Our school is a place 'where learners grow.'
A kind community where the worth of everyone is nurtured and celebrated.
We are rooted in a love of learning and building the confidence and courage to be ourselves.
Together we flourish to be the best that we can be.

Good Evening,

Welcome to February, the mornings are definitely getting a little lighter which is welcome after such a gloomy January.

Parents Evening

We're looking forward to welcoming you into school this week to celebrate all your children's successes and achievements over the last term.

Don't forget, the Book Fair will be in school again. It will be based in the school hall or the school library and will be open after school until 4pm or until the last Parent Consultation on the Wednesday and Thursday. Please come and have a browse with your children.

The new to you uniform sale will also be available on both parent consultation nights. We are simply requesting a donation for any items taken. All donations are being put towards our PTFA funds, we are hoping to boost these over the coming months.

Details about our first PTFA meeting will be shared on these evenings also.

There will be tea and coffee available for parents in the hall, along with something sweet prepared by the school kitchen. Again, we welcome donations towards our PTFA fund.

PRIME drinks

A polite reminder these drinks and their bottles are not allowed in school. The amount of disruption caused by these bottles is unnecessary so we welcome your support in refraining from allowing children to bring these into school. Bottles will be removed from children who bring these items and then returned to parents at the end of the school day. Water is always available for the time the children are here at school.

SATs information evening

Thank you to those parents who attended our SATs information evening. For those that were unable to attend, the PowerPoint has been uploaded to the school website. Thank you also to Miss Dunkley for putting the information together and hosting the event, it was very informative. Don't forget Miss Dunkley will have order forms available at parent Consultation evenings this coming week, for the CGP books she recommended should you wish to order them at the lower price.

Children's Mental Health Week

Next week is Children's Mental Health Week and we will be having a well-being day on Friday 10th February.

Our focus will be the 5 ways to achieve good mental health;

1. Connect with other people. Good relationships are important for your mental wellbeing.
2. Be physically active. Being active is not only great for your physical health and fitness.
3. Learn new skills.
4. Give to others.
5. Pay attention to the present moment (mindfulness)

Volunteer requests

Many thanks to those who have already filled in an interest form for becoming a volunteer here at Sutton CP. Mr Clayton will be in touch with you after the half term holiday.

We are seeking a volunteer for a very specific job in school, the School Library. If you have a pocket of time on a Friday afternoon, an extra pair of hands helping in the library would make such a difference. Please let the office know if this is something you would be interested in doing.

THIS MONTHS TOPIC:
SUPPORTING YOUR CHILD: ANGER AND
FRUSTRATION

This month we will be looking at supporting your child with the emotions of anger and frustration. Along with strategies and practical solutions that will support you.

The Incredible Years

An exciting opportunity for parents/ carers to join 'The Incredible Years Programme' - a 13 week course starting Wednesday 22nd February 9.30-12.00 at Sutton in Craven C of E Primary School, N Yorks.

Open to any parent/carer of children aged 4 – 12 years in the Craven area. The aims are to strengthen the parent-child bond, share and try out techniques to shape positive behaviour, promote children's social, emotional, and language development and reduce challenging behaviours.

Please refer all interested parents/carers asap (self-referrals are accepted). Referral forms are attached and also available via your EMHP (for trailblazer schools) or telephone call 07525 872287 / email Ymhst@bdct.nhs.uk . You can also contact Tracey Kayne (Senior Practitioner) on 07766 300183, email tracey.kayne@bdct.nhs.uk to find out more.

NB 'The Incredible Years' is an internationally recognized, evidence-based programme, facilitated by experienced practitioners from the Craven mental health support team (NHS). It will start in September and February each school year in different settings across Craven area. Check out www.incredibleyears.com

Children - The Sleep Charity

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less
