School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs.

Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes the school office requires one week's notice to change to/from school meals.

999 Emergency! Miss Whitham follows her dreams!

Miss Whitham leaves us today after being our Sports and Games Teaching Assistant for the past two years. Ever since we have known her she has wanted to become a Fire Fighter and after a gruelling round of interviews and assessments we are proud to let you know that she starts training with West Yorkshire Fire and Rescue after Easter. Dani has been a fantastic member of staff, unflappable and organised, she has made loads of friends here at Sutton CP. Today we held a 'Fireman Dan' themed day for her — with lots of cake, laughter and tears. Stay safe Dani and don't be a stranger! We can't think of anyone we'd rather be rescued by!

Roosters/Early Birds News

You will have noticed that a bell has been recently fitted to the entrance door for Early Birds and Roosters. After Easter you should gain access to drop off or pick up your children by ringing the doorbell. A member of staff will come and let you in. Please be aware that you may experience a short delay as staff will be busy looking after children. Please do not prop the outside door open and remember to close the gates behind you. These measures have been put in place to increase the safety of your child whilst they are in the clubs. *(You should continue to pick your child up from the main entrance and wait in the library if they are attending an after school club such as fencing or dodgeball.)*

Craven Area Debating competition

The social media debate was one of the best experiences I've had in this school. The debate question was, 'Is social media a danger to children?'

It was an extremely challenging debate with teams of six pupils from ten local primary schools. Two people had to stand up in front of four judges and the other competitors. After we had delivered our speech the other school had to ask different questions. We were expected to answer with sensible mature answers.

Our school didn't win anything but I don't think this matters because we tried our best and actually had the courage to stand up in front of seventy two people we didn't know to deliver our speech.

This extraordinary experience made me feel proud of myself and everyone else who was involved—my confidence level has really shot up! Thank you to Mrs Fletcher and Mrs Dwyer for accompanying us.

Heading to the Start line is beating cancer! Race for Life 2018

All children in our school will be taking part in our annual official 5K 'Race for life' on the afternoon of Friday 18th May. Each year we are able to make a significant donation to Cancer Research UK following this event and we are asking for your support to be able to do the same in May 18!
For details see our website

Happy Birthday Mrs Humphrey

Mrs Humphrey will be celebrating a special birthday during the holiday—she might have thought we had all forgotten! Happy Birthday lovely lady!

Rainbow Day - Friday 20 April

Our local family of primary schools will be holding a fundraising day for a local nine year old little girl who has a brain tumour. We are offering your child the chance to come to school dressed in their **briest coloured clothes** in exchange for a suggested £1 donation for the Candlelighters Charity who have been supporting the little girl and her family.

Success for Sutton at the Robot Rumble

Well done to the twelve children, staff and parents who attended the Robot Rumble on Thursday 22nd March. They took with them all the robots which had been made by children in school—about 90 of them! The team from Sutton CP was one of six local schools and which competed at Settle Primary School. Robot Rumble was judged by a team of 3 independent judges, including a Rolls Royce STEM Ambassador.

In the first event, 'My Robot's Got Talent', Willow's robot won the KS1 category and Jack's robot was the runner up. Plans and models of robots were taken on the day to be judged. The robot had to be designed so that it would have a positive impact on society through exploration, discovery or environmental welfare. Stephen's robot (designed to help the homeless by bringing them food, water and blankets) was awarded the KS2 prize.

The KS1 team, made up of Angel, Fin, Nathan and Maisie won the next event, 'Strictly Come Robot'. This event required the young team to program their robots so that they danced to a piece of music. Their synchronized routine was great and clearly impressed the judges.

Finally, a big thank you goes to all the parents who helped make the robots and the children & staff at Settle Primary School who organised the event and made Sutton CP feel very welcome.

Great News

Our Y5/6 Tag Rugby Team came second in the recent tournament at South Craven School. Everyone, especially Miss Whitham for whom this was her last tournament, was extremely proud!

Well done!

NORTH YORKSHIRE FIRE & RESCUE SERVICE

Last year North Yorkshire Fire and Rescue Service saw a spike in deliberate fires over the Easter holidays and we'd like to see a reduction in those numbers this year. Parents can help us with this by checking on their children's plans and keeping matches and lighters somewhere that isn't easily accessible. Deliberately starting fires is against the law, and even small fires can endanger lives. Fire spreads quickly and can be unpredictable. If any parents have concerns that their child has a fascination with fire they can make a confidential referral to us through our firesetter network by calling (freephone) 0800 074 0064 or emailing safeguarding@northyorksfire.gov.uk

North Yorkshire Prevention Service News

The aim of the service is to reduce the numbers of children and young people requiring more intensive and more costly interventions through children's social care and other crisis led services, by providing timely and effective responses that prevent difficulties escalating.

Our vision is that families in North Yorkshire are able to access readily a range of support to ensure that their children are safe, happy and well, and that they can flourish at school and in the wider world.

Recently uploaded to our school website is a list of local groups for parents and children. Lots of these are delivered at the children's centre in Glusburn with some slightly further afield. Have a look by [following this link](#)

Communication with School

We want to use as many ways as possible to keep in touch with you.

How we tell you what is going on in school...

- Facebook*
- Website
- Regular Newsletter
- (on website and emailed by request)
- Twitter

If we need to get in touch with you

- We will use the contact information you have provided—if this changes, you need to let us know.

If you'd like to get in touch with us please

- Phone us 01535 633064
- Email: administrator@suttoncp.uk

Please don't use Facebook to try and contact school.

Mrs Beetles & Mrs Fletcher are in the playground most days before and after school.

SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School
Bridge Road
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.
