**We are an aspirational place where learners grow.  
Our school is kind and happy and we respect and celebrate the differences in ourselves,  
our community and our world.  
Our children become responsible, determined and independent citizens.**

Good Evening,

It has been lovely welcoming back all our children following the half term and it has been a very busy week!

Just to confirm that **school will be open as normal next Tuesday**, which is the next planned Regional, NEU Strike Action Day.

Also, a polite reminder that the treehouse in the back playground should not be used by the children before the school day.

## Year 4 Assembly

A huge congratulations to Year 4 for their class assembly this week and thank you to all the parents that were able to attend and support them. Standing up in front of so many people doesn't come easy to everyone so these experiences are really important for our children.

## Year 1 & 2 Production

Eddie the Penguin saved the world twice this week, much to the enjoyment of the children in school who watched the dress rehearsal and then a packed hall of parents and family on Thursday evening. Many thanks to the staff for putting this together and making this happen.

Well done Year 1 & 2.

## Olympian Visit

Thursday included our Olympian visit from Anthony Cotterill—Wheelchair Tennis Team GB. After putting the children through their paces raising sponsorship, he shared his journey to becoming an Olympic athlete with us all and took a question and answer session. The children were so engaged and asked him some fantastic questions. A very successful event for all sorts of reasons.

Children have until Thursday 2nd March to bring in their sponsor money either cash or online which we will be putting towards new sports equipment. Fundraising prizes will be awarded by the end of March.

## New Parent Governor

We welcome Mr. David Slater to our Governing Body as a new parent governor. We are looking forward to working with him over the coming months.

Thank you again for your support with the Book Fair! Your purchases have raised another **£416.69** for school to spend. The focus for this spend will be subject specific books to compliment our curriculum further.

Would you like to get involved in the  
**FRIENDS of Sutton CP PTFA**  
We need your help.  
We are hoping to have our first meeting  
on  
Friday 10th March—3:00pm,

## Pancake Day

Some classes took the opportunity to celebrate Pancake Day on Tuesday as part of RE as the start of Lent on the Christian calendar quickly followed on Wednesday. Very successful flipping by all and delicious out-comes too! Our count down to Easter has begun.

## World Book Day

Next Thursday, March 2nd, is **World Book Day** and the children are invited to come into school dressed as their favourite character from a book. We have an author visiting the school on Tuesday who will be selling her book 'The Adventures of Detective Dopeyworth' at the price of £7.00 if any children would like to purchase this. We also have some children from Sutton CE School coming to read with our reception class on World Book Day itself. A real celebration of all things reading. Maybe you could share your favourite children's book with your children next week too.

## Mother's Day Lunch

We have had an overwhelming response to the Mother's Day lunch, more so than in any other year. Unfortunately, we had to cap the numbers this week to ensure that the day ran smoothly, and more importantly, safely. Lunchtime logistics for 207 children plus 100 adults is no easy task! Apologies to any parents that may miss out, but any future events similar in nature will be done across more days to avoid this disappointment. Many thanks for your understanding with this. More information will be sent out to those parents attending, in due course.

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less
