

## YR Enjoy First School Visit to The Rainbow Factory

On Tuesday 25th June the Reception children enjoyed a fantastic day out at the Rainbow Factory in Leeds. Everyone became superheroes for the day and helped capture the villain 'Flaming Eye Ball', ensuring he was safely returned to jail.

Children enjoyed making masks and shields and had lots of opportunities to use their superhero powers and even learnt some new superhero skills!

## Change to Term Dates 2019/20

The calendar of school term and holiday dates for 2019/20 has been amended due to a recent Government decision to change the previously agreed Bank Holiday dates. To coincide with Victory in Europe (VE) celebrations next year the Government have agreed to move the Bank Holiday from Monday 4 May 2020 to Friday 8 May 2020.

The updated calendar can be found on our school website.

Other dates for next year are in the process of being uploaded

[www.wherellearnersgrow.co.uk/calendar](http://www.wherellearnersgrow.co.uk/calendar)

Our first ever Pop Up Art Show drew the crowds last Friday in School. Following a week studying the lives and works of famous artists including: Picasso, Monet, Seurat and Van Gogh, our young artists were proud to exhibit their own work. For a short while the school hall was transformed into an exhibition space. Each class had the opportunity to visit the show and it was great to see so many families pop in at the end of the school day to take a peak too. Well done to everyone involved with a special thanks to Mrs Fletcher who masterminded the pop up masterpiece!

We believe that it is important for our young learners to be involved in the leadership of their school—it helps them grow into confident young people. Children from Y2 and above are invited to apply to belong to one of our 6 Pupil Voice Groups. The application process begins next week with application forms available from class teachers and need to be completed by 8th July.

Applicants will need a reference from home and from one of their friends. Interviews will take place before the end of this school year. Please encourage your child to volunteer!

### Tuck Shop—Y3-Y6

We are looking for hard working ,reliable people to become part of our highly successful Tuck Shop team. We offer children the opportunity to purchase a healthy snack plus a drink or chocolate treat once a week on their classes set day .Our aim is to be inclusive to all children's needs and provide gluten and dairy free choices plus other dietary needs. Applicants must have an understanding of money and numbers and be able to do basic adding and subtraction. You must be polite and able to help younger children with their choices and money whilst remaining calm during our busy periods. You will be responsible for stocking up and keeping the trolley clean and tidy plus handling of money. You will need to be willing to work at least one of your playtimes and able to work as part of a team .

### Fundraisers Y3-Y6

We are a successful fundraising family. We are looking for reliable people to join our hard working team as a fundraiser we organise events to raise money for charities. To do this you must be willing to occasionally miss some break times to be able attend our meeting . You must be good at maths, polite ,helpful ,kind and be able to use your imagination to help with some ideas for fundraising events .

**Kind** - be willing to think of others before yourself  
**Helpful** - be willing to help at events and support others who may be shy

**Confident** - be able to share your ideas and opinions  
**Outgoing** - be ready to roll up your sleeves and become involved.

### Green Group Y2, Y3, Y4,Y5,Y6

There are three different parts to Green Group.

- Planting and Gardening
- Recycling and Energy Saving
- Healthy lifestyle/food preparation - for example drying fruit

You must be very reliable which means you can be trusted to complete the jobs every day without having to be supervised by an adult. Some tasks can be done outside normal school hours - for example if you are in Roosters or Early Birds and you may need to give up some break times to get these jobs demonstrate your concern for the environment and to be able to come up with new ideas about how we can produce less waste and consume less energy.

### Librarians Y3,Y4 & Y5

We are looking for 12 responsible pupils to help keep the library tidy and organised. Your role will include scanning and returning books to the appropriate shelves. Training will be given so you have the skills and ability to use the library computer system, as you will be accompanying your class group to change their books. You will also be responsible for keeping your class bookshelf tidy.

Successful applicants will be able to share their love of reading and books and be naturally helpful, tidy and organised. You must also be willing to give up one lunchtime each week to do your library duty.

### Playground Buddies Y4,Y5,Y6

Buddies are looking for new team members - if you like to make lunchtimes FUN for yourself and others then it's a perfect job for you! If you are confident, reliable, kind and love ORGANISING GAMES then you are perfect to join our group! Specification to be a Buddy:

- Be self-confident and reliable.
- Be kind and helpful.
- Like to have fun.
- Like to organise, supervise and referee games.
- Be able to make decisions.
- Stay positive and calm in any situation.
- Understand that you are a role model in the playground.

### Global Group Y3-Y6

Our global group exists to help children find out about places beyond our village. We aim to make links with other schools both in the UK and abroad to enable us to find out how peoples lives are similar to and different from our own. Membership of the Global Group would interest you if you enjoy

- Want to find out about different places
- Finding ways to communicate in different languages including practising the Spanish you have learned in school
- Using a range of ways to communicate and research including IT

## Sports Showcase Event

On Tuesday 16th July we'll be having two special 'Sports Showcase' events to celebrate all the wonderful sports and activities our pupils are involved in. The first event will be for the whole school during the school day; the celebration for parents and carers will take place during the evening.

We want to recognise and celebrate the skills of our amazing pupils already involved in sports, as well as encourage more pupils to become involved.

We count on collecting all filled forms and any additional photos and videos ASAP. We are all very excited about this event and look forward to celebrating with you and your child on the 16th July - full details to follow.

## La Feria!

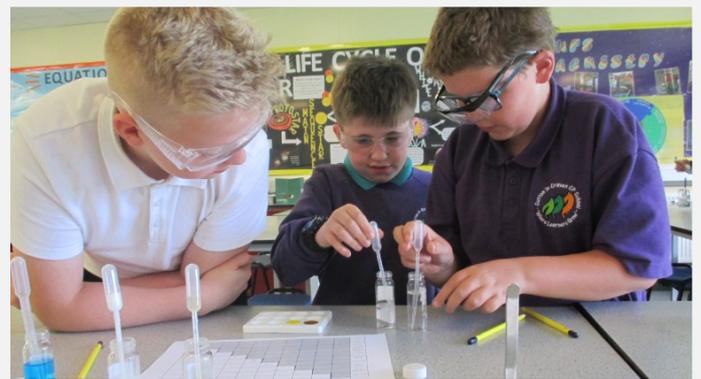

Last Tuesday we went to South Craven to participate in a language event. Children from Year 4 experienced a variety of European languages such as French, German and Spanish and took part in a range of activities including singing songs, a quiz and visiting a Spanish market.

Children represented our school very well; they showed enthusiasm and good understanding. This fair was an excellent way to engage pupils and expand their global appreciation and knowledge of the world.

On 6th June nine lucky pupils from our Y4 and Y5 took part in **Science of Harry Potter** at in South Craven School. There were four fun activities for pupils to try their knowledge and hand at. They got the chance to witness and practise some proper science, or was it magic instead? They started their Harry Potter journey by testing different magic wands and creating different coloured flames. From there they went onto hair-raising experiments using static electricity. After that dozen of magic potions needed creating and our pupils were totally focused on making the most disgusting and horrible sounding potions ever.

Just to finish off, it was all about the slime. Pupils got to choose their own colours and glitters and have a good old messy time creating their personal slime to take home. It was super exciting and of all our small scientists, or should I say wizards, had so much fun. Well done everyone.

## Insight into the chemical world

**Chemical:** Manufacturer Airedale Chemical has strengthened its ties with schoolchildren following a visit from its in-house chemist and an invitation to the primary school pupils to join the rest of the team for a day of experiments and hands-on off-site learning to support their science curriculum. Research and development chemist Madeleine Lofthouse entertained year four pupils from Sutton-in-Craven Community Primary School with tales from the world of chemistry.

## Support Staff Deployment 2019/20

In September 2019 there will be a few staffing changes. Support Staff in primary school are employed to work across the whole school and it is good practice to enable them to develop their experience in different year groups. When we deploy Support Staff, we think carefully about the needs of the individual children in each class. Broadly speaking, the deployment of support staff next year will look like this:-

Class	Teacher	Support Staff
YR	Mrs Dawson (M/T) Mrs Bailey (W/Th/F)	Miss Blackie Mrs Humphrey
Y1	Miss Baldwin	Mrs Kerr Miss Pickering
Y2	Miss Bell	Mrs Dwyer
Y3	Miss Dean	Miss Ibbotson Mr Barrick
Y4	Miss Robinson	Mrs Roberts
Y5	Mrs Whitehead	Mrs Ward
Y6	Ms Dunkley	Mr Allack

In addition, specialist support staff will deliver the following : Señora Stansfield (Spanish), Mr Allack (Cookery), Mrs Howes (Sports and Games), Miss Ibbotson (Academic Interventions)  
**Planning Preparation and Assessment Cover for Teachers'** is covered by Miss Ibbotson, Stansfield and Mrs Fletcher  
**Teachers' Leadership Cover** is covered by Señora Stansfield & Miss Ibbotson

## PRAISE IN THE PARK – Sunday 7th July

We have been invited by local churches to send a group of children to "Praise in the Park" in Sutton on Sunday 7th July to join other children from the area to make a large children's choir. Last year was a huge success with over 200 people attending this "Songs of Praise" style event and the children's choir were particularly appreciated. We have been learning the two songs in school and the children have been really enjoying singing them.

If your child would like to be involved, please complete the slip below and return it to school asap.

Your commitment on the day would be to arrive at the park at 2.40pm, with your child in uniform, and then collect them again at approximately 3.45pm once the event is finished. However, if you are able to stay, join in and hear the choir sing that would be wonderful.

We're looking forward to what will be a lovely afternoon and we're hoping the sun will shine just like it did last year!

My child \_\_\_\_\_ (class) \_\_\_\_\_  
 would love to be part of the "Praise in the Park" children's choir.

I will bring them, in uniform, to Sutton park on Sun 7 th July at 2.40pm and collect them at 3.45pm.

Signed \_\_\_\_\_ (parent)

## Y6 CAKE STALL

Please support our Y6 leavers as they sell cakes and buns after school on Friday 28th June. They're raising money to help towards the cost of their leavers disco which is being organised by parents and carers.

treat yourself to something sweet 😊
