New School Meals Service Planned roll out—Monday 4th February

The Governors have previously written to you to let you know that they would be appointing a new school meals provider in order to offer increased choice and flexibility at a competitive price. We are excited to let you know that our new school meal provider is Dolce Schools Catering.

The benefits that Dolce offer are as follows

- An increased meal option choice
- An increased flexibility of booking (for example one off meals)
- An online booking system where Parents can choose their child's meal
- A direct payment system between parents and Dolce (bypassing the school office)
- A reduction in current cost per meal to parents (from £2.82 per meal to £2.30 per meal)
- A removal of the current need for the school budget to subsidise the cost of KS1 Meals (currently £2000 per term)

Your child came home with further information from Dolce on Friday 18th January.

It is very important that you read this so that you understand the major changes which are beginning to take place.

Even if your child does not currently take a school meal, we would recommend that you register with Dolce and set up a 'Live Kitchen Account' as they may choose to do so in the future and/or may occasionally forget their packed lunch.

Payments will be made by yourselves DIRECT TO DOLCE using your new Live Kitchen Account and can either be by Direct Debit or by Credit/Debit card. From the point at which we move to Dolce (scheduled for Monday 4th February) we will NOT BE USING PARENTPAY FOR SCHOOL MEAL PAYMENTS

You can find out more about Dolce by visiting www.dolce.co.uk/catering/education

There is an opportunity for you to come and find out about the new meals service on Thursday 24th January at 2.45 when David Fleming, Area Manager, will make a presentation and be on hand to answer your questions.

Learning to Love Reading

We wrote to you at the beginning of the school year and shared with you our plans to help children learn to *Love Reading*. We made a commitment that every day in every class children will listen to a story or a novel. Obviously younger children listen to lots of short stories which develop into longer novels as they progress through school.

We have now begun another exciting term of learning. All children will be read to at least daily as we believe that, to be read to and hearing how to read, are an important part of becoming a skilled reader. It would be hugely beneficial if children had their own copies of the 'class novels' for this term.

- Pirates love underpants
 - Pirate Pete and his smelly feet

Miss Hathaway, one of our lunchtime supervisors, is fundraising for Cancer Research UK.

'I am taking part in the ultra white collar boxing experience. It is 8 weeks' training then on the 30th March I will be competing in a boxing match at a black tie event at the Coral Windows stadium in Bradford. I lost my uncle to cancer 6 years ago; he was a massive part of my life and our family. I have had no training or even set foot in a boxing ring. I'm wanting to do it to prove that anyone of any ability can push themselves to do it and to raise money for cancer research to help save others x'

Family Fundraiser Group

In an ever increasingly challenging funding climate, we want to ensure that our children get the best provision possible at our lovely school and our mission is to raise money to ensure this happens. We have some major projects in mind like totally redeveloping the playground—replacing the trim trail and more! We'd like to develop the Hive (the old Y2 classroom) to make it a place for parents to meet, courses to run (and tea and coffee to be shared!) We have some smaller projects in mind too like providing a constant stream of lovely new books for our school library

There are lots of ways that you can get involved, depending on course on the time you have available—please contact Jill Taylor to find out more.

You can do this in a number of ways

- j.taylor@suttoncp.uk or k.burns@suttoncp.uk
- On Facebook - [Family Fundraisers \(Sutton CP School PTA\)](#)
- Or in the playground most mornings and after school

We are currently seeking two new members to join our core Family Fundraising Committee. This would mean attending 1 meeting every 3 months and being part of a fun team that help to develop and deliver PTA duties in school. Please email either one of us if you would like more info.

There are roles for all parents; we are always looking for helpers, those who can support events and activities—please contact us should you wish to be involved.

Smashing the Y4 new multiplication tests

We have also been busy developing links with 'Early Excellence' who provided Early Years professional development. Putting ourselves on the map as a centre of excellence for professional development is an important part of our vision for our school.

Severe Weather

Snow Procedures

18 Jan 19

*** UPDATED DEC 2018 ***

Weather reports suggest that during the next few weeks we can expect some severe weather conditions.

We make every attempt to keep school open during severe weather, however as a school we need to be prepared. Our priority is the health and safety of both staff and pupils. If and when severe weather arrives, it could cause disruption on the roads. The staff who have long journeys may be unable to get to school.

In the event of severe weather, a decision will be made by 7.45am whether the school will open. This information will be then shared in the following ways:-

Online at:

School website: www.wherelernersgrow.co.uk

School Facebook Page

North Yorkshire County Council website: www.northyorks.gov.uk

Stray FM website: www.strayfm.com/schools/school-closures

Twitter:

Radio:

BBC Radio Leeds 92.4FM or 103.7FM www.bbc.co.uk/radioleeds

You can play your part by:

DO

- ◇ Print this information and keep in a safe place.
- ◇ Make sure your child comes dressed appropriately for the weather outside everyday. (Coat, hat, gloves, wellies)
- ◇ If you can't arrive on time, come in when it is safe to do so.
- ◇ Remember that, unless the weather is really severe, the children are encouraged to get out into the fresh air and have a 'run around'. If it snows we will often go outside to play in the park!

DON'T

- ◇ Phone school as this blocks our telephone line.
- ◇ Phone radio stations for information; they will broadcast details regularly.
- ◇ Assume we are open/closed just because other local schools are. Whilst we do liaise with other schools, ultimately the decision is based on the safety of our school family.
- ◇ Send children to school until you have checked. We will understand if on such days children arrive late.
