

'Reading is dreaming with your eyes open'
'Books are uniquely portable pieces of magic'! Y6

On Thursday 5th March, our school was filled with some very strange people indeed! What a wonderful range of 'characters' we had for World Book Day 2020! Harry Potter, Horrid Henry, Dr Who, Gangsta Granny, The Cat in the Hat and the BFG were all in attendance, along with many princesses, superheroes and a whole menagerie of characters from our pupils' favourite books. Even Mrs Beetles had been replaced with a wise old rabbit (complete with mushroom handbag) from Year 3's class novel, Podkin One Ear! After an enthusiastic assembly, each class enjoyed a range of book related activities and shared reading. It was a joy to see so many children finding pleasure in reading a good book!

Well done to the two winners of the 'I read in bizarre places' photo competition.

Vinny (YR) caught up with the Avengers, who listened to him reading his book. It was a bizarre situation Vinny found himself in, what with a full on battle going on around him, but the Avengers knew the importance of reading a little bit each day, so couldn't resist listening to Vinny read one of his books!! His family managed to take a photo without getting caught in any cross fires!!!

Stan (Y4) took time out from an American football game to do a spot of reading. Sitting in the middle of the pitch, Stan was completely engrossed in his reading and was oblivious to the action going on around him.

The winners both received a £10 gift voucher. Thank you to all who took part; we had some brilliant photographs from reading in the shovel of a digger, to reading mid-bounce on a trampoline.

Coronavirus

We are keeping up to date with regular information being sent to all schools from the Department of health and the Department for Education. We will continue to act on their advice and will continue to monitor the situation as it develops over the coming weeks. Please reinforce with your child the importance of regular hand washing with soap and water—please practise this at home with your child.

Other current guidance includes not touching your own face and using tissues or the crook of your arms when sneezing or coughing. Please do **not** send your child into school with antibacterial wipes or gels.

You may also find the information below useful:

Where to find the latest information

<https://www.gov.uk/coronavirus>

Department for Education Coronavirus helpline

On Monday a new helpline was launched to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Monday to Friday)

Where to go when your child asks you questions

The best information for children we have found is the BBC Newsround site

www.bbc.co.uk/newsround/51204456

This link takes you to the Newsround Page about Coronavirus; if you scroll down, there are some good videos to watch with your child which are very child friendly and accessible. It will also help you to answer your child's questions like; what is a pandemic? what is self isolation? things the children might have heard going around. Your child will be reassured by familiar doctors from CBBC talking about Corona and have many of their questions answered.

Statutory Assessment Drop in Sessions for Parents

Y4—Come along to the Y4 Classroom on Monday 16th March between 3.30 and 4.30 and Miss Robinson explain the new **Y4 National Multiplication Check** which will be taking place week beginning 8th June 2020

Y2—Miss Bell will be delivering a **Y2 SATS** preparation session on Wednesday 18th March at 5.30 in the Y2 Classroom.

These sessions are aimed at parents but you can bring your child along too.

Pupil Progress Meetings for Parents

We are looking forward to meeting with you next week to discuss your child's progress in school. If you haven't yet made an appointment request additional appointment letters are on the school website.

Careers Days

Monday 23rd March - Wednesday 25th March

Last year we had a really successful careers day so this year we have decided to extend it to run over three days. The aim is that our children begin to realise more of the options that are available after leaving school.

Calling all families - we need your skills!

Would you have time to come into school and share with a class (or two) what you do for a job? We are having a 'careers week' next half term and would like to invite as many parents as possible to join us to share with the children information about their jobs.

If you think that this is something you would like to be involved with and you have any time on Monday, Tuesday or Wednesday of the week beginning 23rd March, please let me know by emailing me on j.fletcher@suttoncp.uk. It can be any amount of time from 45 minutes to a whole morning or afternoon. If you know of anyone else who may want to get involved, that would be lovely too - the more the merrier!
