

HARVEST COLLECTION 2019

St Thomas's Church 150th Anniversary

This year we have joined with St Thomas's Church in their challenge to fill and distribute 150 shoeboxes to three local charities; Keighley Women's Refuge, The Salvation Army and POPI (Pass On Pre-loved Items)

Our Harvest Festival was held in school on 18th October.

We were joined by Lawrence from St Thomas's Church and Rev Rob from Sutton Baptist Church who led the festival; and we were also joined by Mr Sugden, our Chair of Governors.

One of the songs we chose; 'Thank you for a million billion things.' really summed up the message of our celebration this year.

Each child who had brought a gift came forward during the service and, by the end, we had to give ourselves a round of applause and a pat on the back for the astonishing numbers of gifts collected! We'd like to give **you** a great big thank you for supporting your child and encouraging them to learn the power of giving.

Lawrence will be coming back into school and together with our school Council will be packing your gifts into shoeboxes for distribution to the three charities.

Our aim is to fill between 30 and 50 shoeboxes as a school. We'll let you know how we get on!

Thank You

Last week we held a meeting for parents as an **'Introduction to Phonics'**. We have been asked if we could run another session during the school day as some parents were unable to attend. We have pencilled in Monday 11th November at 2.30pm for approximately 45 minutes. This session will only go ahead if we have enough interest.

At the session we will talk about:
What phonics is; how and why we do it.
How to pronounce each sound correctly.
How you can support your child with reading and writing at home.

The session will be short and informal so that you can ask any questions you may have. We can also discuss ways in which you can encourage your child to begin reading and writing at home. Confirm your attendance with either Mrs Bailey or Mrs Daswon by Friday 25th October 2019.

Y6 Secondary School Places

The deadline for applying for a secondary school place for September 2020 is the 31st October 2019. These need to be completed online to the Local Authority in which the child lives.

Photographs

The very last day for sending photograph orders in to school is Thursday 24th October.

After this date, parents will need to contact Adventure Photography independently to place an order.

The whole school recently had a wonderful time celebrating the 'European Day of Languages.' We love languages at Sutton C.P!

The day was very exciting for children and staff as we are interested in developing the love of languages beyond classroom lessons. Our own Señora Stansfield, originally from Argentina, currently teaches weekly Spanish lessons for Y2 upwards.

We celebrated the day with lots of multilingual activities. Each class worked really hard to master and learn lots of facts about different countries and languages. We had such a rich day; we danced, we made flags, visited a French Café and even sang in other languages. We finished the day with a wonderful assembly sharing all our new knowledge with others.

Language is such an integral part of our every day existence and on the European Day of Languages, children and staff had the opportunity to reflect on their place as global citizens!

More fantastic football news!

On Wednesday 16 October our Y3/4 and Y5/6 football teams went to South Craven to compete against 7 other local schools.

Y5/6 Team was accompanied by Mrs Broughton who said "The whole team was exceptional! I am not normally a big fan of football, but they were amazing. I was blown away how independent they were and how they organised themselves brilliantly. They had possession of the ball most of the time, they showed great passion and in my eyes deserved to win". In the end they won, drew and lost (totally unluckily) a match. They should be extremely proud of themselves as they proved themselves to be great sportspeople and gave their absolute best.

Y3/4 Team was accompanied by Mrs Howes and they too were fantastic representatives of our school. They showed great footballing skills which they matched with the equally impressive skill of working together and being super encouraging of each other. They dominated each game with amazing enthusiasm, smart attack tactics and awesome defence. As a team, they were simply outstanding, scored an unbelievable 13 goals in 4 matches and **WON the whole competition!** They totally deserved the medals, the trophy and the glory - a massive well done!

Woo-hoo!
Mrs Howes

2019/20 INTRA SCHOOL Tournaments have commenced!

Once again our annual intra school tournaments have begun. This is a fantastic opportunity for all children in KS2 to compete in seven different sports against their peers across the academic year.

There are eight mixed teams of Y3/4 and Y5/6; all teams are named after fabulous trees; Pine, Ash, Willow, Redwood, Beech, Maple, Spruce and Oak. We're looking for great team work, bundles of passion, good sportsmanship and resilience to always perform at the highest level.

Most importantly we want all children to have fun!

The tournaments started this year with football. Y3/4 teams braved the rain and showed fantastic footballing skills, with an astonishing 62 goals across all matches. Y5/6 got lucky with weather and on a lovely dry day played some nail-biting matches and displayed amazing defence skills, which resulted in 37 goals in total.

First winners of this first tournament were Y3/4 Team Pine and Y5/6 Team Maple, with runners up in Y3/4 Maple and in Y5/6 Ash and Willow. Well done.

All the points gained throughout the year will be added together and overall winners and runners up will be announced at Sports Showcase in July. I have a feeling that it will be an extra exciting year in sport in our school and I can not wait for the next intra school tournament which will be hugely popular—hockey.

So I wish all the teams best of luck, keep trying your hardest and enjoy yourselves!

Mrs Howes

EXPLORE, DISCOVER AND DEVELOP

Enjoy a fun, award winning, arts and crafts after school club and get creative with friends.

- ★ Get creative with aliens from outer space
- ★ Go wild with fantastic finger print friends
- ★ Twist and bend far out sculptures
- ★ Create your own pop out zoom cards and much more...
