Dear Families

At the end of another (very wet) week in school, things remain much the same for our school community. Online learning meets are continuing to prove to be popular and it has been good to see children at home being taught alongside their peers in school. Teachers are putting the final touches to annual reports which will be emailed home before the end of term. I have been working on our annual yearbook which contains photos and quotes for the 2019/20 year. The fun we had together prior to lockdown seems a long time ago now, but it has been great to remember the happy vibrant school we are—and it's something to look forward to over the coming months.

The government yesterday published its long awaited plan for all children to return to school in September. They, ‘are... asking schools to prepare to welcome all children back this autumn. While coronavirus (COVID-19) remains in the community, this means making judgments at a school level about how to balance and minimise any risks from coronavirus (COVID-19) with providing a full educational experience for children and young people. Schools should use their existing resources to make arrangements to welcome all children back. There are no plans at present to reimburse additional costs incurred as part of that process.’

We are all pleased by the thought of our school community being together after so long apart and, probably like you, a little nervous about what this will look like in practice.

A new phase of **planning and risk assessing** has now begun for our school community. The guidance creates a wide range of significant logistical challenges for schools. Many of us have become used to thinking about things such as staggered starts and more frequent cleaning; doing this with a full school of pupils is a very different proposition. I recommend that you read the full guidance:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Even though the school year officially ends for children on 17th July, governors and staff will continue to work over the summer to prepare for September and we will continue to communicate our plans with you during this period via email and the website.

Our **Essential Childcare Bubbles** are quite full; each can hold a maximum of 15 children. Please only book a place if you are unable to care for your child at home—this is to ensure that Keyworkers who have to work away from home can use the service. We all need to support each other with this, otherwise we might be put into the position of having to turn people away. Please be aware that if you turn up without a prior booking and the bubble is full—we will have to turn your child away.

On a couple of final notes please can I ask you to follow the government guidance around **social distancing** and to minimise the number of people your child mixes with when they are not in school? Secondly, please **do not cluster around the school gates** when dropping off or picking up children. These steps will help to keep our school family safe and lessen the risk of COVID 19 transmission in our community.

Sending love from the staff team to your family,

Mrs B

26th June 2020

Mrs Bailey and Miss Robinson are currently Home School Teachers. We are here to support you with all your home learning. Mrs Bailey will look after the Early Year and Key Stage 1 children (**Jade Bubble**) and Miss Robinson looks after the Key stage 2 children. (**Purple Bubble**) Both groups have a dedicated email address should you like to contact the teacher at any point to discuss any part of your child's home learning journey. Our children who are being taught at home are an important part of our school and now belong to either one of these bubbles.

Each week we will have a page on the newsletter where we can celebrate our successes.

#### Our promise to you:-

Your children will still be receiving work from a teacher on Google classroom or Tapestry each week.

A teacher will look at Google classroom or Tapestry daily.

Zoom or Google Meet meetings will still be on offer for our at home bubbles.

A teacher will contact you if you request it.

#### Contacting a member of staff regarding home school learning .

Whilst teachers are in school working with their designated bubbles of children, we want to provide the children who are still learning at home a specific point of contact.

As mentioned above there is one for Early Years and Key Stage 1 (reception, year 1 and year 2) and another for Key Stage 2 (years 3,4,5 and 6).

If you have any questions regarding your child's home learning please get in touch via these email addresses:

**Key Stage 2:** [missrhomebubble@suttoncp.uk](mailto:missrhomebubble@suttoncp.uk)

# Meet

## Scavenger Hunt Fun!

This week we had lots of fun on our Zoom and meet sessions taking part in virtual scavenger hunts. The children had to go off and find a variety of objects from objects that are shiny to something that starts with the letter d. Mrs Ward and I were delighted when 2 dogs appeared on the screen to join us for the letter d! It has been great to see the children having fun collecting the items . We are going to try our best to keep to the same days and times for future meetings so you can plan ahead. If you have any questions about the Google Meets please contact Mrs Bailey or Miss Robinson on our home bubble email addresses.

During the week ahead, your children will be invited to join a teacher for a Google Meet at a pre arranged time. Just before the meeting a link will be provided on the class stream in Google Classroom for the children to click. We are hoping that moving forward the children will be able to manage these meetings themselves as they are totally secure and managed within school. Only children within the specified groups are able to join the meeting while it is taking place. Look out for your invitations this week, we can't wait to see you all.

Jade Home Bubble  
Zoom invite sent to parents

Dear Reception Children,

I would love to invite you to our fourth home bubble zoom meeting, we are going to be reading our next chapters from our home bubble book 'Fantastic Mr Fox', doing a drawing lesson and we might even have time for some singing. All you need is your smiley faces. An invitation has been sent to your parents email address—please ask them to check SPAM!

Mrs Ward and I look forward to seeing you at 1pm on Monday.

## School Uniform

Unfortunately it isn't possible for parents to currently order uniform through school. During this period of lockdown you will need to shop at MC Sports in Skipton. Here are their current guidelines for purchasing uniform:

- 1) Order online @ [mcsports.org.uk](http://mcsports.org.uk) and have it posted out to you.
- 2) Order online @ mcsports.org.uk and collect at the shop.
- 3) Visit the shop but at busy times it will be only 1 parent 1 child and it will not be possible to try items on.
- 4) Make an appointment but it will be after the shop closes at 5.15pm Monday to Friday.

## Reception Starters September 2020 Pack 2

Further information has been posted on the Noticeboard of the front page of our website ([www.wherelearnersgrow.co.uk](http://www.wherelearnersgrow.co.uk))  
There is nothing that needs to be returned to school before your child starts with us.

We will be in touch with you before the end of term with specific arrangements for your child starting school in September

## Bubbles...

Groups of no more than 15 children. Same staff, same room, staggered starts, playtimes, lunchtimes and finishes. Isolated from other bubbles -to reduce the risk of infection and transmission of COVID 19. To support the safety of our staff and children please limit the number of people your child mixes with when they are not in school.

## Coronavirus (COVID-19): getting tested

### Who can be tested

The following groups of people can [ask for a test through the NHS website](#):

anyone in England and Wales who has symptoms of coronavirus, whatever their age

[https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested?utm\\_source=81855b9f-85b6-4790-95df-9733df389dec&utm\\_medium=email&utm\\_campaign=govuk-notifications&utm\\_content=daily](https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested?utm_source=81855b9f-85b6-4790-95df-9733df389dec&utm_medium=email&utm_campaign=govuk-notifications&utm_content=daily)

### NHS Track and Trace

The NHS test and trace service:

- provides testing for anyone who has symptoms of coronavirus to find out if they have the virus
- gets in touch with anyone who has had a positive test result to help them share information about any close recent contacts they have had
- alerts those contacts, where necessary, and notifies them they need to self-isolate to help stop the spread of the virus (

3rd July 2020

It has been a joy to be the Jade teacher this week, we have had lots of fun on our meets and zoom's. There has also been lots of learning for me to see on the google classrooms and tapestry. This week Reception have been learning about Olivers Vegetables and we have seen some cooking and baking. In Year 2 I have seen some challenges, from a photography challenge to a cup challenge and the children were keen to take part. In Year 1 we have been learning about Zog and I have seen a dragon who breathes sweets instead of fire! Well done to everyone, keep learning!

**White Rhinoceros**

**Description:**  
Males weigh up to 2.3 tons. Females weigh up to 1.7 tons. They can grow to 1.8m in height and 4m in length. They have thick, wrinkly grey skin and two horns on their long nose. Their ears are long, big cups so they can hear very well.

**Habitat:**  
Rhinoceros live on grass land and savannah. They love to wallow in deep, muddy pools to keep cool. Rhinoceros can run at 31mph across the plain.

**Diet:**  
Rhinoceros are herbivores. They eat grass, sticks, leaves and fallen fruit. They do more than 20kg of poo every day. Every poacher is different - it sends messages to other rhinos!

**Other interesting facts:**  
White rhinoceros are being hunted to extinction. Poachers kill them for their horns because some people use them in medicines. Then some babies are orphans because their mothers have been killed. Arthur is an orphan who has been rescued. He tried to help his mother who was murdered.

Omg i havent even finished queuing and i am already as scared as a victorian child. Why is it taking so long to queue. Ok finally i am at the front waiting to get in on the ride. YES i got the front seat apparently that is the best seat.

Hey it isn't as bad as i thought. This so slow. Ahhh i take that back this is horrible. Wait a minute why is the track broke? Where are we going to go? The only way we can go is backwards. Ahhhhhh i think i am going to be sick.

**Budgeting** - fill in the next slides with the number of things you want in your theme park. Check your spending - remember it cannot go above £4,000,000..
