

School closes for half term today and reopens on Tuesday 4th June at 8.55am.

Racing for Life

We were once again blessed with fine weather last Friday as we gathered in Sutton Park for our annual official race in aid of Cancer Research. The event was organised by the inimitable Miss Ibbotson—a real force in fundraising—and we are all very grateful for her efforts.

It was an absolute pleasure to see so many families enjoy the fine weather and either take part in the race or cheer on the runners. We'd like to send a huge WELL DONE to all of our children and the parents who ran 5k for this very worthy cause. We are incredibly proud of all of you for your efforts and perseverance. Thank you to all our lovely staff, who always join together to ensure that the event runs safely and smoothly. Thanks also go to our Pupil Fundraising Group and also to Y6 Pupils who worked extremely hard to help set up and run the event. Please continue to collect your sponsor money and return it so school as soon as you can. We will let you have the total in due course but in the meanwhile have attached a couple of photos for your enjoyment—we will post more on our school Facebook page

Staffing News

We are delighted to tell you that Miss Baldwin has now confirmed her return to work following her maternity leave. Miss Baldwin will be back to work full time during the last couple of weeks of the July Term. Miss Bell will continue to teach Y1 until the end of term. Miss Baldwin will be spending a number of days in school before her full time return—we are looking forward to having her back as a member of the team.

Information about classes for the new academic year will follow after the half term break.

We have a number of cases of **chicken pox** across school.

Chicken pox can affect a pregnancy for a woman who has not already had the infection. Report exposure to the midwife and GP at any stage of exposure - the GP will arrange a blood test to check for immunity. Shingles is caused by the same virus as chicken pox, so anyone who has not had chicken pox is potentially vulnerable to the infection if they have close contact with a case of shingles.

Sickness

If your child has been sick or had diarrhoea they should not be in school for 48 hours. This is to prevent the potential spread of illness.

Mobile Phones

We have recently updated our Mobile Phone Policy—a copy can be found on the school website.

Pupils in Y5 & Y6 are allowed to bring mobile phone into school on completion of a written request form by a parent /carer explaining why they feel it is necessary for their child to have a phone in school. Pupils are not permitted to use their phones on the school site and during the day the phones are kept in the school office.

Healthy Choice Programme

Healthy Choices is a FREE 12 week programme for 4-19 year olds (4 year olds must be in school) who are above a healthy weight. One of our healthy lifestyle advisors will work with you and your family for up to 12 weeks, delivering fun and interactive sessions on a whole range of different topics around nutrition, health and lifestyles.

We offer 45-minute sessions either in your home or in local community venues including children's centres and schools. The programme offers personalised support that is designed to be a fun, positive and energising experience. The team will help you set simple realistic goals suited to your family to work towards a healthier lifestyle.

If parents are interested in signing the up for the programme they can be referred by a health professional or education worker; or they can self-refer by registering interest on the website below or using the TEXT service below. For more information please see the webpage or feel free to call me on the numbers below.

Best wishes, Jenny

Kwik Cricket Mania.

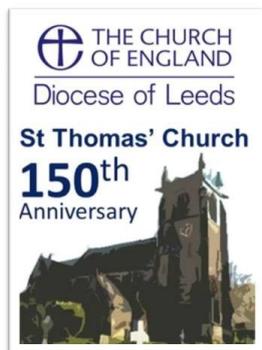

At the end of our last half term two Kwik Cricket tournaments took place.

First, our Y3/4 team of boys and girls showcased their superb cricket skills by excelling in all areas of the sport. Their hard work of practising cricket in PE lessons and break times paid off in the tournament with an unmatched level of bowling, batting and fielding. They not only won the 1st place in the tournament, but won every single match

played. Absolutely amazing team Y3/4!

Just a week later our Y5/6 boys were giving their best against tough competitors. Although they demonstrated brilliant fielding and batting skills, it was the bowling element of cricket that just prevented them winning the tournament.

However, both of our cricket teams proved to be impeccable representatives of our school with lovely manners and support of each other. As a school we could not ask for more and we are very proud of you all!

St Thomas' Church: 150th Anniversary

Did you know that St Thomas' church is 150 years old this year? The foundation stone was laid on 7th November 1868 by 10-year-old Walter Bairstow. The first service in the church took place on 21st December 1869. In 1869, Sutton in Craven was very different to the village we know today. There have been lots of changes in the last 150 years, but one thing has stayed the same. St Thomas' Church is still at the centre of the village. We hope that the church will still be

here in another 150 years. The year will be 2169. We wonder what Sutton in Craven will be like by then?
Your Challenge Your challenge is to do a piece of work telling us what you think Sutton in Craven will be like in 2169. What will be the same? What will be different? You could do some writing, draw a picture, make a model ... or have your own great idea. Please make sure you attach the slip below to your work, so we know who it belongs to.

Prizes will be awarded in three age categories: Foundation Stage, Key Stage 1, Key Stage 2.

Your work must be handed in to school by Friday 7th June.

All work will be displayed in church on Wednesday 12th June, from 3.30pm. Refreshments will be available, and we'll be making flags to wave as Revd Brian and Simon (Revd Helen's husband) return from their 150-mile charity cycle ride to celebrate our 150th Anniversary.

Winners in each of the three age categories will be announced at this event.

We hope you have fun thinking of ideas!

Revd Helen & Revd Brian

PS If you'd like to know more about Revd Brian and Simon's cycle ride, please visit:

www.justgiving.com/crowdfunding/150-forthe-150th

Details have been sent home with children this week further copies can be found on the website.

Who says RUGBY'S just for boys?

Why not show the boys how good girls can be at rugby?
Come and join Wharfedale RUFC's under-13 or under-15s girls' rugby team in September 2019.
Have fun, make great friends, learn new skills and keep fit; benefit from fully qualified and experienced coaches; join a fantastic rugby community.
For more details or to register an interest contact Stuart, the team manager; email wharfedalegirlsrugby@sillytrouts.me.uk, phone/text 07867 526113 or see www.facebook.com/groups/Wharfedalerugbygirls/

HEALTHY LIFESTYLES

FREE
