Flapjack

School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs.

Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes **the school office** requires one week's notice to change to/from school meals.

Safer Internet Day is marked globally in February each year to promote the safe and positive use of digital technology for children. Online safety teaching takes place across the year however we always plan some focussed teaching each February.

Next **Thursday 1 Feb**, each class will take part in a variety of activities about **online safety**. Pupils will engage in discussions about how to stay safe online, take an online survey to check their cyber savviness and improvise sketches during a drama workshop.

The drama workshop will allow KS2 pupils to enter the online world. In a world of superheroes and villains, pupils will work in groups to navigate their way out of some tricky situations. Will they be able to keep their alter ego a secret? Through playful and fun storytelling, pupils will learn how to keep safe when playing on the internet and realise that the world inside the screen is perhaps not so different from the real world after all.

**What we want children to know ...**

- The importance of passwords and keeping personal information private
- To always ask an adult if they are unsure about something they come across whilst playing online
- People don't always look like they should
- The importance of being nice whilst using the internet
- Not to accept 'gifts', or open emails from strangers

**Snapchat? Instagram? Facebook? You Tube? Twitter? Messenger?  
Online gaming?**

On **Thursday 8 Feb** there will be an internet forum for **parents and children**.

This will take place in Y4 from 3.30-4.00 and be led by Mr Horton

Families play a crucial role in empowering and supporting children to use technology responsibly, respectfully, critically and creatively. This can be achieved by ensuring an open dialogue with children, educating them to use technology safely and adults acting as digital role models. The event will be an opportunity to find out more about how to keep your child safe on the internet at home. If you have some specific concerns you can let Mr Horton know before hand and he can build these into the session

### National Story Telling week

In school next week we'll be having lots of lovely text based lessons featuring works from our favourite authors. May be we'll even meet some new author heroes! Support your child—however young or old by sharing a good story—read one, tell one ,share one - it doesn't matter! We've organised for a book fair to be in school next week too for you to stock up on stories!

**BookPeople** **Book Fair**  
Nurturing a love of books .co.uk

**WE'RE HAVING A BOOK FAIR!**

Over 150 books from just £3

**Sutton CP School Hall**  
after school  
**Friday 2nd & Monday 5th Feb.**  
**3:30pm - 4:10pm**

### Y6 English SATS

Information session for parents. Ms Dunkley led a session for parents and children this week to support them in preparing for their Y6 English National Assessment (SATS) which will take place in May. A copy of her presentation has been uploaded to the school website.

If you weren't able to attend and you would like to order revision books for your child please contact Mrs Wallace in the school office.

### Pupil Progress Meetings

Staff are looking forward to meeting you next week to discuss their **Attainment** (age related ) and **Achievement** (Progress) These are short ten minute appointments.

### Wear red for SELFA Friday 9 Feb.

We have been asked by a parent if we would support the work of a local charity [SELFA](#) which we are happy to do. We are giving children the opportunity of coming to school on 9 February dressed in red in exchange for a small donation to SELFA. School will match your donations to this worthwhile charity.

## Ofsted News To Celebrate

In December 2017 we had a visit from Ofsted. This visit was to monitor the progress we have been making over the last 14 months since the last full inspection.

I am delighted to say that Ofsted have reported that we are taking effective action to improve the areas previously identified which is exactly the outcome we have been working hard towards. Ofsted were very positive about the changes that we have made and, in particular praised, improvements in teaching and leadership across the school.

The school team have worked very hard over the last fourteen months and we would like to thank them for all their hard work. It is good to see that the improvements we have made have been recognised by Ofsted.

Whilst acknowledging the positive report, we remain focussed on continuous improvement. Ofsted have suggested some further areas for us to continue to focus on. These are areas we had already identified and will continue to be a key focus for us.

You can access a copy of the latest report on the front page of the [school website](#) or on Ofsted website.

kindest regards

Amanda Palfreman and Matt Sugden  
Co Chairs of Governors

We want our children to be reflective about their own beliefs, religious or otherwise and to develop their own perspective on life. We believe they should have an interest in and respect for people's different faiths, feelings and values.

Every term we identify one Big Question which we want

*Should we always be allowed to say whatever we like?*

to consider as a school. You can see the great Big Questions we have asked in the past on a display in the school hall. During the first half term children listen to lots of different opinions and ideas from both adults and visitors to school. During the second half term we ask children to form their own opinions which they share with you during class assemblies.

Here's our Big Question for this term

You can help your child form their own opinions by discussing the question with them and letting them hear your views. You can also encourage them to ask the Big Question to family members. Currently in the hall you can read the children's mid way reflections—you can also find out more about the Philosophy for Children (P4C) approach which we have developed in school.

## Y3 and Y4 Forest School Adventures continue...

In school we are involved in a project called, "Philosophy for Children". It helps us to practise our thinking and debating skills. Today in Sutton Clough we practised our skills through playing thinking games and discussing the question, "Should we help nature?".

See the full post on our [Facebook Page](#).

## JUNIOR COURSES

with Craven College

Animal Care	START DATE	DAY & TIME	DURATION	VENUE	COURSE FEES	COURSE CODE
Junior Animal Care	17.03.18	Sat 10:00-15:00	1 day	AM	£40	UFPNRG02
More Junior Animal Care	19.05.18	Sat 10:00-15:00	1 day	AM	£40	UFPNRG03

## SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School  
Bridge Road  
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

For more information contact:

Kevin Allack on  
01535 605316  
07958 011316

Or at  
suttonsgotbrass@gmail.com

### Winter has arrived...

There is information on the front page of our [website](#) about the procedures which are in place in case of school closure.
