

## Great news for Playtimes!

We are pleased to announce that the front playground will look very different when we all return after our Easter break. Children will be welcomed back to two new trim trails, new playground markings and a lovely stage and seating area. We are sure this will enhance their playtime and that they will all approve of the new equipment.

Thanks again to all parents and local services who have supported fundraising and contributed to events over the last few years; these funds have helped towards some of the costings for this refurbishment. We are hoping we will also be able to update the back playground before the end of the school year; we have submitted funding applications and await responses. We will keep you posted!

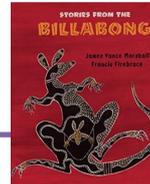

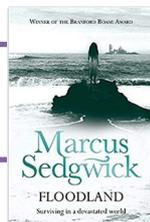

Have a lovely Easter, Keira Burns  
(Governor)

## Green Group Recycling

We can now recycle almost any type of pen, highlighter or marker. There is a bin placed next to the photocopier in the hall—all old pens, highlighters and markers can be placed in this bin and they will be sent off and turned into new pens, They won't go into landfill which is great news. You can also bring any pens, highlighters or markers from home.

Please note that we CAN NOT recycle erasers, rulers or pencils in this bin. Thank you.

Please be aware they are still the same company; the only change taking place is simply the name. You can continue to use the website, at the regular web address, the same way you always have.

**Please be assured that you do not need to take any action at this time.** Ever, should you have any queries about this change please contact their Support Team on 01506 300310.

## Y3 & Y4 Perform 'Dragon!'

Comments from our young actors on last week's performance...

'I have learned never to peek through the curtains!

'At first I had trouble learning my song but I think I overcame that.'

'I have learned during the rehearsal to project my voice and make it as clear as I can.'

'I would like to do the performance again so that I could make the props.'

'I'd love to do it all again!'

'The thing I was nervous about was doing my solos but it ended up great!'

## Race for Life 2019

All children in our school will be taking part in our 5K 'Race for Life' on the afternoon of **Friday 17th May**. Children should come to school dressed in their PE kit, a **pink** or **white** T-shirt/jumper and appropriate running shoes.

Each child will be given a 'race number blank' to design in school.

**Most of us know someone who has been touched by cancer and we all have our own special reasons for helping more people survive.**

You may want to help your child think of an individual person who they will race for.

In order to raise funds, we would like to ask that you help your child get sponsorship using the form provided. This should be returned to school with sponsor money by Friday 24th May at the latest. Alternatively, people can sponsor via our Just Giving page <https://fundraise.cancerresearchuk.org/page/sutton-cp-school>

## Y6 Leavers 'Photos

As in past years, Y6 will be having their leavers' photos taken shortly. On 2 May they are invited to bring an outfit to get changed into—this should represent the job they would like to do when they get older. In the past we have had medics & mechanics, footballers & professors, teachers and technicians! All classes will have class photos on that day too.

Many thanks.
