

Thank you to all who have fought for our freedom. We are forever grateful. With love from pupils, Staff and Governors of Sutton Cp School.

In Remembrance

This week our children did us proud. Marking the Armistice they once again joined children from Glusburn and Sutton CE School and members of the public at 11 o'clock on Monday 11th November. We always spend time preparing our children for this event and explaining the solemnity and behaviour needed in order to show due respect. We remind them that of the names on the cenotaph some will have attended our school as children and that past pupils and indeed current parents continue to serve and protect us

Hannah and Jacob, the oldest girl and boy in school laid a wreath on behalf of us all—this year's message was written by Sophie. Mia and Matthew read some of the names on the Sutton cenotaph. Thank you to Reverends Helen and Rob for organising this annual service.

National Prize Winners

Congratulations to several of our children who have been judged national winners in the Epilepsy sociality competition to design a poster to raise awareness of the competition.

Bethany in Y4 was judged to be overall National winner with entries from Jacob, (Y4) Mia (Y4) Sienna (Y5) Matthew (Y4) and Ruby (Y2) being recognised as highly commended.

Each child received a certificate, an Amazon Voucher and a couple of copies of their poster

Bethany's winning entry has won £100 for school to use for science resources. Perhaps more valuable than this has been the important and life long learning which has taken place

Thank you to Miss Bell for organising the entries and for sharing her knowledge with our children as a Trained First Responder

Cinema trip KS2 -

Tuesday 19th November We are delighted to tell you that we have planned a trip for the whole of KS2 (Years 3/4/5/6) to see the film 'Abominable' at the National Media Museum in Bradford on Tuesday 19th November. We have been given tickets from 'Into Film Club' which provides free showings for schools as part of a National Film Festival. The cost of the transport has been generously met by the Family Fundraisers which means we will be able to provide this fantastic experience without having to ask for voluntary donations. In order to reach the venue in good time for the start at 10.00am, we will need to leave school at 8.35am - 8.40am. This means your child will need to be in school for registration at 8.30am

Full details have been sent home and are also on the school website

Brilliant basketball!

On Wednesday 6th November six pupils from Y5 went to Basketball Festival at South Craven. At first they had the chance to play and practice eight different basketball skills related games. The Festival finished with four mini matches between different schools. I was very proud of our team - they showed great respect to the rules of basketball, were fully engaged in the game and passionate to score baskets. It was a fun and friendly festival and our pupils came away with smiles on their faces. Well done team Sutton!

Journey by Aaron Becker Please buy this book!

In every class this half term we are using this wonderful book to stimulate discussion, wonder and learning. The winner of the prestigious Caldecott Honor, and described by the New York Times as 'a masterpiece', Aaron Becker's stunning, wordless picture book debut about self-determination and unexpected friendship follows a little girl who draws a

magic door on her bedroom wall. Through it she escapes into a world where wonder, adventure and danger abound. Red marker pen in hand, she creates a boat, a balloon and a flying carpet which carry her on a spectacular journey ... who knows where? When she is captured by a sinister emperor, only an act of tremendous courage and kindness can set her free. Can it also guide her home and to happiness? In this exquisitely illustrated book, an ordinary child is launched on an extraordinary, magical journey towards her greatest and most rewarding adventure of all...

Please consider buying a copy for home to share with your child for bedtime reading, for its wonderful artwork, or to share with your child the

Winter Weather

We make every attempt to keep school open during severe weather, however as a school we need to be prepared. Our priority is the health and safety of both staff and pupils. If and when severe weather arrives, it could cause disruption on the roads. The staff who have long journeys may be unable to get to school. In the event of severe weather, a decision will be made by 7.45 am whether the school will open.

Please visit the noticeboard on the front page of our website of what to do in the case of severe weather.

Ambitious Aldi Sticker Challenge

Since September lots and lots of us have been shopping in Aldi and collecting special stickers and filling Aldi's Kit for Schools posters. We needed 300 stickers to complete one poster and unbelievably we've managed to fully fill 3 posters (with just a few stickers short of a 4th). By doing that we will receive an exclusive schools sports kit, which is fantastic - we look forward receiving it. More excitingly we now stand a chance, or three, of winning £20,000 prize to help our school kick-start a health legacy.

We have 2 big dreams - being active whilst learning during lessons with standing desks, desk bikes, wobbly cushions, etc. and offering cooking lessons in purpose built kitchen to pupils and their families after school. It would be great privilege for our school to have the resources needed for creating a community hub and have a direct impact on promoting healthy living in our village for years to come. So we have all our fingers and all our toes crossed hoping that we will be the lucky winners.

Thank you to all the wonderful families who have been shopping at Aldi and collecting these stickers for our school.
