5 June 2020

Dear Parents and Carers

This week has been very busy for all our staff team. During the week we have been working hard to prepare for the wider reopening of school which begins with YR and Y1 from Wednesday 10th June. Parents of YR and Y1 children coming back to school have been contacted by email.

Our Essential Childcare will continue to be open for vulnerable children and the children of keyworkers in Y2, Y3, Y4, Y5 & Y6. Our survey predictions have proved to be largely correct with an influx of requests for these places. I want to reiterate that this is only to be accessed if you can not safely take care of your child at home. **It is childcare and it isn't school.** I ask every single family to continually reappraise their situation and please only take up a place if you really need it. We can then offer the maximum number of places we have available in that week. Please only use the service if you have to—so that people who really need the service can access it when they really need to

Our school have been organised into 7 bubbles of no more than 15 children. This follows government guidance.

We recognise the limitations presented by the concept of social distancing in primary schools. Children can't socially distance.

School looks very different. The rules and expectations are different.

We are still the same.

Please understand that the longer this goes on it gets harder for us all. Everything we have done is based on rigorous Risk Assessment processes— you must follow what we are asking you to do, otherwise the health and safety of your child and our staff will be compromised. Even if what we are asking you to do seems pointless—please trust us, it isn't.

You maybe under pressure to go back to work but please remember that we are limited by the size of the building and the number of staff we have. We are also obligated to follow the government order or priority of return to school which states that within our available space we have to provided for children in the following order of priority: Vulnerable children, Children of Keyworkers, YR, Y1 and then Y6.

In and amongst the huge amount of reorganisation needed in school to accommodate requests for Essential Childcare and Wider Reopening we have been mindful of children staying at home. We are missing you and don't want you to think that you have been forgotten! We have formed 2 additional Home Bubbles—one for Early Years and Keystage 1 and the other for Keystage 2. You can find out more about these two bubbles later in this newsletter

Jade	Mrs Bailey	Mrs Ward, Mrs Dwyer, Mrs Kerr
Purple	Miss Robinson	Mrs Ward, Mrs Dwyer, Mrs Kerr

Taking difficult decisions based on government guidance has led to some challenges to our usual way of working. We really appreciate those families who are showing us professional generosity at this time—thank you. To see our lovely school stripped bare has been very hard for us all. Please be assured that myself, Mrs Fletcher and the whole school team are doing the very best that we can in these extraordinary times.

Sending love from the staff team
Mrs B
x

We would like to introduce you to your home school teachers Mrs Bailey and Miss Robinson. We will be here to support you with all your home learning from Monday 8th June. Mrs Bailey will be looking after the Early Year and Key Stage 1 children and Miss Robinson will be looking after the Key stage 2 children. Both groups will be given a dedicated email address should you like to contact the teacher at any point to discuss any part of your child's home learning journey. Our children who are being taught at home are an important part of our school and now belong to either one of these bubbles. Mrs Bailey's Home Bubble or Miss Robinson's Home Bubble. Each week we will have a page on the newsletter where we can celebrate the success of each bubble.

Our promise to you:-

Your children will still be receiving work from a teacher on Google classroom or Tapestry each week.

A teacher will look at Google classroom or Tapestry daily.

Zoom meetings will still be on offer for our at home bubbles.

A teacher will contact you if you request it.

Contacting a member of staff regarding home school learning from 8th June 2020.

As the wider re-opening of school begins and teachers are in school working with their designated bubbles of children, we want to provide the children that are still learning at home a specific point of contact.

As mentioned above there is one for Early Years and Key Stage 1 (reception, year 1 and year 2) and another for Key Stage 2 (years 3,4,5 and 6).

If you have any questions regarding your child's home learning please get in touch via these email addresses:

Early Years and Key Stage 1 : mrsbhomebubble@suttoncp.uk

Key Stage 2: missrhomebubble@suttoncp.uk

As we begin the long road to return to normality the uncertainty of life in these odd times is bound to be taking its toll on our nation's primary school children. Their mental health must be acknowledged and supported during this time, so we've put together a guide for parents on how they can help their child's transition back to school.

Here are a few of our top tips:

Returning to a normal schedule of sleeping, eating, and leisure time (tv, games, etc.) prior to re-openings. If children go to school tired, out of routine and confused, it'll severely impact their learning and lengthen their settling in period.

Make sure they're aware of what's happening as best as you can. It's important to keep children in the loop and allow them to prepare mentally for school.

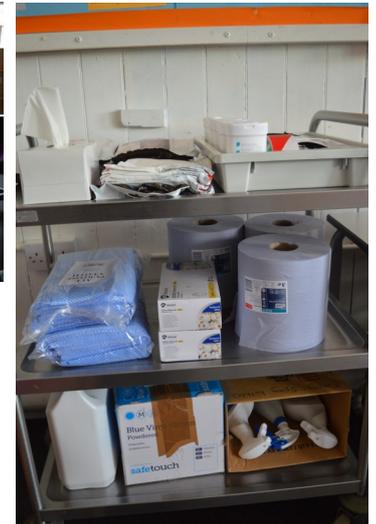

Focus on some of the positives, remind them about seeing their classmates, their favourite subjects, etc. Make them excited about going back!

Keep active! Make sure you're encouraging your child to remain active as much as possible throughout the day! Modern technology has encouraged children to spend many hours sedentary, break this up by moving regularly!

Allow lots of extra time in the morning of your child's first day back. Rushes often create chaos and add to the uncertainty, aim to get to school at least 15 minutes early so you can remain calm and collected

These points could provide some relief to primary school children who are struggling emotionally. Obviously, each person will vary and there is no single solution that will remedy the problem; however, these ideas could be a good start and allow some momentum to build.

Our Parents Information Leaflet can be found on the school newsletter https://www.wherelernersgrow.co.uk/sites/default/files/attachments/parent_booklet_phased_reopening.pdf

Y6 Leavers Hoodies

As in previous years our school uniform providers, M.C Sports, are able to offer some specially designed Y6 leavers' hoodies.

The hoodie will have the school logo on the front with the words **Sutton CP Leavers**, the year

2020 and every Y6 child's name on the back.

The hoodies are available in black and in sizes;

7/8 years / 9/11 years / extra small adult / small adult / medium adult

They can be ordered and purchased via ParentPay at a cost of £11.00 each; our 'Family Fundraisers Group kindly subsidising the remaining cost.

If you would like to purchase one for your child, please make payment via ParentPay by Friday 19th June at the latest - please indicate the size required in the

Sutton Playgroup

Our friends at Sutton Playgroup—in the Baptist Church have asked that our parents **DO** Not use the church car park when dropping off and picking up their children from our school. Please respect their request.

Sutton CP's Race for Life Home Challenge

Thank you to everyone who has taken part in our Race for life home challenge. We thoroughly enjoyed looking at the photos and videos that you sent to us. We were very impressed with your creative activities.

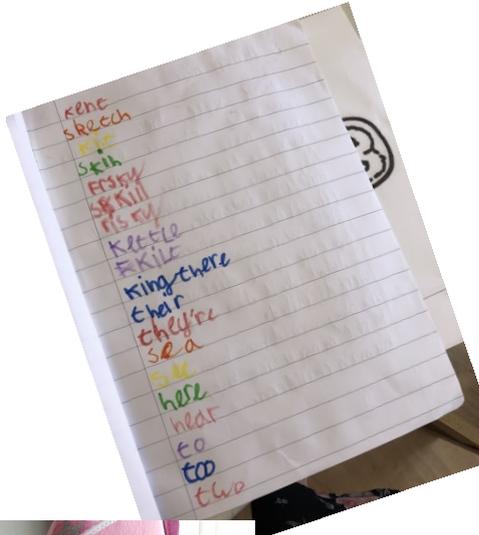

Thank you to everyone who donated to our just giving page, because of you we have raised a fabulous

£855.00

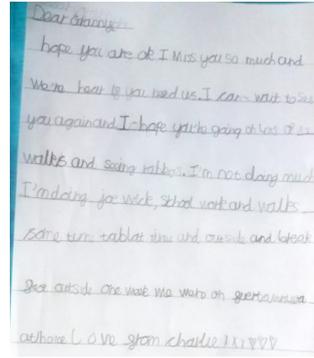

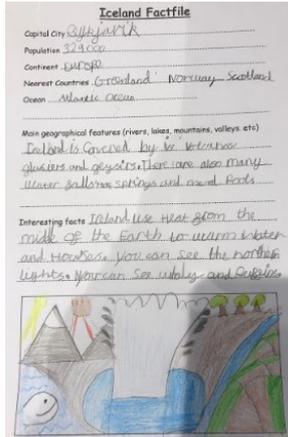

EARLY YEARS AND KEY STAGE 1

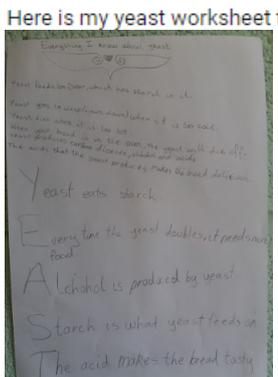

What a busy week in Early Years and Key Stage 1. In Early Years we have been learning all about Super worm this week and have been doing all sorts of activities from making wormeries to writing a wanted poster for the Wizard Lizard. As usual our children have stepped up to all the challenges and have wowed us with all their learning. It would seem that all the children in KS1 are just as busy in their Google classrooms, I have seen walks to the woods, bike rides, reading along with the teacher, launching rockets, finding frogs, fantastic phonics, super maths work and lots more that I have not enough time to mention. What ever you have been up to this week. A big well done from us! Have a happy weekend.

What a fantastic week of learning!

Here is just a snippet of some of the things that have been posted in the classrooms from Years 3-6!

Today I have done reading and maths.
 Last week in the holidays I baked Miss Ibbotson's marshmallow crispy squares. 😊

PS The bread tasted awesome!

I had a Brownie challenge to paint some positive rocks

Harry
2 Jun

On Sunday me and my dad finished our 100k in May challenge, we actually finished it on 101k 😊

Harrison 3 Jun
 Nice one Harry I bet you was really tired at the end.

Matthew
1 Jun

Over the holidays I built a chess and draughts set out of lego (with instructions). Here are some pictures of it:

Simeon

 An echo?

How to access Google Classroom at home.

1. Open a web browser and go to www.google.co.uk.
2. In the top right hand corner of the screen you will see a link to Gmail. Click it.
3. Log in here to your school Gmail account.
4. Once you have logged in and you are in your inbox you will notice the Google Apps link in the top right hand corner of the browser. This is the 9 dot logo that you use in school to access Google Classroom. Click on here and the link to Google classroom should appear.
5. Click on the Google classroom link. You should now see your year group's classroom. Click on it to enter.

You must be logged into your school email account for google classroom to work.

Class photographs 2020

adventurephotography.co.uk/orderonline

As is usual at this time of year, our photographer who specializes in school pictures, has 'created' whole class photographs of our children available to purchase on-line - a slightly different format this year due to them being unable to visit school in person. These are available to order directly through the Adventure website, using the login details below:

SOUTH CRAVEN Covid-19 Community Support

01535 872 146
support@gicac.org.uk 9 am - 5.30 pm Mon - Fri

We can help with shopping and prescriptions, offer local advice and information, and provide access to emergency food parcels. We are a local agent for the North Yorkshire Local Assistance Fund, accessing emergency payment vouchers for food and utility top-ups.

Run by Glusburn Institute, working on behalf of NYCC.
Covering Glusburn, Cross Hills, Cowling, Sutton-in-Craven, Lothersdale, Cononley, Carleton, Farnhill and Kildwick.

NYCC Support 01609 780 780 8 am - 5.30 pm 7 days a week

New Online Course - Effective Communication Skills

Would you like to learn communication techniques to help you improve your relationships at work and home?

Why not join our FREE course?

This will help you:

- Develop your listening skills
- Enhance your professional and personal relationships
- Improve your employment prospects

You will have access to your teacher on a weekly basis through Skype, email and Google Classroom as well as the opportunity to contribute to group discussions across the County. You will be given tasks to complete at each session and instructions and online demonstrations will be provided.

Book now to reserve your place.

Starting 22nd June every Monday for 3 weeks 10:30 - 13:30

To enrol and for more information, please call us Monday to Thursday 08:30 - 17:00
Friday 08:30 - 16:30 on: 01609 532536 or email: north.adultlearning@northyorks.gov.uk

Starting out in Early Years - online learning

Would you like to work in Early Years or improve your understanding of how your child learns?

Starts 8th June - 6th July 1pm - 3pm

This FREE 5 week non-accredited course will introduce you to Early Years Foundation Learning - helping you to develop your understanding of the early years curriculum and the stages of child development.

Delivered online, via Skype, by one of our fully qualified and highly experienced teachers, it will cover the following topics:

- What is the Early Years Foundation Stage?
- Child development - what do you know and understand?
- Understanding observation and how it links to child development.
- Why we have legislation and how it fits in to early years.

For more information or to book a place please phone 01609 533605

Your call is very important to us but please only ring during the morning as if not answered please do leave a voicemail with your name and number or send us a text and we will return your call as soon as possible.
or email: south.adultlearning@northyorks.gov.uk

Mental Health Awareness - Supporting Adults

Would you like to learn how to support adults with mental health difficulties?

Why not join our FREE ONLINE course?
