

HARVEST COLLECTION 2019

St Thomas's Church 150th Anniversary

Lawrence from St Thomas's came back into school this week to help children pack up your harvest donations. It looks as if they are well on track to exceed their 150 shoebox target! We'll keep you updated.

Half Term

School closes today for half term break—we reopen for children on Monday 4th November at 8.55am

The Vikings have arrived!

When you have time pop into the entrance hall to see the splendid Invaders and Settlers curriculum display produced by Y4. Some really scary Vikings have been caught stalking the corridors of school...

Y6 Secondary School Places

The deadline for applying for a secondary school place for September 2020 is the 31st October 2019.

These need to be completed online to the Local Authority in which the child lives.

Poppies

We will once again be supporting the work of the Royal British Legion this year. Poppies will be available for the donation of a **silver** coin.

We have a limited amount of other Poppy merchandise which for a donation of a **golden** coin (£1 or £2)

Our school community will be attending an Act of Remembrance at 11.00am in the park on Monday 11th November.

You would be very welcome to join us.

YR Stay and Play Sessions

We are delighted to inform you that, after the half term holidays, we will be opening up the classroom on a weekly basis for 'stay and play' sessions which is open to any relatives of our reception children. It will be taking place on Thursday mornings between 9-9.20am for 4 weeks, starting Thursday 7th November. If you would like to join us for 'stay and play', please drop your child off as usual at the Reception class entrance and then sign in at the school office where you will be collected and brought to the classroom. Our aim for the 'stay and play' session is to develop children's communication and language skills with modelled language from adults and for you to enjoy learning alongside them in our wonderful EYFS environment.

'Stay and play' is an excellent opportunity for us to build strong relationships between home and school and for children to see those relationships in action. It also allows the children to work on projects over time in different areas of the classroom, allowing them to make and carry out plans which are excellent skills.

We work outside whatever the weather; the outdoor area will be open for these sessions so you may wish to bring your waterproofs and wellies to work outdoors with your child. For insurance purposes, I am afraid that we are unable to accommodate younger siblings at these sessions.

If you have any questions about 'stay and play' or anything else, please speak to any member of the team or make an appointment.

Our last 'stay and play' session this year will be on Thursday 28th November.

Many thanks The Early Years Team

Concerns from Sutton Resident Please see below email sent to school...

As I drove home along Sutton Lane last night I saw a child on a bike on Sutton Lane, dressed all in dark clothes with no lights or bike helmet on and pulling wheelies along his way. It was just after 7pm. Probably top end of primary/lower end of secondary school age. I appreciate it may not be one of your students but I felt it might be worth contacting local schools and asking if you can remind children about being safe and being seen (I'm sure that with the clocks about to change you've already been doing this). I love seeing children out being active, I'm a keen cyclist myself, but what I saw last night could so easily be the unthinkable waiting to happen, especially on Sutton Lane which is notoriously dark with some folks driving like idiots. It was so hard to see this lad.

Keeping your child safe online

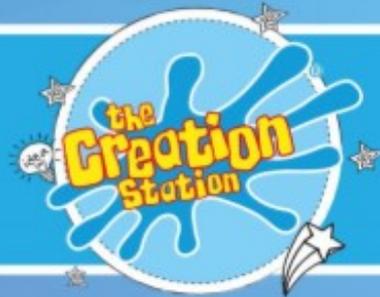

Show children how to use the internet because it is a fantastic resource. Help them not to be afraid of it but meet the challenges of an increasingly interconnected world. We have recently updated a range of information for parents about how you can support your child to use the internet safely.

Please go to
[Safeguarding your children online](#)
(school website)

Would you like to work in adult social care?

Our preparing to work in adult social care level 1 qualification develops a basic knowledge of the adult social care sector.

The course covers the type of job roles and services within it, the role of communication and the importance of valuing the individuals being cared for.

This 6 week course starts Thursday 7th November 9:30-15:30
At Being Better, New Market Street, Skipton

If you earn less than £16,009.50 per year you could learn for FREE.

To book and for more information please contact our Customer Service Centre on 01609 780780 and ask for 'Adult Learning' or email: south.adultlearning@northyorks.gov.uk

Yoga Bears classes that will be starting at Sutton Village Hall on the 4th November.

Yoga Bears is a revolution led by Children to positively change the World! Now taught in over 160+ Schools throughout the UK.

The aim of Yoga Bears is to develop a happy and healthy child, both inside and out. We love to create stories and rhymes using the Yoga postures to narrate and explore ourselves, whilst helping children develop both socially and emotionally in a positive way.

Yoga Bears teaches children that whatever their goals are in life, they can be achieved, all they have to do is believe.
