We currently provide school meals through North Yorkshire County Catering. They are free for YR/Y1 & Y2 and cost £2.82 per day for other year groups. Meals are freshly cooked each day in our kitchen by NYCC Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes **the school office** requires one week's notice to change to/from school meals.

Staffing News

I am sad to have to let you know that Mr Horton will be leaving us at Christmas after six years here at Sutton CP. Mr Horton feels that the time is now right to explore new opportunities and new challenges which hopefully lie a little closer to home and his lovely young family.

Mr Horton joined us as a newly qualified teacher and has taught Y4 during his time with us. Mr Horton is a popular member of staff with children and colleagues alike and we will miss him very much. It has been Mr Horton who has spearheaded

the exciting developments in ICT over recent years—he is hugely enthusiastic about this area of the curriculum.

As a staff governor Mr Horton has contributed to the school in many ways. He has given freely of his time and most recently lead the work need to ensure that the school complies with GDPR regulations.

I have no doubt that Mr Horton will be remembered by many children and their families as a really special teacher and would like to take this opportunity to publically acknowledge all his hard work, and to thank him for his support, friendship and service to our school.

Whilst we couldn't replace the irreplaceable Mr Horton, Y4 will, of course, need teaching after Christmas. A successful recruitment process has taken place and I will send home details before the end of term.

Mrs Beetles

Armistice 100 We will Remember

This week children in KS2 were enthralled by a visit from Mr Hodgson, who is Mrs Whitehead's Dad, and Grandad to 3 children in school. He came along to share with them the story of his own grandad, Mr Ralph Hodgson, who fought and died in the Somme. Accompanied by a life sized model of his grandad Mr Hodgson shared stories and family memories as well as letters and mementoes, including a biscuit tin full of letters from the front.

It was a truly memorable experience for our children—helping make history real and enabling them to understand the terrible cost of World War 1.

'He was a great storyteller and we really enjoyed listening to his grandfather's experience in the Great War. We learned many facts, including how photographs of soldiers were taken with a cloth background so that the photographs looked nice and hid how horrible it really was. We were saddened that he died from fatal wounds in 1918, only 8 weeks before the war ended and his trench was taken over by Germans. We are grateful to Ralph Hodgson for serving in the war and to his grandson for telling us all about him.' (Year 6)

Christmas is coming (Ho Ho Ho) The Christmas trees arrive today which signals the beginning of our Christmas season in school. Please keep up to date with everything we have planned to make the season jolly by visiting the [calendar section](#) of the school website.

Parent Survey 2018

The annual survey for parents has now been analysed and results can be found on the front page of the [school website](#). Thank you for your overwhelmingly positive support.

Thank you too to those families who made additional comments and suggestions for further developments which the governors will now consider.

School Meals

The governors have recently run a tender process to choose a new school meal provider. Next week they will be meeting in school to decide which provider offers our families the best balance of value and quality of meal. If all goes to plan, we will be using a new provider from the beginning of February 2019. We will keep you up to date with developments

Anti Bullying Policy Reviewed by School Council and Mrs Dickinson

We want our children to grow to be articulate young people who know the appropriate ways to deal with potentially challenging issues if they arise.

November each year sees National Anti Bullying week and in our school we use this as an opportunity to discuss and confront the issue. We believe being proactive in this area is really important and by all working together we can ensure that when incidents happen in school, they are a one off and

isolated and not happening **Several Times on Purpose**. If this is the case then it could potentially become a Bullying issue. We want everyone in our school family to be clear about what steps to take if children are concerned about bullying. Assemblies and lessons have recently focussed on bullying, what it looks like and how to deal with it. We have also explored the possible motivation of people who become bullies and how they can be helped to change. The school council met with Mrs Dickinson, one of the school governors, to review our school policy which appears on the following page of this newsletter, it can also be found on the school website and is on display around school.

School Governors—Pupil Outcomes Group News

The School Governors' Pupil Outcomes Group meet every half term.

Our meetings include reviewing the school's progress towards the School Improvement Plan, analysing termly pupil data, scrutinising where teaching and learning can improve and where excellence can be disseminated across the school into other areas. We monitor different areas of the curriculum including maths, literacy, science, active learning, SEND and Pupil Premium and British Values. We also consider how the Pupil Premium and Sports Premium money is spent and their impact on our pupils. We discuss how all these areas of work impact on the quality of education we provide for our children.

At our most recent meeting on Monday 19th November we looked at the progress made since the start of the academic year towards the School Development Priorities and we set out our monitoring priorities for the year. We also scrutinised ASP, (Analysing School's Performance) the external data analysis of last summer's statutory test results comparing our schools data to national. With this in mind we also reviewed targets set for pupils for this academic year. We are satisfied that they are in line with recommended aspirational targets and are up on last year's national standards yet remain realistic for the cohorts in each year group. The progress made towards these targets will continue to be monitored through the Pupil Outcomes meetings throughout the year. We also reviewed the Teaching and Learning Policies and will refer to these when we monitor specific areas of the curriculum.

Janet Wordley
Parent Governor & Chair of Pupil Outcomes group

Sutton in Craven Community Primary School

Anti Bullying Policy

2018

Our school is a place where every person has the right to be themselves, to be included and to learn in a safe and happy environment. Everyone at our school is considered to be equal here and expected to treat each other with respect and kindness.

1. Definition of bullying

Bullying is hurtful or unkind behaviour which is deliberate and repeated. Bullying can be carried out by an individual or a group of people towards an individual or group. The **STOP** sign can be applied to define bullying -

Several Times On Purpose.

The nature of bullying can be:

- **Physical** - such as hitting or physically intimidating someone, or using inappropriate or unwanted physical contact towards someone
- **Attacking property** - such as damaging, stealing or hiding someone's possessions
- **Verbal** - such as name calling, spreading rumours about someone, using derogatory or offensive language or threatening someone
- **Psychological** - such as deliberately excluding or ignoring people
- **Cyber** - such as using text, email or other social media to write or say hurtful things about someone

Bullying can be based on any of the following things:

- Race (racist bullying)
- Religion or belief
- Culture or class
- Gender (sexist bullying)
- Sexual orientation (homophobic or biphobic bullying)
- Gender identity (transphobic bullying)
- Special Educational Needs (SEN) or disability
- Appearance or health conditions
- Related to home or another other personal situation

No form of bullying will be tolerated and all incidents will be taken seriously.

If you are worried about bullying, don't try to sort this out by yourself

- Tell your Class Teacher
- Tell a Playground Buddy, Y6 Young Leader or Member of the School Council
- Tell any other adult in school
- Tell an adult at home
- Report anonymously - use the worry box in the library
- Call ChildLine -0800 1111

Everyone who has an association with our school is a member of our Family Fundraiser Group! In an ever increasingly challenging funding climate, we want to ensure that our children get the best provision possible at our lovely school and our mission is to raise money to ensure this happens. We have some major projects in mind like totally redeveloping the playground—replacing the trim trail and more! We'd like to develop the Hive (the old Y2 classroom) to make it a place for parents to meet, courses to run (and tea and coffee to be shared!) We have some smaller projects in mind too like providing a constant stream of lovely new books for our school library

There are lots of ways that you can get involved, depending of course on the time you have available—please contact Jill Taylor to find out more

You can do this in a number of ways

- j.taylor@suttoncp.uk
- On by Facebook - [Family Fundraisers \(Sutton CP School PTA\)](#)
- Or in the playground most mornings and after school

Non Uniform day

The Parents Fundraising Family will be organising a non uniform day on Thursday 6th December.

Your child is invited to come to school in non uniform in exchange for a small tombola prize for the school Christmas fair

DECEMBER 8 Christmas Story Teller

Christmas Fair

Fun For Everyone
