Arctic Roll & Mandarins

School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs. Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes the school office requires one week's notice to change to/from school meals.

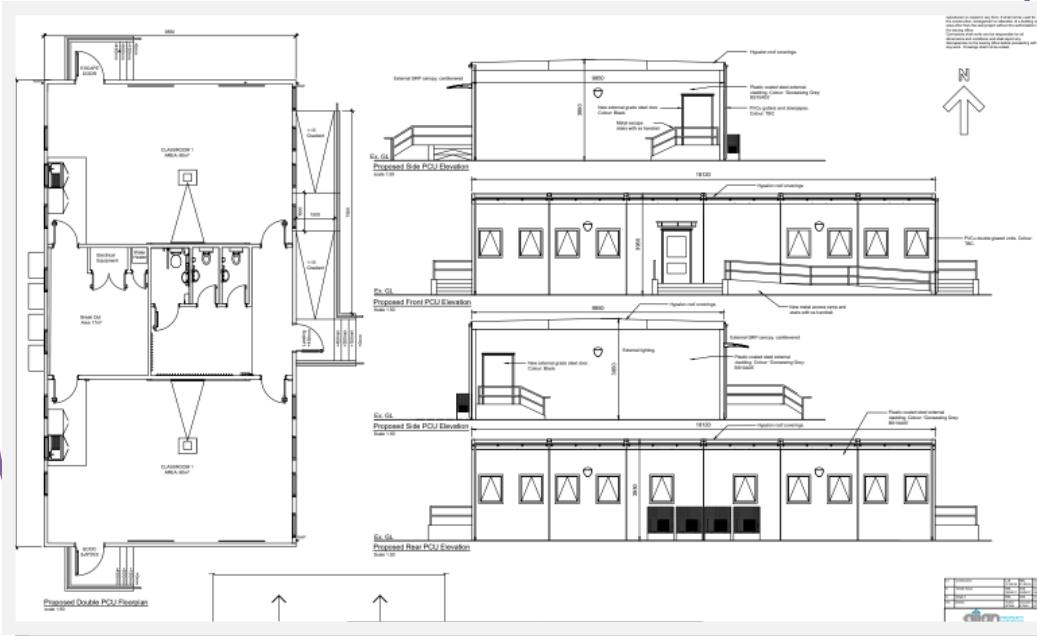

## The Big Build Begins - Monday 25th June

The existing Y5 classroom will be demolished and two new classrooms, a study and toilets erected in its place. These two classrooms will be used by Y5 & Y6 from September.

For the last four weeks of term, there will be contractors on site and most of the front playground will become their compound. For the final few weeks of term, Y5 (32 children) will be moving to the current Y6 classroom and Y6 (20 children) will be based in 'The Nest.' Whilst we are all looking forward to having the additional space, we recognise the challenge it will present to staff, children and parents so ask for your patience and support for the duration of the works. As always the Health and Safety of our school family remains our primary concern.

Here's how you can help...

1. The front gate will be out of action during the works—part of the wall will be demolished (and then rebuilt) to accommodate access to the site. During the project you should use the gate adjacent to the park for all access into school.
2. Please make every attempt to walk to school if you can—you may need to park your car further away from school than you usually do.
3. Waiting space in the front playground will be very limited at the beginning and the end of the school day. It should be possible for all children to enter and exit the building through their usual door.
4. If you have any concerns regarding the site, please discuss them with Mrs Beetles.

**Planning Ahead...** This week teachers have spent time together planning for next year. All schools are expected to deliver the National Curriculum but can decide how this is taught based on the needs of the children in their schools. In our school we think our children need lots of opportunities to read and to be read to as we firmly believe that successful readers make the most successful learners over time. We also want to give our children lots of real life learning for example by planning educational visits.

Teachers have spent time together planning the whole year—and there is lots to look forward to. We'll begin the year with a couple of whole school topics. In September children will be studying '*My Brilliant Brain*' and finding out all about how it works. This will be followed by '*We will Remember*' centred around the centenary of the end of World War 1. You could spend some time helping your child research both topics.

## Sports Days - Come and Join Us

Tuesday 26th June—In Sutton Park

- 9.15 YR/1/2
- 1.15 Y3/4/5/6

Children can come to school in their school PE kits for the day. The weather forecast is for warm weather so please ensure they have sun cream\* applied before school, wear a hat and bring a water bottle.

(\*sun cream is NOT allowed in school)

## Y5 Arts and Technology Day

Wednesday 27th June

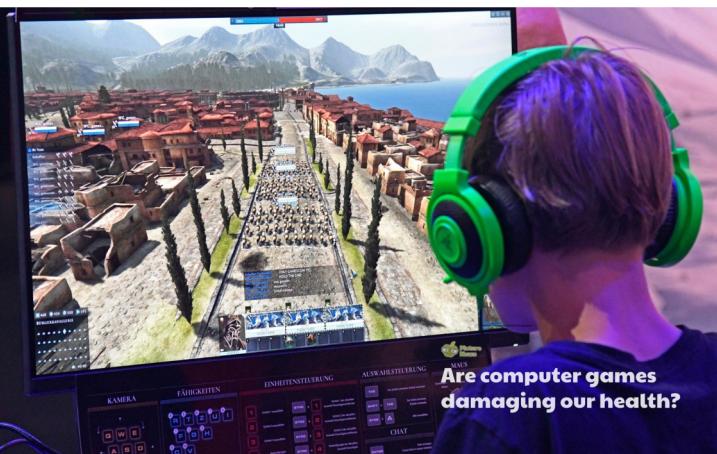

Y5 will be spending a day having lots of fun at South Craven this week. During the day they will be working with Y5 pupils from other local primary schools on a range of Arts and Technology activities.

Miss Dean will be accompanying her class who should be brought to school as usual and will be back for the end of the school day. Pupils will all require a packed lunch.

## Y1 and Y1 Mini Olympics Sports Festival

Last Wednesday 2 teams of Y1/2 pupils took part in the Mini Olympics Festival at South Craven. Each team got to try out ten different games, all requiring a different set of skills like having quick feet, steady hands or sharp hand-eye coordination. Both our teams had lots of fun and showed some super impressive skills. It was especially wonderful to see that, even when faced with unknown games or equipment, our pupils were not fazed and gave their very best, impressing even young leaders. You did brilliantly and can be very proud of your medals.

Mrs. Howes

## Next week's Big Question

What does your family think?

By having regular conversations about the news, you are able to share a whole range of topics and together make more sense of different events, issues from the worlds of sport, entertainment, music, science, etc. as well as local news closer to home.

## Sutton Gala Thanks

Thank you to Jill, Keira and our Family Fundraisers who ran a chocolate tombola at Sutton Gala recently. Thank you also to families who provided the chocolate treats! The stall raised £256 which will go directly into improving provision for our children. Target projects for funding are

- replace our trim trail in the front playground
- Develop the tree house in the back playground.
- Create a story garden in the middle quadrangle

If you have a lot of time to spare or even a little and would like to get involved in this newly established group you can contact [j.taylor@suttoncp.uk](mailto:j.taylor@suttoncp.uk) or [k.burns@suttoncp.uk](mailto:k.burns@suttoncp.uk)

## Y6 Leavers' Slideshow

As the end of term approaches for the whole school, for our Y6's it's especially poignant. Many of them have been at our school for all of their seven years of primary school. We always seek to make their last few weeks very special with lots of events to look forward to. One of these is the now traditional last day slideshow which Mrs Beetles puts together.

Please can Y6 Pupils each bring in a few photos of them growing up so far... baby photos, first day of school photos, special memory photos it's your choice. Four photos would be ideal and will be featured in the slideshow.

All photos sent in will be looked after with care—please make sure they are named and they come into school in an envelope or something similar. Thank you!

## PRAISE IN THE PARK – Sunday 8th July

We have been invited by local churches to send a group of children to "Praise in the Park" in Sutton on Sunday 8th July to join other children from the area to make a large children's choir.

Last year was a huge success with over 200 people attending this "Songs of Praise" style event and the children's choir were particularly appreciated. We have been learning the two songs in school and the children have been really enjoying singing them.

Your commitment on the day would be to arrive at the park at 2.40pm, with your child in uniform, and then collect them again at approximately 3.45pm once the event is finished. However, if you are able to stay, join in and hear the choir sing that would be wonderful.

We're looking forward to what will be a lovely afternoon and we're hoping the sun will shine just like it did last year!

## Fiver Challenge

Week beginning 25 June each of our pupil voice groups are completing their Fiver Challenge with a range of opportunities across school.

On Monday the **Tuck Shop** are selling crispie cakes at afternoon play.

On Wednesday the **Global Group** are selling churros after school.

On Thursday the **Green Group** are selling cakes at play-times.

All week the **Playground Buddies** are running extra MU-PA sessions you can sign up for; the **Librarians** are selling the opportunity to read in the rocket tent and buy a bookmark; the **Fundraisers** are selling personalised bracelets each lunchtime.

Please bring 50ps along so that you can support the Pupil Voice groups and enjoy some lovely experiences.

## Communication with School

We want to use as many ways as possible to keep in touch with you.

How we tell you what is going on in school...

- [Facebook\\*](#)
- [Website](#)
- Regular Newsletter
- (on website and emailed by request)
- Twitter

If we need to get in touch with you

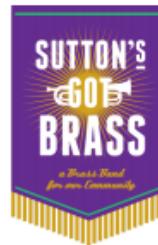

- We will use the contact information you have provided—if this changes, you need to let us know.

If you'd like to get in touch with us please ....

- Phone us 01535 633064
- Email: [administrator@suttoncp.uk](mailto:administrator@suttoncp.uk)

Please don't use Facebook to try and contact school.

Mrs Beetles & Mrs Fletcher are in the playground most days before and after school.

## SUTTON'S GOT BRASS

...is your local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School  
Bridge Road  
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

For more information contact:
