

Year 5 Visit The Houses of Parliament and Westminster Abbey—reported by Simeon and Daisy

On Friday 3rd May, all of Year 5 met up at Skipton Train Station in the very early morning. It was very cramped in the station, but we all just managed to fit. After everyone arrived, we clambered on the train, which was busy with commuters. As soon as we all found our seats, everyone yanked food and games instantaneously out of their heavy bags. It took three hours to get to Kings Cross but the time flew by rapidly. In the middle of the journey, we all got incredibly delicious baked treats that were provided free of charge by the kind gentleman who worked on the train.

When we arrived at King's Cross, we got in our groups and strolled to the tube station. There were masses of people in the active tube system. The first tube we got on was approximately 10 minutes long and the second was roughly 5 minutes.

After we got out of the station, we saw the Elizabeth Tower getting reconstructed. When we reached the entrance of the Houses of Parliament, everyone was overwhelmed with excitement. We all had to go through an airport style security check, then put our bags in a cage so that we could have a break from our shoulders aching. In certain parts of the Houses of Parliament, the teachers couldn't take any photos, due to privacy. All around you could witness extravagant paintings and past Prime Ministers. In the Houses of Lords and Commons, you couldn't sit down on the benches, so we knelt. There was also a mammoth seat for the speaker. A colossal throne for the Queen sat there, made from solid gold. After our tour, we attended a workshop on representation and voting where we created our own manifestos and political parties. Our lunch break was straight after this, we needed to fill our tummies and refuel for the afternoon.

We tottered along to Westminster Abbey, where we created beautiful miniature stained glass windows, before having the opportunity to observe in real life. We were delighted to see David Hockney's new, modern window perched within the walls. Whilst wandering around Westminster Abbey, our class was specially mentioned during prayers.

Sadly, we then had to leave our capital city of London and make our way back to Kings Cross, ready for our departure home. The rush hour traffic meant that the tube stations were incredibly busy, but we all stuck together as a team and managed to squeeze ourselves on. On our return journey back to Skipton, there were lots of happy (and tired) pupils. A great day was had by all.

Well done Y6—you're on your way....

Our Y6 have performed admirably in the end of key stage national curriculum tests. Well done Y6 and thank you to all your parents and teachers who have helped prepare you. A special thanks of course to the lovely Miss D who has worked tirelessly on your behalf. Now the SATS are done the next stage of Y6 educational journey commences ... preparation for secondary school. There's lots of fun planned, including a production at South Craven School, a Treat Day, and end of year assemblies including the ever popular slideshows...

Our school uniform providers, M.C Sports, are able to offer some specially designed Y6 leavers' hoodies.

The hoodie will have the school logo on the front with the words Sutton CP Leavers, the year 2019 and every Y6 child's name on the back. The hoodies are available in black only and in sizes 9-10 years, 11-12 years, 12-13 years or small adult. They can be purchased via ParentPay at a cost of £11.00 each with school paying a £5.00 subsidy per child.

Please fill in the form on the website and return it to school by Friday 7th June 2019 at the latest if you would like to purchase one for your child. We are unable to accept orders after this date.

Y3 & Y4 Maths Festival

On Wednesday 1 May eight Y3/4 boys and girls went to take part in a Mathematics Challenge in South Craven School. There were three different types of challenges for children to try. First they had 15 minutes to try and solve as many number problems in different difficulty levels as possible. Next there was a relay challenge, where children had to correctly answer maths related questions in return which they got a piece of puzzle to bring back

to the team.

We were one of the few teams who successfully managed to answer enough correct questions, collect all puzzle pieces and use these pieces to make a hexagon. As a last challenge children had to build as tall a structure as possible from paper straws and paper clips. I'm beyond proud to say that our team created 183 cm tall structure, which was not only amazing but also twice as tall as closest competitors. In the end our team came to well deserved 2nd place. Fantastic job team!

Adult Guest Name

	Date*	Adult meal choice
Y3&Y4	Mon 17 June	
Y5 & Y6	Tue 18 Jun	
Y2	Wed 19 Jun	
Y1	Thu 20 Jun	
YR	Fri 21 Jun	

* choose one date—we will make every effort to ensure family groups from different classes can be seated together

Awesome Tag Rugby

Our Y3&Y4 Tag Ruby team were in action recently in competition against other local schools at a festival hosted by South Craven School.

Our team of nine boys and girls had to work very hard against six other local schools for each try and every point. During the six games our pupils showed true passion for the game of tag rugby, commitment to succeed and most importantly great team work. Almost all pupils managed to score a try which is amazing, especially considering that some of our children did not have any previous experience in tag rugby. It was an afternoon full of brilliant sport and sportsmanship. In the end our resilience to keep trying earned us a very well deserved 2nd place. Awesome job team Tag Rugby!

Thank YOU

Y4 Bun Sale

Y4 are holding a bun sale
on Tuesday 21st May.

Buns and sweet treats on
sale for 20p-50p

YR Money Sense

Reception and Year 1 were very lucky to have a visit from the NatWest Bank last week to take part in the Money sense programme. During the visit we had an opportunity to ask Jane from the NatWest Bank lots of questions about her job. We acted out some scenarios about how people chose to use their money and we looked at some pictures of where people can spend and save money. Finally we had to think about what we might need to buy a new puppy and how much those things might cost. We all got to take home a bag of goodies from the bank, so we can all practise using our own money at the shops. As a school we are now working towards a Money sense accreditation.

Who says RUGBY'S just for boys?

Why not show the boys how good girls can be at rugby?
Come and join Wharfedale RUFC's under-13 or under-15s girls' rugby team in September 2019.
Have fun, make great friends, learn new skills and keep fit; benefit from fully qualified and experienced coaches; join a fantastic rugby community.
For more details or to register an interest contact Stuart, the team manager; email wharfedalegirlsrugby@sillytrouts.me.uk, phone/text 07867 526113 or see www.facebook.com/groups/Wharfedalerugbygirls/

HEALTHY LIFESTYLES

FREE

12 Week Weight Management Programme
