## New School Meals Service

### Planned roll out—Monday 4th February

The Governors have previously written to you to let you know that they would be appointing a new school meals provider in order to offer increased choice and flexibility at a competitive price. We are excited to let you know that our new school meal provider is Dolce Schools Catering.

The benefits that Dolce offer are as follows

- An increased meal option choice
- An increased flexibility of booking (for example one off meals)
- An online booking system where Parents can choose their child's meal
- A direct payment system between parents and Dolce (bypassing the school office)
- A reduction in current cost per meal to parents (from £2.82 per meal to £2.30 per meal)
- A removal of the current need for the school budget to subsidise the cost of KS1 Meals (currently £2000 per term)

Even if your child does not currently take a school meal, we would recommend that you activate your 'Live Kitchen' account with Dolce and 'Live Kitchen Account' to allow you the flexibility of using the service as and when you need it.

Payments will be made by yourselves **DIRECT TO DOLCE** using your new Live Kitchen Account and can either be by Direct Debit or by Credit/Debit card.

From the point at which we move to Dolce (scheduled for Monday 4th February) we will NOT BE USING PARENTPAY FOR SCHOOL MEAL PAYMENTS

You can find out more about Dolce by visiting [www.dolce.co.uk/catering/education](http://www.dolce.co.uk/catering/education)

### Your new 'Live Kitchen' account

Your email details will be submitted to Dolce on Monday 28th January using the email address you have either provided, or you're the one currently associated with your Parent Pay details. (you have already give us this)

This will enable Dolce to activate your 'Live Kitchen' account.

If you have not received an email from them with this information by next

Wednesday, 30th January, please contact:

[support@live-kitchen.co.uk](mailto:support@live-kitchen.co.uk) so this can be resolved.

Dolce will begin their meal service on Monday 4th February.

### Parent Pay Balances

All meal service credit balances on ParentPay will be refunded by the school office to the child's ParentPay account after the 1st February.

### Menu Consultation

Following a consultation with children, staff and parents our Dolce Restaurant will be offering the '**Choice Menu**'.

This means that our young diners will have the option of  
Two hot dishes

A baked potato with choice of fillings  
Sandwich/Wrap/Baguettes with choice of fillings  
\*\*\*\*

Side dishes and daily salad bar  
\*\*\*

4 dessert options

### Lunchtime Arrangements

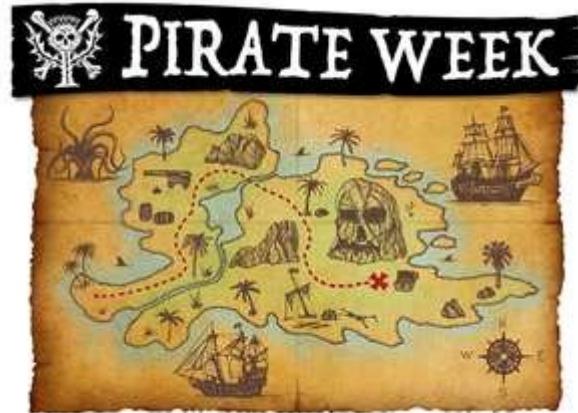

Lunch Service is going to a look a little different when our Dolce Restaurant opens. There will be less tables in the hall and classes will be called in together—allowing friends to sit together. The younger classes will be served first which means that children in key stage two will have an opportunity to play outside for a short while before going for their lunch. Things might be a little slow as we all work through the changes but we are confident that overall lunchtimes are set to become altogether more pleasant!

Ahoy there Mateys! Pirate week has been spotted on the horizon in YR and it is time to get ship shape for a pirate adventure.

On Week beginning Monday 4th February YR will be having a week filled with pirate adventures! We are inviting the children to come dressed as pirates or anything related to pirates (they can come in a whole pirate outfit or simply in a pirate hat or eye patch it is up to them) on Monday 4th February. We have some costumes in schools so your child can dress up when they get into school if they prefer.

During the week we will be setting sail on a pirate adventure as the crew of the Rising Sun, learning how to talk like a pirate and learning how to work on a pirate ship. We will be searching for buried treasure, making treasure maps, reading and writing pirate stories and of course planning our own learning!

We are very excited about this week and know that the children will be too! We know that immersing the children in their learning always produces the best outcomes and we look forward to telling you all about our pirate week on Tapestry.

If you have any questions please do not hesitate to ask any one of the YR team.

## Parking on Private (unmade up) road outside school

May we please remind you that the unmade up road is **private land**—jointly owned by the residents and the school. It should not be used at any time by parents for parking.

If you are dropping off your children at breakfast club please park on Bridge Road to enable staff to park. Staff often have heavy bags to carry into school.

Driving onto and reversing out of the private road, onto the main road at the end of the day, puts children, parents and other drivers at in danger when they are coming out of school.

We know that parking is challenging at busy times but there are plenty of side streets to park on—it's really not worth the risks that some drivers are taking. We work closely with the police and traffic wardens and will pass on registration details which cause concern. We urge parents to do the same.

## POPPY APPEAL

Thank you very much for helping with our Appeal.

£ 202.27

was collected by you.

Without your help, we would be unable to continue our vital welfare and benevolent work.

Yours sincerely

## Where Learners Give

We are proud to let you know that we have received thanks from the Royal British Legion for the donations made by our school family during Remembrance Week. Thank you for your support.

## Family Fundraiser Group

There are lots of ways that you can get involved, depending of course on the time you have available—please contact Jill or Keira to find out more. You can do this in a number of ways

- j.taylor@suttoncp.uk or k.burns@suttoncp.uk
- On Facebook -[Family Fundraisers \( Sutton CP School PTA\)](#)
- Or in the playground most mornings and after school

## Where learners grow...

Our school is a place where teachers come to learn too!

Over the last couple of weeks we have hosted four maths courses from local teachers. Led by Sharon Day, maths consultant, the most recent courses have focussed on

- Early Years Maths
- Maths for Teachers of Y2
- Maths for New Y6 Teachers
- Smashing the Y4 new multiplication tests

We have also been busy developing links with 'Early Excellence' who provide Early Years professional development. Putting ourselves on the map as a centre of excellence for professional development is an important part of our vision for our school. If you work in a local school and are interested in attending future professional development opportunities keep and eye on

The CASTLE Alliance website ([www.castlealliance.org.uk](http://www.castlealliance.org.uk))  
or contact Mrs Beetles to be added to our mailing list.

## Governor News –Pupil Outcomes Group

The Pupil Outcomes group are a small group of school governors who meet half termly with staff to monitor the attainment and achievement of children across the school.

On the agenda for the meeting held on 21st January was:

- Analysing end of Term 1 Pupil Data
- Monitoring the progress towards the School Improvement priorities 2018/19
- ISDR (Inspection data Summary Report)
- Ofsted Preparations
- Governor monitoring reports (School Council, Philosophy for Children, Science)

Being a school governor is an important and hugely worthwhile role.

We currently have a vacancy on the Pupil Outcomes group. If you know someone who may have an interest in becoming a governor in this, please contact Mrs Beetles.

## Friday Assemblies Too squishy and too hot?

We love to welcome our families into school on a Friday to celebrate the achievements of our children. The smiles on everyone's faces tell us how important this small part of the week is.

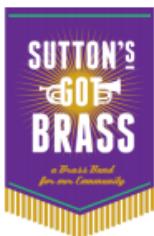

However as our school has grown it has become increasingly challenging to accommodate all the people who want to attend. Because our school hall space is limited it can often be too hot and stuffy. Children and adults feel squished and uncomfortable—not quite the feel good vibe we are going for! So we're asking you for some ideas and suggestions about how we could change this for the better.

Please let us know in the space below and return to school by Friday 8th February by emailing your suggestions to [Adminsitaror@suttoncp.uk](mailto:Adminsitaror@suttoncp.uk). We'll add your ideas to those of staff and children and come up with a plan.
