests to leave isolation, or wait the full 10 days.

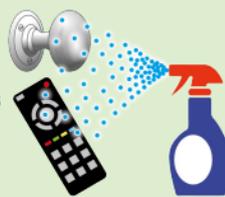

How to reduce the spread of infection with the people you live with if you have COVID-19.

If you have COVID-19, there is a high risk that others in your household will catch it from you. There are several things you can do to reduce the spread of infection in your household.

- 1** Limit close contact with others. Spend as little time as possible in communal areas.

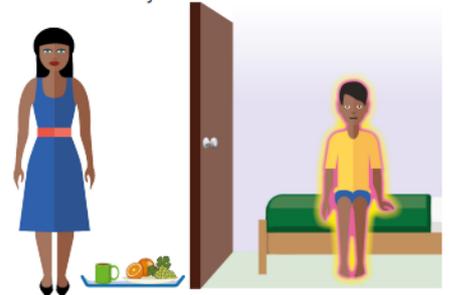

- 2** Regularly clean frequently touched surfaces and shared rooms like kitchens and bathrooms.

- 3** Wash your hands regularly using soap and water, particularly after coughing and sneezing.

- 4** Get help where possible from those you live with. Ask for help with cleaning and being brought food safely to avoid unnecessary contact.

- 5** Use a face covering if you need to spend time in shared spaces.

- 6** Keep rooms well ventilated.

- 7** Catch coughs and sneezes in disposable tissues and put them straight in the bin.
