23 April 21

Dear Families ,

The sun is out and school is filled with the happy chatter and laughter of children. We've had another productive week in school. Children have been enjoying the sunshine and Y5 in particular have enjoyed the welcome return of Outdoor Learning as well as beginning a programme of artwork with staff from South Craven School. I have heard lots of singing from the direction of Y6 and can only surmise that Mr Beetles has been teaching them songs from their upcoming production (more details to follow.) I also know that there is a range of instrumental teaching started in Y6 too -when we have a further reduction of restrictions in school, we hope to make these available for other classes too.

Following recent academic assessments Mrs Fletcher has spent time analyzing results and identifying children for some additional focused support in school. These sessions are now well under way—we have a number of different programmes running across the school. They include maths (including Greater Depth groups), phonics, spellings, handwriting as well as pastoral care and mental health. A number of staff are involved in delivering these sessions both during the school day and, in some cases, before and after school too.

Staff have begun our termly pupil progress meetings this week. This is quite an undertaking as we arrange for Class Teachers and Support Staff to meet with Mrs Fletcher (Teaching and Learning lead) and myself (SENCO) to all be in the same place at the same time whilst arranging cover for classes at the same time. It is a bit of a logistical challenge but is well worth it as together we review the progress of each and every child in school. We can then share this information with you at the upcoming Parents' Consultation Meetings.

I am pleased to say that the introduction of video Parent Consultations has been fairly smooth. There have obviously been a few issues but I am hoping that these have been sorted out now. If you haven't yet booked your appointment, please check your email account as an invitation has been sent to you from School Cloud. There are still appointments available to book. If you have worries or concerns please contact school by phone (01535 633064) or by email administrator@suttoncp.uk and the most appropriate member of the team will respond.

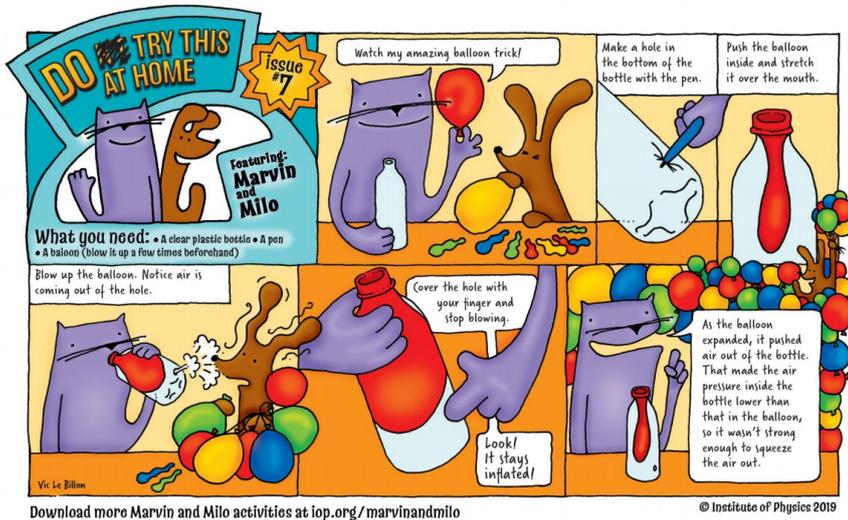

The school meals roll out is going well. Two weeks into the new service I can honestly say that the quality of the food being served is hugely improved from before Easter. Miss Booker and Mrs Dickinson in the kitchen are doing a great job. Under the leadership of Mrs Wallace, they are producing well cooked and nutritious meals using locally sourced produce. I particularly enjoyed the Chicken Korma and Quorn Bolognese this week. The staff in the kitchen are very good at 'hiding' vegetables in their meals by adding tasty vegetable purees which are going down a treat with the children. Please remember to order two weeks ahead to ensure that your child gets their first choice meal. Following feedback from parents, I can confirm that from the end of June we are able to offer choices of fillings for Potatoes/Wraps and Sandwiches. These will shortly be available to view through your Parent Pay account.

I want to thank you for navigating the two new online booking systems introduced. It wouldn't have been my choice to introduce them both in such quick succession but once again our families have risen to the challenge and we really appreciate it.

The school photographers will be in school next Thursday. They will be taking class photos, YR graduation and Y6 Leavers' photos. We were not able to offer these last year so we are delighted that these will once be taking place.

Finally I am pleased to tell you that your donations on the first National Day of Reflection to Marie Curie totaled £153—thank you for your generosity. I hope that you and your family continue to be safe and well and that you are able to enjoy the sunshine this weekend.

Marvin and Milo. Science at home challenges

It's always great to try out experiments at home. On our Craven partnership website www.cravenpartnership.co.uk we are posting a new science challenge each week. They feature two wonderful characters— Marvin and Milo who have lots of great ideas to investigate at home. Have a look on the website and see if you would like to have a go. If you try anything out take a photo and send it to admin@cravenpartnership.co.uk and they will post your photo on the website. We will also put it up in school. Here is the activity for this week to get you started!

Walking in the Steps of Captain Tom

Ryan in Y4 decided in January that he wanted to raise money for Cancer Research by completing the 10,000 steps in March challenge. Being so active and helping his mum with her dog walking business meant he accomplished this with ease, totalling a staggering 606,126 steps over the month.

He has managed to raise over £500 for the charity in memory of his grandma who died from multiple myeloma 3 years ago. If anyone else wishes to donate his just giving page is still open:

<https://fundraise.cancerresearchuk.org/page/jacquelines-walk-all-over-cancer-fundraising-page-125?d=31c7332d-bd4a-4c55-b1d7-650f370f777f>

Phizzi Photo Winner

Congratulations to Thomas who won our Phizzi Photo Competition showing physics in action. He says he had had fun holding this over his and his mum and dad's heads!

Online Appointment Booking

We would like to invite you to attend our Pupil Progress Meetings for Parents. Due to ongoing COVID Restrictions these will be virtual. We have invested in a new intuitive and easy to use online appointment booking system called School Cloud. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We are confident this will be an improvement to the previous phonecalls and emails and welcome any feedback.

We have a range of dates and times available to from choose and appointments are now open for booking.

Please visit <https://suttonincraven.schoolcloud.co.uk/> to book your appointments.

You will need to Login with the following information:

- Student's First Name:
- Student's Surname:
- (Registration Class) / (Tutor Group) / (Date of Birth) /

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

	Jacket Potatoes	Wrap	Jacket Potato	Sandwich	Sandwich or Wrap
	Jelly & Fruit	Yogurt	Chocolate Sponge & Chocolate Sauce	Fresh Fruit & Cheese	Oat Cookie & Fruit Slice

Meals are subject to change depending on availability

We now provide our own school meals.

The governors of our school believe that, by doing this, we can provide nutritious meals cooked in our own kitchen by our own staff. Miss Booker and Mrs. Dickinson are employed by the school and all meals is cooked in our own kitchen.

We are now able to source all ingredients from local suppliers. We are starting our Meals Service with simple, quality menu choices which appeal to our young diners.

We have devised new menus and very much hope that you will encourage your children to try the new meals as, in doing so, you will be directly supporting our school budget to maintain the meal service. We have had to make a small price increase to enable us to 'make ends meet' but there is currently no intention to make a profit from the service. We hope that the new arrangement will be sustainable over time. We are excited about the potential of making this huge step forward.

We have invested in a new online order system through **Parent Pay** and the school meal option has been added to your account.

To enable you to pre-order meals, you will need a ParentPay account. If you have not already set an account up, please contact the office for activation details.

***** IMPORTANT*****

Bookings by parents need to be made by 9.30 **two weeks in advance of when meals are required**. This is so we can order fresh food from our suppliers.

You can book meals up to 10 weeks in advance and you can book occasional meals or full weeks.

Please do not book during holidays as the food order will have already been placed prior to school closing and your meal choice/s will not be taken into account - we will be unable to guarantee your child their first meal choice

HOW TO ORDER SCHOOL MEALS

- ⇒ Go to the Parent Pay homepage
- ⇒ Select child
- ⇒ Select book meals and places (blue box)
- ⇒ Select make or view bookings (blue box)
- ⇒ Select week
- ⇒ Select meal/s
- ⇒ Confirm booking
- ⇒ Make payment (if appropriate)

ACCOUNTING SOFTWARE
ALSS Adult Learning and Skills Service
Skillsfirst Level 1 Award in Computerised Accounting for Business Sage 2021
Learn Online with a teacher

Would you like to gain a qualification in Sage Accounts, using the latest Sage software from the comfort of your own home?

Introduction to Sage Level 1

Mon 10th May 18:00 - 21:00 ends 17th May or Thurs 13th May 9:30 - 12:30 ends 20th May
This FREE 2 week course needs to be completed prior to progressing onto our Skillsfirst Level 1 Award in Computerised Accounting for Business. Join from the comfort of your home and learn online with a teacher.

The course covers:
An overview of Sage Accounts software
Resources required to complete courses using Sage Software
English, maths and ICT skills required
Assessing your current English, maths and ICT qualifications
Learning techniques and possible progression options

Skillsfirst Level 1 Award in Computerised Accounting for Business Sage 2021

Mon 24th May 18:00 - 21:00 ends 26th July or Thurs 27th May 09:30 - 12:30 ends 22nd July

This course is suitable for those who are new to an office environment, going self-employed or looking to retrain for an accounting/bookkeeping role.

You will receive supporting resources on the Sage Qualification platform, workbooks and access to Sage Accounts 2021 for 180 days, in addition to taught sessions with an experienced Sage tutor.
After completing the course, you will be able to use Sage to set up accounts and produce relevant reports.
To complete this qualification you will need to sit 2 assessments, a short multiple choice knowledge assessment and a Sage Accounts skills assessment – both can be completed from the comfort of your own home.

Course fees apply, concessions are available depending on your circumstances.

For online delivery via Teams you will need access to a Windows laptop or PC as you will need to download software. A MAC computer is not suitable. You will need access to the internet and an Email account. Your teacher will contact you via Teams/Email, and you will have the opportunity to contribute to group discussions across the County.
