Our school is a place 'where learners grow'.  
A kind community where the worth of everyone is nurtured and celebrated.  
We are rooted in a love of learning and building the confidence and courage to be ourselves.  
Together we flourish to be the best that we can be.  
Sutton CP Vision Statement

Dear Families

It has been a busy few weeks since my last newsletter. Last week our Y6 pupils took part in the end of primary school national assessments—SATS. Our children were a credit to their families and to our school. Ms. D and the Y6 staff had prepared their class well and they approached their tests with maturity and confidence. The administration of these tests involves a large number of staff and governors and I am grateful for their diligence and support in ensuring everything ran smoothly. This week I have spoken to our Y6 pupils to remind them that they are now moving into the final half term of their primary careers. It is important for them now to reflect on all they have achieved and focus on the legacy that each and everyone of them will leave when they move on. Already this week staff from South Craven School have visited us to meet the children who will be transferring there in September.

The end of SATs week saw a return to our very popular annual Race for Life organized by the fundraising duo of Miss Ibbotson and Miss Blackie. It was a joy to see families and children having such a good time 'racing' round Sutton Park for such a good cause. There is some news further on about our Running Total so far.

This week got off to a great start with Y1 and Y2 heading off for a day at Harlow Carr Gardens in Harrogate. They were well supported by parent volunteers and staff and all enjoyed learning in the outdoors. I understand that so much fun was had that many children (and some adults) slept all the way back to Sutton!

Our Governors met this week for a full board meeting. We are pleased to welcome two new governors Sana Jamil (Parent Governor) and Rachel Gray (Coopted Governor) I'd like to welcome them to the board and thank them in advance for their service to our lovely school.

Next week, the final one in this half term we will be preparing with the country to celebrate our Queen's Platinum Jubilee. We have a great day planned on Thursday when children are also invited to come to school dressed in the colours of the Union Jack. Please remember that we break up on Thursday as Friday 27th is an in-service training day for staff.

As the inevitable cycle of the school year progresses we are beginning to make contact with our new intake for September 2022—how time is flying!

Have a lovely weekend

We are rooted in a love of learning.....  
Sutton CP Vision Statement

A very excited group of children and adults left school this week for a day of learning at Harlow Carr gardens in Harrogate. Despite the rain a great day was had by all.

The planned learning was based around the eKS1 Science curriculum;

- ♣ explore and compare the differences between things that are living, dead, and things that have never been alive
- ♣ identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other
- ♣ identify and name a variety of plants and animals in their habitats, including microhabitats
- ♣ describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

Quite rightly for children it was all about fun new learning outside in the great outdoors.

They all enjoyed a workshop led by the staff at Harlow Carr about 'Who lives in our garden?' This was followed by a Four Seasons Sculpture Trail. After a yummy packed lunch the afternoon was spent on a Shape Hunt before heading back to school.

We have a sneaky suspicion that for some of our little learners the most exciting day was the ride on the enormous coach! A brilliant day was had by all and was topped off by an email from the team at Harlow Carr telling us what a credit the children were to our schools. Special thanks go to Miss Bell and Miss Baldwin for all the work that went into planning this very successful visit.

## Safeguarding—After School Pick Up. (Parental Authorisation)

We are currently in the process of updating our list of people who you authorise to pick your child up at the end of the school day.

**Please complete and return the short form your child has been given and return to school as soon as you can. If we do not hear from you we will assume the details we have on file are correct. If you can not remember what you have told us please submit a new form. If your wishes change over time let us know.**

You only need to phone the school office on the rare occasions that someone not on if someone who is NOT on your authorize list is picking your child up.

Please make these calls before 3.00pm to enable messages to get through to class.

Younger children are handed over 1:1. By the time children are Y5 and Y6 we expect them to be able to find their way to the person picking them up.

Children in Y6 can walk home alone if we have your permission in writing to do so. You can add this detail to your form if you authorise.

Children not picked up by 3.40 will be taken to after school care.  
We will always try to help you with emergency after school care if we can.

The end of the school day is a particularly busy time - the steps above are in place to ensure your child is transferred safely to the people you have authorised. Thank you for your support.

Mrs. B

## Jubilee Jamboree!

Throughout next week, our children will be learning about the Queen's Platinum Jubilee, and how Britain has changed over the past 70 years. To celebrate this once-in-a-lifetime occasion, we are inviting the children to come into school dressed in red, white, blue, or an outfit suitable for a coronation on Thursday 26th May. There will be lots of enjoyable activities taking place and we hope to have a royally good week!

## Sutton Gala 2022

### Chocolate Tombola

Our Friends Association will be running a fundraising stall at Sutton Funday. All the money we raise raised will be used to support school for things like subsidising school trips.

On Friday 17th June children can choose what to wear in exchange for a chocolate based gift for the tombola.

If you are able to help at the Fun day please contact school

Thank you for your support

### Where's Winnie?

**Help us Celebrate the Queen's Jubilee**

Can you find our Corgis?

Some of the Queen's Corgis have been naughty and are hiding in Sutton.

They are waiting for you to find them.

If you find Winnie or one of her friends,

she is all yours!

You can keep her for yourself,

give her to a friend

or pass on to a deserving cause.

It's up to you.

To pre-book meals visit [the ParentPay website](#).

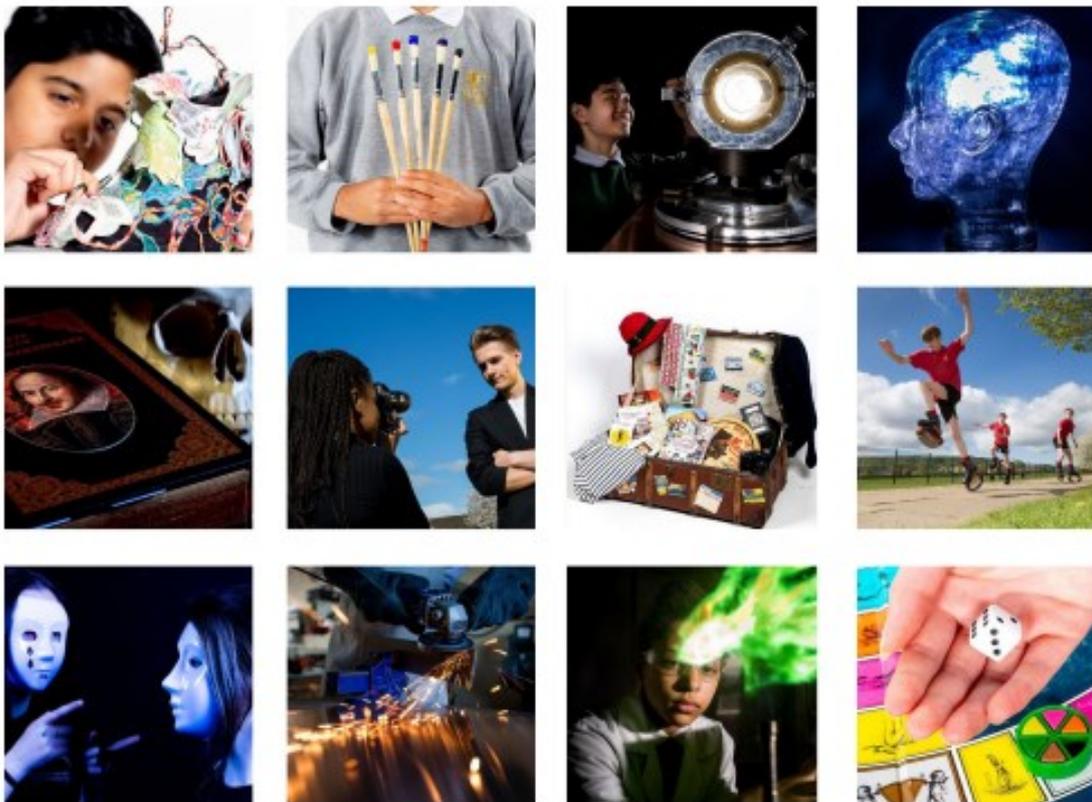

- Log in using your username & password which you created
- Select child
- Select book meal & places (the blue box on the right)
- Select make or view bookings (the blue box on the right)
- Select week
- Select meals)
- Confirm booking
- Make payment (if appropriate)

Your order must be placed by **9.00am seven days** in advance of the meal being taken or, by **9.00am on the last Thursday of each half term.**

If you have pre-ordered a meal which your child no longer wishes to have, the meal must be cancelled by 9.00am seven days in advance; the office will delete pre-ordered meals on days when your child is absent from school. If you send your child with a packed lunch when a meal has been pre-ordered (hence already prepared and cooked) the packed lunch will be returned home. If your child hasn't got a meal pre-ordered and they haven't brought a packed lunch from home, then we will always try to contact you to either bring them a lunch, or ask that you are happy for us to provide them with a baked potato, filling and sides of the day (chargeable if your child is not eligible for a free school meal).
