Our school is a place 'where learners grow.'

A kind community where the worth of everyone is nurtured and celebrated.

We are rooted in a love of learning and building the confidence and courage to be ourselves.

Together we flourish to be the best that we can be.

Good Evening,

Another busy week in school for everyone and some key information about the next couple of weeks in this newsletter.

#### Use of the M.U.P.A outside of school

If your child visits the M.U.P.A outside of school hours, please would you be kind enough to speak to them about the importance of being respectful and safe toward one another — thank you

#### Parents Evening

Hopefully those parents wishing to request a parent consultation have been able to, through our new system 'Parents Booking'. If you are struggling, please contact the school office and someone will do their very best to support you.

During this same week the Book Fair will be in school again. It will be based in the school hall or the school library and will be open after school until 4pm or until the last Parent Consultation on the Wednesday and Thursday. Please come and have a browse with your children.

The new to you uniform sale will be available on both parent consultation nights. We are simply requesting a donation for any items taken. All donations are being put towards our PTFA funds, we are hoping to boost these over the coming months.

Details about our first PTFA meeting will be shared on these evenings also.

There will be tea and coffee available for parents in the hall, along with something sweet prepared by the school kitchen. Again, we welcome donations towards our PTFA fund.

#### SATs information evening

For our Year 6 parents we are hosting an online SATs information evening on Tuesday 31st January at 5.30pm via Zoom. Miss Dunkley will email the invitation nearer the time. If you are unable to attend, we are hoping to record this. For more information please contact the school office.

#### **Children's Mental Health Week**

This year, week commencing 6th February is Children's Mental Health Week and we will be having a well-being day on Friday 10th February.

Our focus will be the 5 ways to achieve good mental health;

- 1. Connect with other people. Good relationships are important for your mental wellbeing.
- 2. Be physically active. Being active is not only great for your physical health and fitness.
- 3. Learn new skills.
- 4. Give to others.
- 5. Pay attention to the present moment (mindfulness)

#### **Volunteer requests**

Many thanks to those who have already filled in an interest form for becoming a volunteer here at Sutton CP. Mr Clayton will be in touch with you after the half term holiday.

We are seeking a volunteer for a very specific job in school, the School Library. If you have a pocket of time on a Friday afternoon, an extra pair of hands helping in the library would make such a difference. Please let the office know if this is something you would be interested in doing.

Anna Riley Headteacher
