

Our school is a place 'where learners grow.'

A kind community where the worth of everyone is nurtured and celebrated.

We are rooted in a love of learning and building the confidence and courage to be ourselves.
Together we flourish to be the best that we can be.

Happy Children in Need Day,

The children have had a great day today raising money for Children in Need, thank you all so much for your generosity in these challenging times.

Thank you also to the fundraising team led by Miss Ibbotson and Miss Blackie for all their hard work and thank you to the staff who took part in the annual mayhem that is "I'm a teacher get me out of here..."

If you still have money to pay in please use this link, [Parent Pay - Children in Need donation](#). We will let you know our grand total next week.

On Monday this week had our anti bullying assemblies and thought about ways to recognise bullying and what to do if we experience it or see it happening. The children were very good at explaining how to get help and we all shared the importance of caring for each other.

As part of our science partnership with other local schools Mrs Wright and Mrs Fletcher took group of children to the Science and Media Museum on Tuesday . They went with children from five schools in the Craven partnership and had a great time. Read about it further on in the newsletter.

Staffing news - we are delighted to be able to tell you that Miss Pickering is taking on the job of Kitchen Manager starting on Monday. She will be working alongside Miss Booker creating our lovely school dinners. Miss Day and Mrs Howes will be supporting Miss Dean in Y3.

We are holding our Open Evening ,for parents of children who start school next year, on Thursday next week . There are more details later in the newsletter; please pass this information on to anyone you know who may be interested.

Have a lovely autumnal weekend.

Christmas is coming, the Christmas tree is on order and there are lots of events planned.

Mrs Riley and Miss Baldwin are taking part in the Skipton Santa Fun Run this year.

They would like to raise money for School Funds and welcome your sponsorship for this.

In the school office there is a sponsor form for this event and all the money raised will be donated to school.

Many thanks for your support with this.

Trip to the Science and Media Museum

On Tuesday Mrs Fletcher and Mrs Wright took a group of children to the museum. This was arranged through our Craven Partnership and we had 5 schools taking part. We all had a fantastic time.

Lacey and Lexie's favourite part was the Wonderlab—we explored sound and light with some really entertaining exhibits.

Jasmine enjoyed the light show and Cody thought the 3D movie about Antarctica was the best part as, "it felt like the creatures were sat next to you."

Here's some of the other things the children said:

- ◆ The best time ever
- ◆ It was so cool
- ◆ It was really good.
