New School Meals Service Planned roll out—Monday 4th February

The Governors have previously written to you to let you know that they would be appointing a new school meals provider in order to offer increased choice and flexibility at a competitive price. We are excited to let you know that our new school meal provider is Dolce Schools Catering.

The benefits that Dolce offer are as follows

- An increased meal option choice
- An increased flexibility of booking (for example one off meals)
- An online booking system where Parents can choose their child's meal
- A direct payment system between parents and Dolce (bypassing the school office)
- A reduction in current cost per meal to parents (from £2.82 per meal to £2.30 per meal)
- A removal of the current need for the school budget to subsidise the cost of KS1 Meals (currently £2000 per term)

Your child will be bringing home an important letter of welcome from Dolce today.

It is very important that you read this so that you understand the major changes which are beginning to take place.

Even if your child does not currently take a school meal, we would recommend that you register with Dolce and set up a 'Live Kitchen Account' as they may choose to do so in the future and/or may occasionally forget their packed lunch.

Payments will be made by yourselves DIRECT TO DOLCE using your new Live Kitchen Account and can either be by Direct Debit or by Credit/Debit card. From the point at which we move to Dolce (scheduled for Monday 4th February) we will NOT BE USING PARENTPAY FOR SCHOOL MEALS PAYMENTS once we move to Dolce.

You can find out more about Dolce by visiting www.dolce.co.uk/catering/education

There is an opportunity for you to come and find out about the new meals service on Thursday 24th January at 2.45 when David Fleming, Area Manager, will make a presentation and be on hand to answer your questions.

Learning to Love Reading

We wrote to you at the beginning of the school year and shared with you our plans to help children learn to *Love Reading*. We made a commitment that every day in every class children will listen to a story or a novel. Obviously younger children listen to lots of short stories which develop into longer novels as they progress through school.

We have now begun another exciting term of learning. All children will be read to at least daily as we believe that, to be read to and hearing how to read, are an important part of becoming a skilled reader. It would be hugely beneficial if children had their own copies of the 'class novels' for this term.

- YR YR will be reading lots of stories about Pirates - here are some ideas:
- Pirates love underpants
 - Pirate Pete and his smelly feet
 - Captain Sparklebeard
- Y1 Y1 will be reading lots of stories about bees - here are some ideas:
- The Very Greedy Bee—Steve Smallman
 - Winnie the Pooh and the Wrong Bees—AA Milne

Some other ideas for books are:

Family Fundraiser Group

In an ever increasingly challenging funding climate, we want to ensure that our children get the best provision possible at our lovely school and our mission is to raise money to ensure this happens. We have some major projects in mind like totally redeveloping the playground—replacing the trim trail and more! We'd like to develop the Hive (the old Y2 classroom) to make it a place for parents to meet, courses to run (and tea and coffee to be shared!) We have some smaller projects in mind too like providing a constant stream of lovely new books for our school library

There are lots of ways that you can get involved, depending of course on the time you have available—please contact Jill Taylor to find out more.

You can do this in a number of ways

- j.taylor@suttoncp.uk or k.burns@suttoncp.uk
- On Facebook -[Family Fundraisers \(Sutton CP School PTA\)](#)
- Or in the playground most mornings and after school

We are currently seeking two new members to join our core Family Fundraising Committee. This would mean attending 1 meeting every 3 months and being part of a fun team that help to develop and deliver PTA duties in school. Please email either one of us if you would like more info.

There are roles for all parents; we are always looking for helpers, those who can support events and activities—please contact us should you wish to be involved.

NEW YEAR REMINDERS

School Uniform We pride ourselves on the appearance of our school and this includes school uniform. There is plenty of choice within our uniform code for children to express their individuality— please note that we do not encourage children to wear brightly coloured trainers and shoes with flashing lights can be a great distraction in lessons!

Attendance School starts promptly at 8.55. We ask that children are not taken out of school for routine appointments (such as dental/medical/optician). Proof of any appointment during the school day is always required. If you fail to provide this, your child's absence may be recorded as unauthorised which could lead to referral to the Area Prevention Service. If your child is absent, you should notify school by phone before 9.30 am.

Lunch boxes We have trolleys to keep lunch boxes on for each class. Packed lunches are stored during the morning in a cool place and children are asked not to keep their lunch in the cloakroom where there are heating pipes. We therefore ask that when your child brings a lunchbox to school, it is small enough to fit on the trolleys. The trolleys take standard size children's lunchboxes but are not built to store large bags.

PE bags and kit Every child has a named school PE bag which should be brought to school every Monday and taken home for washing every Friday. Please ensure PE kit is labelled with your child's name. Children from Y1-Y6 need black shorts, white T shirt and pumps/trainers. You might like to send them with dark coloured jogging bottoms and a school purple sports hoodie when the weather gets colder. Your child will be able to tell you whether they are planning inside or outside PE this term. We do not have the space to store large unwieldy bags and ask that children do not bring them into school—school book bags can be purchased for home learning/reading books. Jewellery including hooped earrings are not permitted. Pierced earrings should be studs.

Replacement PE Bags (£5.50) & Water bottles (£2.00)
Book bags (£9.00)

Payment via uniform service on parent pay

Medicines in School If your child needs to take a prescribed medicine during the school day, please see Mrs Wallace in the school office to complete a form. Non prescribed medications (such as cough sweets) are not allowed in school.

'New to you' uniform shop. 'New to you' uniform is available for a small donation to school. If you would like to browse our current stock please pop into the school office.

LOST PROPERTY We keep lost property items in the Y4 cloakroom. At the end of each term we have a good sort out and all named items are returned to their owners—un named items are washed and put into our 'new to you' store or donated to charity.

Severe Weather

Snow Procedures

11 Jan 19

*** UPDATED DEC 2018 ***

Weather reports suggest that during the next few weeks we can expect some severe weather conditions.

We make every attempt to keep school open during severe weather, however as a school we need to be prepared. Our priority is the health and safety of both staff and pupils. If and when severe weather arrives, it could cause disruption on the roads. The staff who have long journeys may be unable to get to school.

In the event of severe weather, a decision will be made by 7.45am whether the school will open. This information will be then shared in the following ways:-

- Online at:**
- School website: www.wherelernersgrow.co.uk
 - School Facebook Page
 - North Yorkshire County Council website: www.northyorks.gov.uk
 - Stray FM website: www.strayfm.com/schools/school-closures
- Twitter:** @SuttonCPSchool
- Radio:** BBC Radio Leeds 92.4FM or 103.7FM www.bbc.co.uk/radioleeds

You can play your part by:

DO

- ◇ Print this information and keep in a safe place.
- ◇ Make sure your child comes dressed appropriately for the weather outside everyday. (Coat, hat, gloves, wellies)
- ◇ If you can't arrive on time, come in when it is safe to do so.
- ◇ Remember that, unless the weather is really severe, the children are encouraged to get out into the fresh air and have a 'run around'. If it snows we will often go outside to play in the park!

DON'T

- ◇ Phone school as this blocks our telephone line.
- ◇ Phone radio stations for information; they will broadcast details regularly.
- ◇ Assume we are open/closed just because other local schools are. Whilst we do liaise with other schools, ultimately the decision is based on the safety of our school family.
- ◇ Send children to school until you have checked. We will understand if on such days children arrive late.
