29 April 22

Our school is a place 'where learners grow'.  
A kind community where the worth of everyone is nurtured and celebrated.  
We are rooted in a love of learning and building the confidence and courage to be ourselves.  
Together we flourish to be the best that we can be.  
Sutton CP Vision Statement

Dear Families

Welcome back to school after the Easter break. The final term of the school year is now well underway with lots of learning and exciting things to look forwards to.

Our school is a sporty place to be.—there is' always something going on and this week has been no exception. We were visited by a past pupil, Ellie Jackson this week. It is always lovely to hear about the successes of our learners who have grown but Ellis story has made us especially proud. We remember her as she grew from YR to Y6 and when she left us she told us that she was going to be an international athlete. Her story is later in this newsletter together with an opportunity for our children to follow in her successful shoes. Also in the newsletter are two reports from Mrs. Howes; one about the football tournament which took place just before Easter and the second about the Maths Challenge held this week. Both of these took place at South Craven school and as every we are indebted to our colleagues and the student there for their hard work in organizing these. Our children benefit hugely from the experiences provided.

In two there have been two intra year tag rugby afternoons giving children the opportunity to play against children from other classes. Finally on a sporting front we are now in the final stages of preparing our Race for Life for 2022 which will take place in Sutton Park on 13 May—please come and support us if you can!

Extra curricular clubs are beginning to start again. You can sign your child up for these up to 12 hours before the first session using the online booking system on the school website. At checkout you can chose to pay by card, tax free childcare or childcare vouchers. A list of these clubs is once again on this newsletter and a letter is also on the school website.

There's been a change in our school uniform providers as MC Sports, after many years have decided to move onto other things.

You may have seen the advert on the school website from an Admin assistant here, if you know anyone who might like to apply the closing date is Tuesday 3 May. We will shortly be advertising two part time teaching assistant posts to start in September.

To finish this week there a couple of 'house keeping 'notices. Firstly if you need to drop off or pick up your child during the school gate there is no longer a need to phone from the school gate please bring them to the school office via the main door in the front playground. This is another little step on the path to normality. Secondly if you send your child to school with a pack up for lunch please ensure that these are nut free because of allergies we have in school.

I hope the weather remains bright and sunny so that you are all able to enjoy the bank holiday on Monday. School will open on Tuesday 3 May.

Mrs. B

'flourish to be the best that we can be ...'  
Sutton CP Vision Statement

Ellie joined our extra curricular fencing club when she was a pupil here at Sutton CP.

When she left Y6 in 2015 she told us that she was going to represent Team GB in fencing (and we believed her!) In short time she quickly rose through the rankings through the tutoring and support of Skipton fencing club..

Now she is just about to sit her A levels and continues to fence regularly. She has recently been chosen as a team GB member.

We are so proud to be have played a small part in Ellie's story. This week Ellie and Jim (from Skipton fencing club) came into school to inspire our pupils with her story. If your child would like to try fencing club you can sig up via the school website. The first session starts on Monday 9th May and there are only a few places remaining.

## ELLIE KATE

In my future I plan to represent team GB in fencing at the 2020 Olympics.

This is a screenshot of the Y6 leavers PowerPoint presentation from 2015.

## Exciting Maths Challenge

On Wednesday 27th April a group of our Y3/4 maths wizards took part in Maths Challenge at South Craven against seven other local schools. There were three parts to the challenge - problem solving, maths relay and construction. Problem solving included different difficulty levels of problems involving anything from matchsticks to aliens, which was fun to do.

Next game the relay, where each player had to correctly answer a maths question in order to collect a triangle with further puzzles on them. End goal was to create a massive hexagon from 24 individual triangles connected by the same answer. It was tricky and against the clock but our team raised to the challenge and finished first, which was very exciting. After a well deserved biscuit and juice break came the construction challenge. With only paper and plastic straws and paper clips to use, the tallest unsupported structure at the end of the 20 minutes will win. After some discussion amongst the team it was decided that triangle is the strongest and tallest shape to use and a building of the tower started. It is not an easy job, but our team managed to create a 1.28 metre tall structure and win this challenge as well. IN the end we came second with the smallest margin imaginable. It was such a fun event and everyone involved was enjoying the experience. Well done team Sutton - you should be super proud of yourselves!

Mrs. Howes

## Football Fun

On Thursday 7th April our Y5/6 team of budding footballers took part in a tournament in South Craven with nine local schools participating. Our team played three matches against very equally matched teams, drawing the first two against Silsden and Lothersdale and losing 0-1 to Steeton.

It was great to see everyone in our team trying their best at the sport that they all love. We even played a spontaneous friendly match against the Sutton CE school at the end of the tournament which everyone involved really enjoyed. It was an event full of brilliant skills, amazing competitive moments, lots of football fun and a hilarious Lucas's special stretching session. Well done team Sutton!

Mrs. Howes

## Who is eligible for free school meals?

Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit

Please contact the school office for more information.

## School Uniform Supplier changes

### A message from MC Sports

Myself and Adam have come to a very hard decision and with a heavy heart to sell the School Wear side of the business.

Alison Greenwood of Skip to School will now be taking over the supply of your school's uniform.

Skip to School's full contact details are below;

32/34 Water Street

Skipton

North Yorkshire

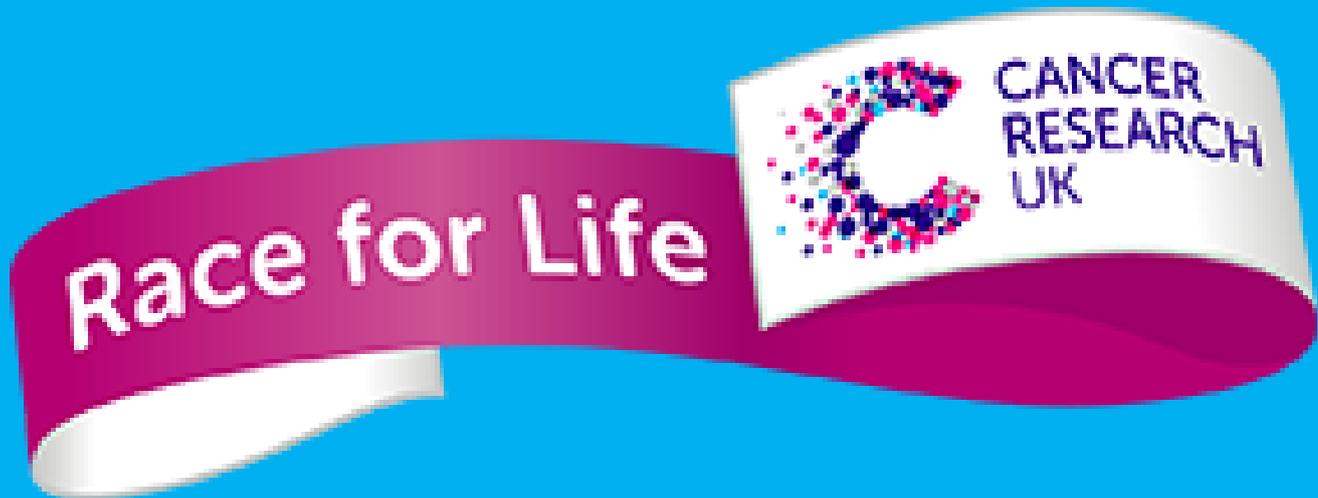

BD23 1PB

Tel: 01756 229002

Mob: 07866 762291

There will be themed meals during the school year, please visit the [calendar](#) on the school website for more information.

To pre-book meals visit [the ParentPay website](#).

- Log in using your username & password which you created
- Select child
- Select book meal & places (the blue box on the right)
- Select make or view bookings (the blue box on the right)
- Select week
- Select meals)
- Confirm booking
- Make payment (if appropriate)

Your order must be placed by **9.00am seven days** in advance of the meal being taken or, by **9.00am on the last Thursday of each half term.**

If you have pre-ordered a meal which your child no longer wishes to have, the meal must be cancelled by 9.00am seven days in advance; the office will delete pre-ordered meals on days when your child is absent from school. If you send your child with a packed lunch when a meal has been pre-ordered (hence already prepared and cooked) the packed lunch will be returned home. If your child hasn't got a meal pre-ordered and they haven't brought a packed lunch from home, then we will always try to contact you to either bring them a lunch, or ask that you are happy for us to provide them with a baked potato, filling and sides of the day (chargeable if your child is not eligible for a free school meal).

## “Raising Yorkshire Puddings”

### Parent Support Group

#### About Us:

The Parent Support Group is an online support group, facilitated by NHS mental health practitioners. The group is a safe space for parents to get together, share their experiences and build positive relationships. A different subject is discussed each month and parents will receive useful information and strategies around the chosen monthly topic. For an invite, please email: [mhstparentsupport@bdct.onmicrosoft.com](mailto:mhstparentsupport@bdct.onmicrosoft.com)

**Next Parents Support Group details: Tuesday 17<sup>th</sup> May 2022**

**Topic: “Supporting your child: Change and transition through school”**
