Friday 11th November

Our school is a place 'where learners grow.'

A kind community where the worth of everyone is nurtured and celebrated.

We are rooted in a love of learning and building the confidence and courage to be ourselves.

Together we flourish to be the best that we can be.

Good evening,

This week has been a week of remembrance in school ending with our joint visit to the Cenotaph today.

Our Book Fair grand total spent was £989.17 which allows us £533.50 to spend in our school library. We can't thank you enough for your support and look forward to the children choosing from the new selection of books in the not too distant future.

As you are already aware, Mrs Fletcher retires this term after 7 years at Sutton CP School. Last half term we were able to successfully appoint a new Deputy to step into her role and we are now in a position to announce that Mr Mike Clayton will be Sutton CP's new Deputy Headteacher from January 2023. I know you will make him feel as welcome as you have made me feel when the term begins. In the meantime we are making our final weeks count with Mrs Fletcher, as she will be very much missed.

As mentioned last week, this half term we welcome you to support our **Church on the Street** appeal. You can do this by donating shoeboxes full of essentials (see ideas list further on in the newsletter). These boxes are then given to vulnerable individuals as a gift at Christmas.

We will collect these all the way through November, to be handed out in December. Your child may wish to write a message of support or hope in the box too, wouldn't that be a lovely surprise for someone! Please bring your shoeboxes / items into the main school office or send them in to school with your child to give to the class teacher.

We are seeking a Lunchtime Supervisor and the advert is on the school website. If you are interested, please take a look, we look forward to hearing from you!

Friday 18th November in **Children in Need Day** and further details are included in this newsletter. This year donations can also be made online via this link [Parent Pay - Children in Need donation](#).

Our school is a place 'where learners grow.'

A kind community where the worth of everyone is nurtured and celebrated.

We are rooted in a love of learning and building the confidence and courage to be ourselves.

Together we flourish to be the best that we can be.

Today, all of the children represented our school at the Cenotaph, joining Sutton CE School and Glusburn CP School. They took part in a remembrance service lead by Rev. Helen Collings and Rev. James Clarke. We were so proud of how the children contributed to this event, from taking part in responses, joining in with the 2 minute silence, laying a wreath on behalf of the school and reading in front of so many people. It was a privilege to be part of this. Thank you to all the children who made this so very special and to all the staff who prepared the children so beautifully, so that the children could take part with such understanding and respect.

Mrs Riley

## EYFS Open Afternoon

We are holding an 'Open Afternoon' on Thursday 24th November between 3.45pm and 5.45pm for prospective new parents of our school and we hope you will be able to join us then.

Just come along.

There will be open classrooms, displays from our Pupil Voice groups and taste testers from our kitchen.

Do you have some spare time?  
Please come and volunteer in school.

We are looking for people who can help in our library or who can hear children read.

A couple of hours a week would be gratefully received.

If you are interested please contact me through the office email address administrator@suttoncp.uk and I can tell you more.

Many thanks,  
Mrs Fletcher

## Breaking News

We are super excited and proud to announce that three of our wonderful runners have had a second consecutive successful cross country final.

This time it was North Yorkshire level races. Oliver from Y5 came 2nd, Thomas from Y5 came 1st and Vinny from Y3 came also 1st - PHENOMENAL RESULT!

This is not an easy achievement, results like that are only possible because of their dedication, strong willpower and attitude of not giving up. You are utterly amazing boys and everyone is very, very proud of you.

Congratulations!  
Mrs Howes

### Fun Basketball Festival

On Thursday 3rd November, seven Y5/6 children went to South Craven to a basketball festival. It was a fun event with 9 stations to practice different basketball skills including dribbling, shooting, passing and everything in between. After all that practice, our children played three friendly mini games against other school teams. It was a brilliant event, everyone had a great time and our children enjoyed it very much. There were lots of rosy cheeks and smiley faces at the end. Well done Team Sutton!

Bradford District and Craven Health and Care Partnership are pleased to announce the launch of [This May Help](#), a new national initiative providing mental health advice to parents and carers which has been launched this week.

[This May Help](#) is aimed at parents and carers who may have concerns about their child's mental health and is part funded by the Quality Improvement Taskforce for Children and Young People's Mental Health, Learning Disability and Autism Inpatient Services.

The website gives easy-to-follow advice to help families manage their child's mental health. This advice was developed by NHS professionals and parents who've been through their own child's mental health journey.

Parents and carers have shared advice that helped them and that may also help other families.
