

Where learners Lead

When one of our lovely pupils wants to make a difference to the world, we will do everything we can to support them. So when Erin in Y4 proposed a fundraising day in support of Breast Cancer Care, a charity close to her heart, of course we said yes!

On Friday 22nd March children and staff came dressed in the charity colours of orange and pink to show our support, not just for the charity, but for our Erin, who we are so proud of!

Erin's dad will be running the London Marathon in support of Breast Cancer Care— You can support him by visiting his fund raising page

www.justgiving.com/fundraising/oldmanplodding

Where Learners Debate Craven Debating Competition

A team of six Y5 and Y6 children took part in the Craven debating competition held in Craven Council offices this week. The motion was -

'Should school uniform be banned?' Olivia and Will spoke for and against the motion with great skill and passion. The whole team asked some searching questions and represented the school with pride. We did not win, but had a great time and the whole team were a delight for myself and Mrs Davies to be with.

Mrs Fletcher

Second Half Term Class Plans

Take a peek at the exciting plans the teachers have made for your child's learning this half term. There's lots going on from Toy Detective in Y1 & Y2 to Dragons in Y3 & 4.

The plans are currently being uploaded to the Curriculum Section of your Child's Class

Page on our school website

www.wherelernersgrow.co.uk

Dragon!

To be performed by Y3 & Y4 at Glusburn Institute on Wednesday 3rd April.

Ticket details have been sent home and are also on our website.

'Dragon!' is the story of Princess Poppy's quest for a dragon. Her villainous suitor, Arkamir, has killed the only dragon in the Kingdom of Freenis. As the local food chain falls into chaos without its top predator, Poppy sets off to find another dragon...

The Pupil Outcomes Group

The Governors' Pupil Outcomes group met this week. The discussion was focussed primarily on reviewing our recent Ofsted inspection, asking the questions of the performance of Governors under inspection and what lessons we could learn for future inspections. It was felt that the school; staff, pupils and governors were proactive during the process, asking questions of the inspectors to glean what other evidence they were wanting to find. We believe that we told our 'story' well! We also discussed the new Ofsted framework which comes into effect from September and the consequent changes to the inspection process. The content of the new inspection framework, whilst challenging, are areas in our school that we are already addressing and working towards.

Other agenda items were; a review of our progress towards our 2018/19 School Improvement Priorities, reviewing outcomes for children with additional and different needs (SEND) and outcomes and provision for our Pupil Premium children.

Janet Wordley Chair of Pupil Outcomes

Loving to Read—Class Novels for this half term

YR—lots and lots of traditional tales including; Red Riding Hood, Goldilocks, 3 Little Pigs, The Gingerbread Man...

Y1 Traction Man, Lost in the Toy Museum

Y2 Matilda, Traction Man

Y3 The Tale of Despereaux The Mouse

Y4 the Reluctant Dragon & How to train your Dragon

Y5 Beetle Boy

Y6 The Girl of Ink and Stars

It would help all children from Y1 and above to have a copy of their class novel—they love to read along with the teacher—it really helps them to become better, more confident readers.

PS If your child does bring in their own copy—please make sure it is named!

Pupil Progress Meetings for Parents

If you were unable to make the recent Pupil Progress meeting for your child, please contact their class teacher to arrange a mutually convenient time to meet. You can do this by phoning or emailing the school office

Online Safety

The world of the internet can be challenging to navigate as a parent.

This week we're talking about 'Virtual Private Networks' (VPNs). Although they're a great privacy tool, they can allow children to bypass restrictions on web browsing, opening them up to potential dangers such as age-inappropriate content, malware infections and being spied upon. 'What Parents Need to Know about VPNs' is being attached to this week's newsletter.

This guide was written by David Ludlow. David has been a technology journalist for more than 20 years, covering everything from internet security to the latest computing trends and the smart home. A father of two (a nine-year-old and a six-year-old), he's had to control and manage how his children access online services and use apps.

Let the fundraising begin!

Life Changers

GUIDE DOGS

YR

YR were thrilled to be joined by Nevil, a young black Labrador, and his human recently. Nevil has spent 18 months with his human foster family and is now about to leave them to begin training as a guide dog. He has exciting times ahead and the children were really interested to find out about how Nevil will learn to be a full trained guidedog.

They are keen to support Nevil, and other trainees like him and after much discussion, have decide to hold a coffee morning in to sponsor a Guide Dog puppy.

Families of children in YR, are warmly invited to join their children on **Friday 12th April 9.30 am**

In the school hall
For a Fundraising Coffee Morning in aid of Guide Dogs for the Blind

A reminder that booking for Mothers Day lunch closes on **Friday 29 March** ([letter is on school website](#))

If you have any questions or queries regarding the lunch service, there are two options; for food related queries contact Dolce or, for all other queries, see Mrs Harrison in the School Office.

(Please do not approach kitchen staff direct)

Careers Day 11th April We need your help.

We are planning to hold a careers day during which lots of visitors talk to small groups of pupils about their jobs. The aim is that children begin to realise more of the

choices they have after school.

If you think that this is something you would like to be involved with and you have time

during the day of 11 th April, please let me know either by emailing me on

j.fletcher@suttoncp.uk.

It can be any amount of time from half an hour, a morning/afternoon or all day.

The more the merrier!

Race for Life 2019

As a result of our previous extremely successful events, our fund-raising family is once again holding its very own 'Race for Life' event for Cancer Research UK and we would love you to join in with the fun. By taking part in the 'Race for Life' and uniting together against cancer, you will be doing something very special.

Cancer Research UK receives no Government funding for research, so the more of us who join the fight against cancer, the more money we can raise to beat it sooner.

We will 'Race for Life':

In: Sutton Park

On: Friday 17th May 2019

At: 1.30pm

For: 5K

If you or anyone that you know, would like to join in with us at our 'Race for Life' event you can sign up by completing the form already sent home (copy on school website) and return it to school by Monday 8th April. Once again we are opening this event up to both male and female participants.

Together we will be an unstoppable force against cancer.

Thank you for your support.

SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School
Bridge Road
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

Creative Stitch Stories

An introduction to hand embroidery

Stitch stories is a 10-week project interpreting your photos and memories in stitch and collage. You will be taught simple decorative stitches to embellish fabrics and other mixed-media in an easy contemporary style. The finished collection of work will be mounted in a small keep-sake book. There is no need to bring anything or buy any special equipment - all materials will be provided.

Suitable for beginners & experienced alike, the projects are tailored to suit individuals. Learn new skills in a friendly and supportive environment.

Weekly workshops

Glusburn Institute
Tuesdays 10-12

FREE introductory session.
£5 per week plus a small
charge for materials.

Starts 23rd April 2019
