Dear Families

We have had a settled second week into school. Children are coping well with their new routine and are getting used to being back in school. The beginning and end of school is running smoothly and it is lovely to see our children arriving happily each morning.

As teachers are getting to know children they are also beginning to make some informal assessments of where children are in their learning and are adapting their planning accordingly. Mrs Fletcher and I have begun pupil progress meetings with staff. At these meetings we have discussed teachers first impressions of their classes and also children who have additional and different (SEND) needs. Some early interventions are being put in place for children who have gaps in their learning.

20 of our children have had someone in their family tested for COVID19 since the beginning of term. The vast majority have been able to access tests quickly and the result have come back within 24 hours. Thank you to all of these families for responding so proactively to symptoms which you can probably quote in your sleep!

Symptoms of coronavirus in children—The main symptoms of coronavirus are:

1. a high temperature
2. a new, continuous cough - this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
3. a loss or change to sense of smell or taste - this means they cannot smell or taste anything, or things smell or taste different to normal

If your child has any of the main symptoms of coronavirus:

1. Get a test to check if they have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get the test result - only leave your home to have a test.
3. Anyone you live with, and anyone in your support bubble, must also stay at home until you get the result.

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/coronavirus-in-children/>

We are noticing that many children are quite tired this week. We often see this during the first couple of weeks as they get used to the demands of being back at school and some of our children have been out of school for a much more extended time than is usual and their tiredness is understandable. In school this shows itself as a range of different behaviours, weepiness, refusal to do ask asked, sleepiness, aggression and all round grumpiness! I think we are going to have to work together on this and I'm asking for your support. To be fit for school children need to eat well and sleep well. Good routines at home will enable your child to thrive at school. Junk food, late nights and inappropriate access to online games and videos will always have negative repercussions at school. Please give your child their best chance of succeeding now they are back at school.

As we move into the third week of the term the news suggests that things are going to become more challenging over the coming weeks.

As we wait for further guidance age appropriate Home Learning is currently being delivered weekly for all year groups online. In YR Tapestry is the online learning platform. For Y1-Y6 this is via Google Classroom. Teachers have been reminding all children how to access their Google Classroom and I have written to all Y1 parents to explain the process. Should we move to a position of part or whole school closure all learning will move to Google Classroom like before the summer break. If you have technical difficulties accessing either of these or you don't have a laptop/ipad please let us know and we will do what we can to help.

Have a lovely weekend

Sending love from the staff team to your family,

Year Group Bubbles

In order to comply with social distancing regulations, school start and finish times have been staggered as follows:

Year Group	Morning Drop Off	Afternoon Pick Up
Reception	8:55 am start Please queue to drop your child off no earlier than 8:50 am and no later than 9:00 am.	3:20 pm finish Please queue to collect your child no earlier than 3:15 pm and no later than 3:25 pm.
Year 2		
Year 4		
Year 6		
Year 1	9:05 am start Please queue to drop your child off no earlier than 9:00 am and no later than 9:10 am.	3:30 pm finish Please queue to collect your child no earlier than 3:25 pm and no later than 3:35 pm.
Year 3		
Year 5		

In order to maintain social distancing it is imperative that parents adhere to these times.

Welcome to Mr Beetles

I have been working as a teacher in North Yorkshire since 1986. During that time I have worked with children of a variety of ages and in a range of different settings - including secondary and primary schools - as a music and mathematics teacher. I am delighted to join Sutton CP school this term and I am really looking forward to working with our fabulous Y6 every Monday.

I have lots of exciting plans including (but not limited to) establishing a new ukulele band in the next few weeks!

Outside of school I love gardening and visiting historical buildings. At the moment I'm on a mission to visit all the cathedrals across the UK!

Please keep in touch with us.

Don't be shy about telling us things that will help your child to be happy in school. Be brave about telling us anything at home which you think might affect their ability to settle within the classroom. You can contact us by phone or email using the administrator@suttoncp.uk address. We have very effective communication systems within school. Any information will be shared with the relevant members of staff who will treat it professionally, with sensitivity and discretion. The information you give us will help us support your child.

18 Sept 2020

Due to current restrictions we are unable to host our annual Macmillan coffee morning in school this year. However we are not going to let a small thing like a global pandemic stop us raising money for one of our favourite charities! Visit our page at <https://thyg.uk/BUU004694355>

SUTTON CP'S MACMILLAN COFFEE MORNING RECIPE BOOK

Friday 09 October at 15:30

Hosted by Kirsty Ibbotson

This year we are asking the children in our school to write a recipe for their favourite dessert as home learning and include a photograph of it. This will be sent out on Friday 9th October.

Children can then pay £1 to have their recipe published in our Macmillan Coffee Morning Recipe ebook and receive a free gift of a small chocolate bar.

Once our recipe ebook is complete, parents will be able to obtain the recipe book in return for a donation.

Loving to Read

We love to teach children to love reading! We made a commitment that every day in every class children will listen to a story or a novel. Obviously younger children listen to lots of short stories which develop into longer novels as they progress through school. We have now begun another exciting term of learning. All children will be read to at least daily as we believe that, to be read to and hearing how to read are an important part of becoming a skilled reader. At home you should encourage your young reader to re-read what has been read in class and also pre-read the next few pages. It would be hugely beneficial if children from Y2 upwards had their own copies of the 'class novels' for this term. Parents of younger children might like to include the stories read in school as regular bedtime reads—Younger children learn to love stories by hearing favourite ones again and again; this also gives them great ideas for writing their own stories

YR The colour monster- Anna Llenas, The colour monster comes to school - Anna Llenas, Calm with the hungry caterpillar- Eric Carle, Elmers walk- David McKee, Outside in Deborah Underwood, Mind hug- Emily Arber and Vanessa Lovegrove
YR

Y1 The Twits & George's Marvellous Medicine—Roald Dahl

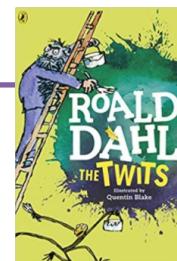

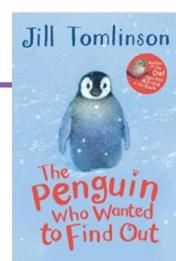

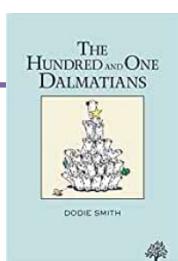

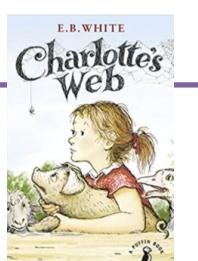

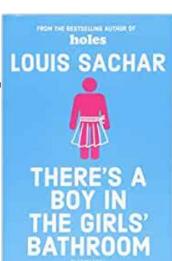

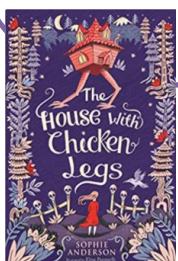

Y2 Books By Jill Tomlinson— currently The Penguin who wanted to find out

Y3 101 Dalmatians By Dodie Smith

Y4 Charlottes Web—EB White

Y5 There's a boy in the Girls Bathroom -Louis Sachar

Y6 The House with Chicken Legs— Sophos Anderson

Individual Photos

Adventure Photography will be in school on **Thursday 1st October** to take individual photographs of your school aged child/children.

I am sure you will appreciate that we have had to make some slight changes from previous years. In light of the current COVID situation the following arrangements will be in place;

- Our photographer will sign in, sanitise hands on arrival (and whenever appropriate throughout the course of the day) and wear a mask/visor for the whole duration of time spent inside our school building. Social distancing between photographer and staff/children will be adhered to at all times.
- Unfortunately there will be no opportunity for photos of pre school children or siblings together to avoid 'bubble mixing.' School staff will ensure that each child is 'tidy' pre-photo so there will be no physical interaction between child and photographer.
- Our children will be brought to the hall for photographs in groups of 10 children at a time
- Photograph orders and payments will be made online (details to follow)
- Photos will be delivered back to school; we will quarantine them for 72 hours before distributing them to parents.

Applying for a Secondary School Place for September 2021.

All Y6 parents have been emailed a letter to reminder you to apply for a secondary school place by the closing date which is 31 October 2020.

Parents can apply for a secondary school place from 12 September and the deadline to apply is 31 October 2020. The letter provides a link to the admissions area of the North Yorkshire County Council website where all of the information they need to apply electronically is available at www.northyorks.gov.uk/admissions

Parent/Carers of pupils who live outside North Yorkshire must apply and obtain information from their home authority regarding their application process. If you want your child to attend a NYCC school they still need to make the application to their home authority and information will be shared between other LAs, as part of the LA's co-ordinated admissions scheme.

Any application received after 31 October 2020, without a genuine reason, will be considered as a late application. This means that they are looked at after all other parental preferences have been met. A paper copy of the all the secondary school information including the common application form is available if required please email schooladmissions@northyorks.gov.uk or contact us on 01609 533679.

Sutton in Craven Community Primary School

hdft.childhood.immunisations@nhs.net

01423 542360

September 2020

Dear Parent/Guardian,

Protecting Children Against Influenza (Flu) and Complications

The nasal influenza vaccination is being offered to all children in Reception-Year 7. Our team is scheduled to visit Sutton in Craven Community Primary School this Autumn as part of this programme. If you would like your child to receive this immunisation, please ensure your consent form has been submitted no later than 25/10/2020 – if you submit your consent form after this date your child may be missed when we visit school.

Please see below for details of how to consent for your child, as well as answers to common questions about the influenza vaccination programme.

How do I give my consent?

1. Go to <https://www.hdft.nhs.uk/fluconsent>
2. Enter the School Code 121420 and click "Find School".
3. Complete the form with your child's information and parent/guardian contact information*.
4. Click the green "Submit" button.

*If you provide a valid email address you will receive an automatic email confirmation to say your form has been submitted. We will also email you to let you know that your child has been vaccinated in school. If your child has specific medical requirements one of our nurses may need to get in touch before we are due to visit school. We never pass on your contact information to third parties.

Why is the influenza vaccine being offered?

This vaccination programme is in place to help protect your child against influenza (flu) and stop the spread of the virus within schools, families and the wider community. Influenza is an unpleasant illness that can lead to school absences and sometimes causes serious complications requiring hospitalisation. Vaccinating your child doesn't just protect them – by helping to stop the spread of influenza this winter they will also be protecting vulnerable friends and family of all ages.

Sutton CP School News...

www.wherelearnersgrow.co.uk

18 Sept 2020

How is the influenza vaccine administered?

Unlike most vaccinations, the nasal influenza vaccine is a quick and simple spray up the nose. There are a small number of children for whom the nasal vaccine is not appropriate. In these cases we offer an intramuscular injection as an alternative. Please check the link below for more information.

Does the nasal influenza vaccine contain pork gelatine? Can my child have the injection instead?

Yes, the nasal influenza vaccine contains trace amounts of porcine gelatine. If you would like your child to receive the injectable influenza vaccine, which does not contain porcine gelatine, please do not complete the online consent form. Instead, please give us a ring on 01423 542360. You will need to bring your child to a local community clinic as we cannot give the injection in school.

Where can I find out more?

Please visit <https://www.nhs.uk/conditions/vaccinations/child-flu-vaccine> for more information about the childhood influenza vaccination programme.

You can contact the childhood immunisations team on hdft.childhood.immunisations@nhs.net or 01423 542360. We are a small team and we cannot always answer the phone straight away, so please leave a message if there is no one available to take your call. We endeavor to respond to all queries within one working day.

Yours sincerely,

**Lois Alderson
Clinical Lead for Childhood Immunisations in North Yorkshire and City of York**
