Iced pineapple sponge

School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs. Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes the school office requires one week's notice to change to/from school meals.

## Get ready for the weekend!

You can now change your book after school on Fridays as our Library will be open until 4pm

Our library books are available to borrow for 3 weeks, they can be renewed for a further 3 weeks, if required. Then they must be returned and scanned back into the library. Until they are your child is accountable for the book and no one else is able to read it.

Sadly a lot of our books, borrowed prior to the new library system being installed are still missing in action! We know how easy it is for library books to get easily get mixed up in your own collection at home - please check through your shelves at home for any books with the school stamp on the inner page and return them so other children can enjoy them.

**A basket for anonymous returns will be available in the Library**

Thank You—Mrs Broughton

**Sutton CP win the trophy at the South Craven**

## Primary Maths Challenge 2018

For the second year in a row our team of 8 Year 3 and 4 children have won first place at the South Craven Maths Challenge

Event. The event, which took place on Wednesday 2nd May after school, was organised by the maths department at South Craven and feeder primary schools were invited. There were about 8 teams from local schools, each with 8 pupils from Years 3 and 4. Our team - Oscar, Oliver, Annabel, Matthew, Adam, Maisy, Mya and Hamilton - worked exceptionally well together and gained enough points to come first. There were three challenges involving problem solving, arithmetic skills and construction skills and the team excelled in them all. Our tower of straws, held together with paper clips, reached a very impressive height of 1m 26cm! Mrs Howes and Mrs Fletcher were both very impressed with the enthusiasm and commitment shown by the team and said they were a delight to work with. Well done team!

## A message from the Green Group

We are looking for old cereal boxes for part of our fiver challenge. If you have any spare boxes we would be most grateful for them

Thank you

Mr Allack and Mrs Kerr

**Rainbow Day**  
Our recent fund-raiser to support a local child with cancer raised £174.77  
Thank you!

## Hospital Courtyard Garden Harvest Appeal 1718

Eva and Stan have been busy recently helping to plant in the ward garden! We are almost finished and just have a bit of painting and decorating to do! Once we have done better photos I will send you some pictures of the garden!

Love from Nurse Amy

## Bags 2School

By having regular conversations about the news you are able to share a whole range of topics and together make more sense of different events, issues and stories.

There are no rules or script to follow but you might want to watch, listen, read and discuss the news selectively.

Some significant news stories can be frightening and you will need to consider what your child can cope with and whether they are developmentally ready to understand certain events. For example, you might decide to listen to the news rather than watch it as there may be images they might find upsetting.

Talking about the major headlines of the day and current affairs is important so that children grow up as global citizens but it's important too to share a variety of fun and exciting news stories from the worlds of sport, entertainment, music, science, etc. as well as local news closer to home.

Here are some quick tips:

- Initiate discussions about the news using the Picture News resources.
- Read and watch some news stories together from different sources.
- Find out what your child knows about the news and explore their understanding.
- Listen to what your child says and value their opinions.
- Explain simply and in a way that makes sense to them.
- Promote a habit of enquiry and make asking questions your child's default setting.
- Help your child to spot fake news and how to fact-check.
- Develop a news habit by accessing the news daily.
- Defuse bad news and offer reassurance.
- Protect your child from distressing and disturbing news.
- Avoid repeated viewings of the same news event.
- Monitor your child's exposure to the news.

Discussing the news of the day doesn't have to be formal but can be done naturally and casually in everyday moments such as on the way to school or preparing a meal.

The important thing is to keep the conversation going about the news and make it a feature of your daily lives.

By working together we can help children become critical consumers of the news so that they are 'news savvy', articulate and confident citizens.

14<sup>th</sup> May 2018

What's going on this week?

14th-20th May  
How might our lives be different if we were unable to hear?

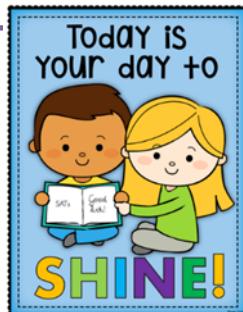

# Sutton CP News...

11 May 18

Dear wonderful Year 6 pupil,

As you know, the SATs tests will soon be here from Monday 14th May until Thursday 17th May. There are two more school days before you get the chance to do what you have been preparing for all year! Here's what you will be doing that week...

- Monday 14th May English Grammar and spelling test
- Tuesday 15th May English Reading test
- Wednesday 16th May Maths Arithmetic test and Reasoning test
- Thursday 17th May Maths Reasoning test

Your parents have been sent a letter too, so that your teachers can work with them to make sure you are given plenty of support and to help to make sure you can do your best in these tests.

**How can YOU help yourself to do your best in the tests?**

- Go to bed at a sensible time each night - you need to be bright and breezy for the tests. Eat a sensible breakfast so you don't have a rumbling tummy in the middle of the tests.
- Come to school each day on time and with a positive and determined attitude.
- Concentrate and do your best in EVERY SINGLE TEST. You only get one go at it - make sure it's your very best.
- Work quickly and carefully to finish each test and don't make unnecessary mistakes.
- Spend time enjoying yourself, doing what children do and NOT worrying about them!

Some things you need to remember... The SATs tests are very important for your future. You need to remember that your best is wonderful and is good enough for yourself, your parents and your school. You are well prepared for these and simply need to try hard to remember and use the things you have learned so far. Remember that the SATs tests only tell us two things about you: how good you are at Maths and how good you are at English! They don't tell us that you are (for example) wonderful artists, fantastic sports people and team players, enthusiastic scientists or that you are kind and thoughtful people who are fun to be with; qualities that make you who you are! Remember to try hard - they are important -- but remember this: there is so much more to you than SATs results! Good luck!

From Miss D and your whole school family xxx

## Statutory Assessment—Information for Parents

Please find here a [link](#) to information received in school from the government for parents of children in Y2 and Y6 who are just about to begin their statutory end of key stage assessments (SATs)  
You can also find this information on your child's class page of the school website

## Communication with School

We want to use as many ways as possible to keep in touch with you.

How we tell you what is going on in school...

- Facebook\*
- Website
- Regular Newsletter
- (on website and emailed by request)
- Twitter

If we need to get in touch with you

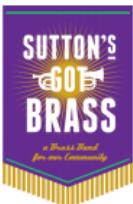

- We will use the contact information you have provided—if this changes, you need to let us know.

If you'd like to get in touch with us please ....

- Phone us 01535 633064
- Email: [administrator@suttoncp.uk](mailto:administrator@suttoncp.uk)

Please don't use Facebook to try and contact school.

Mrs Beetles & Mrs Fletcher are in the playground most days before and after school.

## SUTTON'S GOT BRASS

...is your local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School  
Bridge Road  
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

For more information contact:

Kevin Allack on
