And we're off...

The Fiver Challenge provides a highly interactive, fun way of introducing financial education, enterprise and the world of work to primary school pupils as they aim to make as much profit from £5 in four weeks. Each of our 6 Pupil Voice Groups are now hard at work planning their enterprise project.

Each group (Librarians, Fundraisers, Buddies, Green, Global, Tuckshop) are pledged £5 from the Fiver bank and have one month to set up a mini Fiver business and create a product or service they can then sell or deliver at a profit whilst engaging with their local community. Pupils are in full control of the profits they earn and get to decide what to spend them on.

Fiver Challenge runs from: Monday 4 to Friday 29 June.

You can find out more about the Fiver Challenge [here](#)

Roosters/Early Birds News

You will have noticed that a **bell** has been recently fitted to the entrance door for Early Birds and Roosters. You should now gain access to drop off or pick up your children by ringing the doorbell. A member of staff will come and let you in. Please be aware that you may experience a short delay as staff will be busy looking after children. **Please do not prop the outside door open and remember to close it behind you.** These measures have been put in place to increase the safety of your child whilst they are in the clubs.

(You should continue to pick your child up from the main entrance and wait in the library if they are attending an after school club such as fencing or dodgeball.)

Arrival at School

Please be reminded that the school day begins at **8.55** when the doors open ;this allows for a prompt start in classes at 9.00am. There are a small number of the same children arriving at school after 9.00am everyday. This is not beneficial for them or their class

Lost learning = 25 minutes a week if five minutes late and 50 minutes if ten minutes late every day.

Term 2 Attendance is now being currently analysed—if your child's attendance fell below 95% last term, we will be letting you know in writing so that you can keep an eye on this. Research shows that 95% is the minimum attendance needed to ensure good progress in school.

School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs.

Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes **the school office** requires one week's notice to change to/from school meals.

In our commitment to develop children's critical literacy skills, we have teamed up with Picture News to help develop their understanding and appreciation of the news.

Having age-appropriate conversations with your child about the news keeps them interested and informed about what's happening in the world...and you too!

They move from wanting to know what happens in MY world to what is happening in THE world and their place in it.

By having regular conversations about the news you are able to share a whole range of topics and together make more sense of different events, issues and stories.

There are no rules or script to follow but you might want to watch, listen, read and discuss the news selectively.

Some significant news stories can be frightening and you will need to consider what your child can cope with and whether they are developmentally ready to understand certain events. For example, you might decide to listen to the news rather than watch it as there may be images they might find upsetting.

Talking about the major headlines of the day and current affairs is important so that children grow up as global citizens but it's important too to share a variety of fun and exciting news stories from the worlds of sport, entertainment, music, science, etc as well as local news closer to home.

Picture News

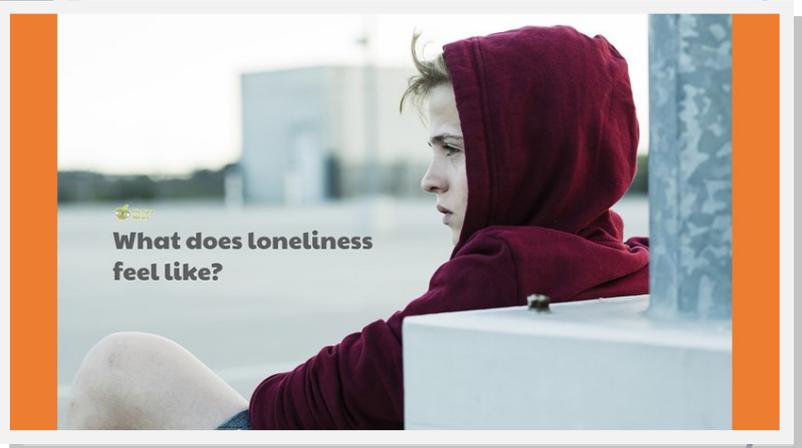

at Home

Over the next weeks we'll be sharing tips about how to discuss the news with your child.

23rd -29th April

In the school hall you can see children's responses to the questions posed last term. We've encouraged this through writing at length. Their writing shows development of understanding, thinking and writing skills between YR and Y6.

Sutton CP News...

20 Apr 18

Heading to the Start line is beating cancer! Race for Life 2018

All children in our school will be taking part in our annual official 5K 'Race for life' on the afternoon of Friday 18th May. Each year we are able to make a significant donation to Cancer Research UK following this event and we are asking for your support to be able to do the same in May 18!

Growing up in North Yorkshire Survey

This year our Y6/Y5 and Y2 pupils will be taking part in this biannual survey commissioned by NYCC. It will enable us to gather important information about the views of NY children both at a school and county level. Parents of those children who will be involved will receive further information nearer to the survey date in May.

Rainbow Day - Friday 20 April Thank you to all the families who chose to support our fundraising day for a local nine year old little girl who has a brain tumour by wearing their **brightest coloured clothes** to school today. We'll add a school donation to the money you have sent in to the Candlelighters Charity who have been supporting the little girl and her family. This is a cluster school event, so as well as letting you know how much we donated, we'll let you know the overall figure from the other local schools who took part.

Half Termly Curriculum Maps

Keep an eye on the curriculum section of your child's class page as they are updated over the next week with their curriculum map for this half term

YR Growing and Healthy Lifestyles

Y1 & Y2 Nature Detectives

Y3 & Y4 Battle of Britain—a turning point in history

Y5—Nature Detectives

Y6—KS2 SATs ready set go!

This will tell you the learning which will be covered in school this half term and equip you to support your child at home. Remember that your child should be bringing their learning log to and from school everyday. Inside there are lots of important facts which you can use to help your child to learn—things like tables and key spellings. When Children recognise that education is important to their parents they tend to do better at school.

Kindles

You will recall that we recently told you that Skipton Mechanics Charity had made a donation to enable us to buy five kindles for the school library. These have now arrived and Mrs Broughton, our librarian, is uploading a range of exciting titles. Once this is complete the kindles will be available for loan initially to KS2 children.

Class Novels this half term

As children grow and develop they still love to hear great stories (even adults enjoy audio books) In school this term children will be enjoying
YR lots and lots of stories!

Y1 The Hodgeheg—Dick King Smith

Y2 Paddington at Work—Michael Bond

Y3 & Y4 Tail End Charlie Mick Manning

Y5 Kensuke's Kingdom—Michael Morpurgo

Y6—Nina Bawden

We would like to encourage Y3 and above to bring their own copy in (make sure it has your name in it!) to read alongside their teacher.

Communication with School

We want to use as many ways as possible to keep in touch with you.

How we tell you what is going on in school...

- Facebook*
- Website
- Regular Newsletter
- (on website and emailed by request)
- Twitter

If we need to get in touch with you

- We will use the contact information you have provided—if this changes, you need to let us know.

If you'd like to get in touch with us please

- Phone us 01535 633064
- Email: administrator@suttoncp.uk

Please don't use Facebook to try and contact school.

Mrs Beetles & Mrs Fletcher are in the playground most days before and after school.

Bags 2School

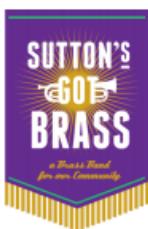

The Early Years team are organising a Bags 2 School Collection on 24 May @ 9.00am. All proceeds will subsidise 'YR's Big Summer Trip' this term. Your child will have brought a bag home today. This is a great opportunity to have a good spring clean and get rid of clutter.

We accept the following 'good quality' items for RE-USE:

- Men's, Ladies' and Children's clothing
- Paired shoes (tied together or elastic band around)
- Handbags
- Hats
- Bags
- Scarves and ties
- Jewellery
- Lingerie
- Socks
- Belts
- Soft toys
- Household linen
- Curtains
- Towels
- Bedding (bed sheets, pillow cases and duvet covers)

We DO NOT accept:

- Duvets and blankets
- Pillows and cushions
- Carpets, rugs and mats (including bath, shower and toilet mats)
- Soiled, painted, ripped or wet clothing
- School uniforms with and without logo
- Corporate clothing and workwear
- Textile off cuts, yarns or threaded material

SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School
Bridge Road
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

For more information contact:
