Sutton CP Vision Statement

Dear Families

Welcome back—the second half of 2021/22. I hope you all enjoyed the half term break with your lovely children. Despite some truly awful weather school is still standing and is safe and dry! It was the first real test of the Y5 and Y6 classrooms against severe weather. Although the playground flooded the raised design of the classrooms meant that they remained above the level of the water. What a relief!

You will have noticed the scaffolding and cabin in the front playground. This is due to ongoing remedial works to the Hive. Unfortunately in the course of window replacements some serious structural issues were highlighted. The internal walls and ceilings have been stripped back enabling us to see the original vaulted ceilings and brick archways which has been really interesting. This week they have turned a corner as the work now begins to put the room back together again. I think it is going to look great when finished, we plan to add a good deal of storage into the room which is something we currently lack in school. We will also be able to move our Before and After School provision back into the Hive thereby freeing up the hall for extra curricular clubs. The contractors, Tom Willoughby's, have been brilliant, hardworking, professional and accommodating, and we have been well supported by NYCC.

This week we have turned a corner in other ways too. Following government advice restrictions in schools have been lifted further. Whilst we need to be mindful of the guidance should there be positive cases of COVID (see later in the newsletter) we are now able to work in a way we haven't been able to for too long. It was an absolute pleasure to lead [key stage assemblies](#) in the hall this week. Children were respectful, thoughtful and reflective as they considered the ongoing news from Ukraine which has touched us all. I would like to encourage families to donate, if you are able, to the [Disasters Emergency Committee](#) Ukrainian Humanitarian Appeal either directly or via your parent pay account.

Our children so enjoyed [World Book Day](#) yesterday. It was a fun filled day packed with laughter and learning. In one room I spotted Peter Rabbit teaching a giant dinosaur and in another there were at least 102 Dalmatian puppies being taught by a very convincing Cruella De Ville. There are some photos later in the newsletter.

Another fantastic piece of news is the resumption of the inter school sports tournaments hosted by South Craven school. We would like to thank the team at South Craven for all the work involved—we don't underestimate the challenges involved. These tournaments and festivals across the school year enable our children to mix and compete with children from other local primary schools as well as providing pathways into North Yorkshire and Sport England events. Even better than attending, our Team actually [won the netball tournament](#) this week. You can imagine the pure delight of Mrs Howes and her team—there is a report further in the newsletter.

And, as we continue to enjoy looking forwards to further opportunities in coming weeks, next week the [Headteacher interviews](#) for my successor will take place. The governors will provide you with an update in due course. It's an exciting time for us all!

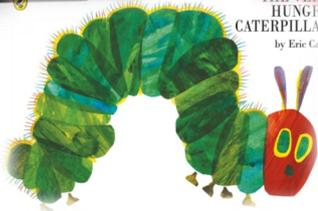

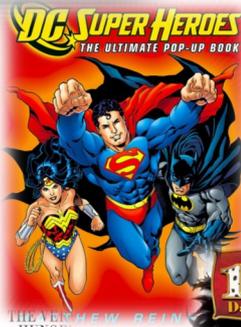

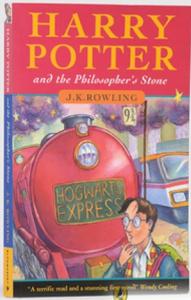

Have a lovely weekend—see you on Monday  
Mrs B

## COVID 19 Guidance from 24 Feb 2022

- Children and young people with COVID-19 should not attend their education setting while they are infectious.
- They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day.
- If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature.
- They should follow the guidance for their educational setting.

## New parent governor

Following the election process last half term we are delighted to welcome Sana Jamil as a new parent Governor. Sana was elected unopposed.

In her statement in support for election Sana says the following:

*I am supportive of the work and the vision of the school. I have the necessary personal skills to be able to take an impartial; and balanced approach, whilst maintaining confidentiality. My educational background includes Bachelor of Science in Business Administration which I believe gives me the necessary skills required. As a school governor, I am confident that I will be able to provide a parents view during governors meetings, support the Headteacher and most importantly represent the interests and wellbeing of all of our children.*

On behalf of the Governing Body of our school we would like to officially welcome her and thank her in advance for her service to our school.

## Netball Tournament Champions!

I'm very pleased to share the news of our netball team competing and **WINNING** the tournament at South Craven on 2nd March.

Our team played four matches and not only won all of them, but didn't allow any opposing team to score any points against us at all.

Our game understanding, speed, passing accuracy and working as a true team was unmatched by any team.

**We were AMAZING!**

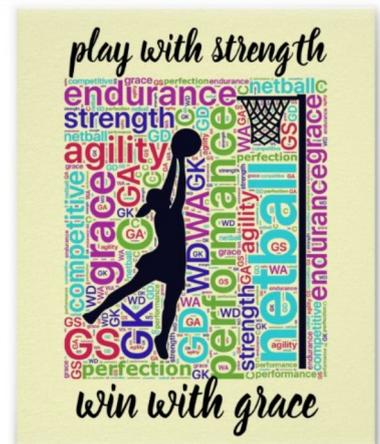

I am so very pleased that all the dedication and hard work players have shown in PE lessons and especially during break times paid off for them big time.

My special thank you goes to the rest of Y5 who have been extra supportive of their classmates and assisted them in pre-tournament training wishing them to succeed. As well as Y3 children who have given up their space in the mupa for training to happen and for the greater good.

A big thank you to the parents who supported our team - it means a lot to us all.

Well done everyone!

Mrs Howes
