

Our school is a place 'where learners grow'.
A kind community where the worth of everyone is nurtured and celebrated.
We are rooted in a love of learning and building the confidence and courage to be ourselves.
Together we flourish to be the best that we can be.
Sutton CP Vision Statement

Dear Families

Christmas seems to be approaching fast, it was lovely last night to see Sutton once again lit up by our lovely lamppost light display and there is snow in the forecast for the weekend!

It has been a very different week in school this week. We have been missing our Year 6 children who are learning at home and missing those staff who have also been at home. We wish all pupils and staff who are poorly at the moment a speedy recovery.

The Y6 children have worked very hard at home and it has been a pleasure seeing them each day. They have shown a great attitude to their learning, under difficult circumstances, and we are all looking forward to seeing them back in school on Tuesday.

The impact of the COVID situation is being felt in all areas of school life and we are having to prioritize teaching and learning over other additional areas of school. Across school we have altered our normal arrangements to ensure that we minimize contact between classes; assemblies have taken place in classrooms and we have minimized staff cross over as much as possible. We have a growing number of cases in both children and staff and are particularly concerned about the numbers in Y5. We are tracking this very closely and are grateful to all the parents who have had their children tested. We continue to seek advice from governors, PHE and the LA and will be in touch if it becomes necessary to take any further action.

While the infection numbers remain high we have decided **not to restart the extra curricular** after school clubs as planned, these will restart when numbers fall, and the planned **star gazing event will be rescheduled** for after Christmas.

We currently have four of our staff out of school for COVID related reasons which has created some difficult logistical challenges. Consequently we will, unfortunately, have to **postpone the Parent consultations that are booked on school cloud. There will be no virtual consultations this week.** Many of these were planned to happen during the school day when teachers would be released from class and covered by other staff. The staff who would normally cover are not in school at the moment so it is not possible to proceed as planned. These consultations are for us to share with parents the outcome of recent assessments and discuss your child's learning. We fully appreciate how important these consultations are and we will reschedule as soon as the staffing situation recovers. Apologies to all of you who have arranged a time and organized to be available, we hate to cancel things at the last minute but we hope you understand our decision. As usual, if you have another matter you want to talk with your child's teacher about please get in touch through emailing the school office and the teacher will contact you when they are available.

A real bonus of the week has been seeing our amazing staff team support each other and work together for the benefit of our pupils. There has also been some exciting events taking over the last few weeks—see the next two pages to see what we have been up to.

Wishing you a happy and healthy weekend
Best wishes
Mrs Fletcher

We would like to say a huge thank you to each and every one of our families for your donations to Children in Need. We had a wonderful day raising money for this amazing cause. A special thank you to Miss Baldwin, Miss Day and Mr Barrick for participating in 'I'm a Teacher get me out of here!' The children loved watching them take part in all of the silly and disgusting tasks. We want to send the biggest thank you to Miss Ibbotson and Miss Blackie for all their hard work in organising and creating such an amazing day.

The **Reception class** have been learning all about **keeping safe**. A visit from the Fire service and "hands on" road safety practice have been two of the highlights of their learning.

Staff Vacancy—come and join our lunchtime team

We are looking for a new member for our lunchtime staff team. The post is for 5 hours per week—12.00 -1.00pm The post may include time working in the hall to help children with their lunches or time outside in the playground keeping children safe and leading games. If you would like to find out more, please contact Mrs Harrison in the office via administrator@suttoncp.uk

Tuck shop update

Due to supply chain issues we are unable to stock maize snacks and snack a jacks so in replacement we have ordered Disco crisps that will sell at 20 pence and small bags of mini cheddars that will also be 20 pence.

Raisins and Kit Kats are unaffected.

COVID awareness— This week there have been cases in YR, Y1, Y2, Y3, Y5 and Y6

Children who are close contacts of someone with COVID-19 are advised to get a PCR test, and they are at a higher risk of developing COVID-19 in the days after the contact. They do not need to isolate while they wait for the result, unless they have symptoms.

Your child should continue to attend school unless they develop symptoms of COVID-19 or are unwell. If they do develop symptoms, please keep your child at home and book a PCR test for them.

The 3 main symptoms of COVID-19 remain a fever (temperature 37.8OC or higher), a new continuous cough, or a change to/loss of taste or smell.

However, other commonly reported symptoms of the Delta variant include headache, sore throat, tiredness, and cold-like symptoms, so **please be aware of these as well and stay at home and seek testing if you are in any doubt.**

Remote learning

- It seems timely to remind you that if your child is off school isolating, but is feeling well, we will provide remote learning for them while at home.
- For the first 3 days of isolation please use the learning that is posted on the school website on your child's class page under Learning at Home. There are also other useful learning resources on the website under the learning menu.
- After that your child will have work posted on google classroom on that mirrors what is happening in class. They can hand this work in online.
- If you find that your child is isolating and you would find it useful to borrow a Chromebook from school please email the office and let us know.

Your order must be placed by 9.00am seven days in advance of the meal being taken or, by 9.00am on the last Thursday of each half term. Please ensure that you cancel any meals that your child no longer wishes to have. Please email the office if you are too late to cancel meals for which the deadline has passed; we will do this on your behalf as it would be chargeable.

If you send your child with a packed lunch when a meal has been pre-ordered (hence already prepared and cooked) the packed lunch will be returned home. If your child hasn't got a meal pre-ordered and they haven't remembered to bring a packed lunch from home, we will always try to contact you to either bring them a lunch, or ask that you are happy for us to provide them with a baked potato with filling and sides (chargeable if your child is not eligible for a free school meal).

To pre book meals: Go to: www.parentpay.com

- Log in using your username and the password you have created
- Select child
- Select book meals and places (the blue box on the right)
- Select make or view bookings (the blue box on the right)
- Select week
- Select meal/s
- Confirm booking
- Make payment (if appropriate)
