

## Y6 Residential to Bewerley Park

Just a quick message to say a massive thank you to all the staff at school and support staff at Bewerley Park. Our daughter has had an amazing time and we have loved hearing all the stories of the activities they have done this week. She has come back a little more confident, and increased self belief that she can overcome any fears thrown her way.

Hearing that pupils have helped and supported each other, when they needed it, is such a lovely thing to know. It must have brought them all a little closer as friends.

We are so glad that she went on the trip and she has made memories to last her for years to come.  
Kind regards Y6 Parent

## Journey by Aaron Becker

### Please buy this book!

In every class this half term we are using this wonderful book to stimulate discussion, wonder and learning. The winner of the prestigious Caldecott Honor, and described by the New York Times as 'a masterwork', Aaron Becker's stunning, wordless picture book debut about self-determination and unexpected friendship follows a little girl who draws a magic door on her bedroom wall. Through it she escapes into a world where wonder, adventure and danger abound. Red marker pen in hand, she creates a boat, a balloon and a flying carpet which carry her on a spectacular journey ... who knows where? When she is

captured by a sinister emperor, only an act of tremendous courage and kindness can set her free. Can it also guide her home and to happiness? In this exquisitely illustrated book, an ordinary child is launched on an extraordinary, magical journey towards her greatest and most rewarding adventure of all...

Please consider buying a copy for home to share with your child for bedtime reading, for its wonderful artwork, or to share with your child the learning in class.

## Christmas is coming (Oh yes it is!)

We have a packed schedule of lovely Christmas events coming up—see our website calendar for details

### Christmas Lunch Friday 13 December

If you have already pre ordered a hot meal on this day please note that menu will be changed to traditional Christmas Lunch -if you don't require this meal, please remove your pre order..

Every child is welcome to join our Traditional Christmas Lunch. This needs to be ordered through your child's Dolce (Live Kitchen account) account.

### YR Nativity

The date of the YR Nativity for families has been changed.

It will now take place on 10th and 11th December at 2pm.

Ticket details will be sent home nearer the time.

The reason for the change is because the Baptist Church will be used as a polling station for the General Election on the original date.

## Winter Weather

We make every attempt to keep school open during severe weather, however as a school we need to be prepared. Our priority is the health and safety of both staff and pupils. If and when severe weather arrives, it could cause disruption on the roads. The staff who have long journeys may be unable to get to school. In the event of severe weather, a decision will be made by 7.45 am whether the school will open.

Please visit the noticeboard on the front page of our website of what to do in the case of severe weather.—you may find it useful to print a copy to keep.

## Remembrance Service

Our school community will be attending an Act of Remembrance at 11.00am with other local schools in the park on Monday 11th November. You would be very welcome to join us.

Please help your child understand the significance of this event to our British History over this National Remembrance Weekend.

Exciting news from county level cross country running!  
This Tuesday, 5th November, Elliott and Lydia represented our school at North Yorkshire Cross Country Final at Dalby Forest. Our two brave and talented runners were competing against 70 top runners from all around North Yorkshire in their age group and over 600 children took part in total. Despite a soggy and muddy day the competition was fierce and everyone had to dig deep to perform their best. It was **Elliott's** first experience to compete at such a high level and unknown route and he came in a very respectable 24th place, which is amazing! And **Lydia**, totally fabulously, **WON** 1st place in her age group - wowzers! And even though she makes it look so easy, I know that it is through lots of hard work, practice, determination and willpower that she is achieving such fantastic results - she totally deserves it! Our school family is super super proud of you both and will continue to wish you great success with cross country running. Amazing!

Mrs Howes

### Keighley RUFC Open Morning.

On the back of England Rugby Team's fantastic success in the World Cup in Japan, Keighley RUFC is hosting a primary school years 3-6 OPEN TRAINING MORNING on Sunday 10th November at 10 am. It's a wonderful opportunity for boys and girls in Y3-6 to come along and try playing the exciting game of rugby. As a club we fully endorse the core principles of rugby; teamwork, respect, enjoyment, discipline and sportsmanship. The training sessions are structured with a player centred approach, and the fixtures are all friendlies thus reducing the "win at all costs" approach. It is simply an amazing team sport and so much fun!

So if your child would love to try rugby, then just turn up on Sunday and join in!

For any details please feel free to contact us or by checking our website [www.pitchero.com/clubs/keighleyrugbyunionclub](http://www.pitchero.com/clubs/keighleyrugbyunionclub)

### HARVEST COLLECTION 2019

St Thomas's Church 150th Anniversary  
Just to let you know we made it to 230 shoe boxes in the appeal at St Thomas', thanks again for your amazing support!  
From St Thomas's Church Family

## YR Stay and Play Sessions

We are delighted to inform you that, we will be opening up the classroom on a weekly basis for 'stay and play' sessions which is open to any relatives of our reception children. It will be taking place on Thursday mornings between 9-9.20am for 4 weeks, starting Thursday 7th November. If you would like to join us for 'stay and play', please drop your child off as usual at the Reception class entrance and then sign in at the school office where you will be collected and brought to the classroom. Our aim for the 'stay and play' session is to develop children's communication and language skills with modelled language from adults and for you to enjoy learning alongside them in our wonderful EYFS environment.

'Stay and play' is an excellent opportunity for us to build strong relationships between home and school and for children to see those relationships in action. It also allows the children to work on projects over time in different areas of the classroom, allowing them to make and carry out plans which are excellent skills.

We work outside whatever the weather; the outdoor area will be open for these sessions so you may wish to bring your waterproofs and wellies to work outdoors with your child. For insurance purposes, I am afraid that we are unable to accommodate younger siblings at these sessions.

If you have any questions about 'stay and play' or anything else, please speak to any member of the team or make an appointment.

Our last 'stay and play' session this year will be on Thursday 28th November.

Many thanks The Early Years Team

## Concerns from Sutton Resident Please see below email sent to school...

As I drove home along Sutton Lane last night I saw a child on a bike on Sutton Lane, dressed all in dark clothes with no lights or bike helmet on and pulling wheelies along his way. It was just after 7pm. Probably top end of primary/lower end of secondary school age. I appreciate it may not be one of your students but I felt it might be worth contacting local schools and asking if you can remind children about being safe and being seen (I'm sure that with the clocks about to change you've already been doing this). I love seeing children out being active, I'm a keen cyclist myself, but what I saw last night could so easily be the unthinkable waiting to happen, especially on Sutton Lane which is notoriously dark with some folks driving like idiots. It was so hard to see this lad.

## Keeping your child safe online

Show children how to use the internet because it is a fantastic resource. Help them not to be afraid of it but meet the challenges of an increasingly interconnected world. We have recently updated a range of information for parents about how you can support your child to use the internet safely.

Please go to  
[Safeguarding your children online](#)
