

Our school is a place 'where learners grow.'

A kind community where the **worth of everyone** is **nurtured and celebrated**.

We are rooted in a love of learning and building the confidence and courage to be ourselves.

Together we flourish to be the best that we can be.

Sutton CP Vision Statement

Dear Families

Happy Friday—another week has whizzed by. Today as I write the sun is out and the air is warm. The sound of happy chatter is coming through the open windows from the playground. Our school is a fine place to be and we've had a productive week.

The next in our series of assemblies centered on our school vision was led by Mrs. Fletcher. Caring for each other is important to us all in our school family and we have certainly had to demonstrate this care over recent months haven't we? Helping children understand the concept of nurture; that by caring we help someone to grow

and flourish is a little more complex. So we speak to our children of using kind words and encouragement and of building each other up by our actions rather than knocking them down with words and deeds.

I've seen this translated in the playground this week by two of our newly appointed playground buddies. Rhys in Y6 was seen quietly and patiently coaching much younger children in the rules of a game whilst Daniel in Y4 was seen gently comforting and encouraging a friend who was upset. I think these are simple and humble acts which come from the responsibility of their role and a genuine desire to 'do the right thing.' Both illustrate our vision in action and they make us all proud. You can read more about the work of our playground buddies in our second 'spotlight' article later in this newsletter.

The first of our Wellbeing Days has taken place this week. There are six planned across the year, each with a different theme led by Miss Day, our Mental Wellbeing Champion. Across the school children and staff immersed themselves in activities which made them happy. We had music, art and lots of yoga!

Today we are pleased to launch our Harvest Appeal for 21/22. You can find more details further in the newsletter. It's always quite difficult to decide which worthy cause we support through our planned giving each year. There's a history of this giving on the front page of our website where you will find our proud tradition going back nearly ten years. I hope that you approve of our chosen charity this year and also they reason behind our choice. I am sure that the children will love it!

We are pleased to have opened booking for Extra Curricular Clubs. It seems like such a long time since we have been able to do this. There are details on the next page of this newsletter and booking is via the Activities section on the school website. After Christmas we should be able to extend the range of clubs offered when the school hall is back in use following building work which is due to start in the next couple of weeks.

I hope the weather holds fair over the weekend and that you can enjoy some time outside.
Mrs. B

Autumn term Extra Curricular Clubs

We are pleased to offer a selection of After School Extra Curricular Clubs. Unfortunately, due to ongoing building works we are not able to offer after school clubs in the hall this term. We have, however, some different clubs that will take place in classrooms.

Monday - Year 5 and 6 Singing Club with Mr. Beetles and Miss Day, 7 sessions starting Monday 18th October, in the Y6 classroom.

Monday - Year 3 and 4 Craft and Sewing club with a Christmas theme, 6 sessions starting Monday 1st November in the Y4 classroom.

Thursday - Year 3 and 4 Performing arts club with Miss Day, singing, drama and story telling, 7 sessions starting Thursday 21st October in the Y4 classroom.

Thursday - Year 5 and 6 Science Champions club, with Miss Bell and Mrs. Fletcher, science activities to lead to Crest Superstar award, 8 sessions starting Thursday 14th October in the Y2 classroom.

Sessions are £5.50 each with the exception of the Science champions club for which there is no charge as it has been subsidised by the Craven Partnership through the Ogden Trust.

We are keen for our **Pupil Premium** children to be able to access after school clubs so are offering them a voucher each term which will enable them to access a club without charge. If school receives Pupil Premium for your child and you would like to obtain a voucher please contact the office to request one.

Clubs will now be available to book through the **Activities** section of the school website. Places are offered on a first come first served basis and should be booked and paid for as a whole block of sessions.

Cross Country Fun

On 29th September 41 children from our school turned up to a cross country running tournament. Y3/4 pupils had to run 1200 m and Y5/6 1800 m! This is a very, very long distance indeed. It took bravery and resilience to accept this individual challenge and I am totally in awe of each and every child who turned up, had smiles on their faces and ran their personal best run! Not only that, but they were all fully supportive of each other as well. With 30+ starters in each race we still managed to achieve lots of top 15 finishes and even had two 4th place performances. And all that in super windy and rainy conditions. I am very proud of ALL OF YOU and you thoroughly deserve to be extra proud of yourselves too.

Mrs Howes.

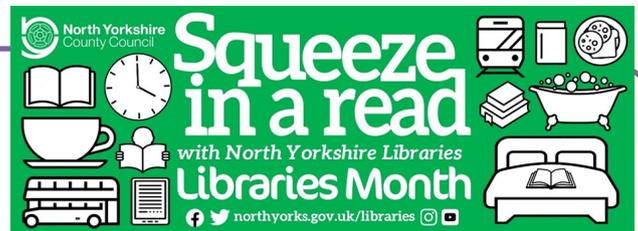

We need School Councillors!

This year we are going to elect a School Council that will meet regularly to discuss things we can improve at school.

We need school councillors who are able to listen to their class, share ideas in a meeting and think of solutions. A school councillor needs to be willing to work hard to make things happen in school and to have a desire to improve school for everyone.

If you think you would like to be on the school council please ask a member of your class to nominate you.

Each class will then vote to choose the councillors that will represent them this year.

Squeeze in a read this October

This October is Libraries Month and the theme for North Yorkshire is 'Squeeze in a read'. Children and adults are invited to join in by finding 10 minutes to read each day throughout the month.

You can read any book that you like and we'd love children to share book reviews of their favourite books as well as photographs or drawings showing an unusual place to read. Libraries will be running a Buzzy Bee 'Squeeze in a read' competition all month as well as having attractive displays of new books.

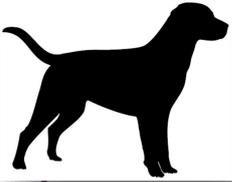

There is also a fantastic programme of events and activities taking place in libraries this October - just ask at your local branch for details.

Joining the library is quick, easy and free. Your library card can help you to access free books, computers and online resources such as free comics, ebooks, audiobooks and more.

Harvest Appeal 2021

This year our Harvest Appeal will be in memory of Bonny The Dog, furry friend to our school over a number of years.

Bonny was a trained therapy dog. The charity 'Pets as Therapy' relies on donations to continue its important work in schools, hospitals and care homes.

Many of our school families have grown throughout the pandemic to include a family pet. Our pets have brought us comfort and joy during difficult times and provided us with cuddles when we couldn't get out to see our friends and families.

Virtual Pet Show 2021

Spotlight on : The Playground Buddies Group with Mrs. Dwyer

Welcome to the Buddy group. We are a team of children from across the school, who work alongside Mrs. Dwyer .

Buddies want to make sure that everyone has a friend to play with and that lunchtime break is a lot of fun. They organize games, activities, art , music and performances. Buddies organise games for children to enjoy at play-times on the front playground at lunchtime for young children .This helps children to have a happy and busy playtime and also helps them to make new friends along the way .

Buddies ensure that there is equipment, toys and games out on the playground for everyone to enjoy. They also collect it in and store it away at the end of playtime. Breaks are better because of Buddies!

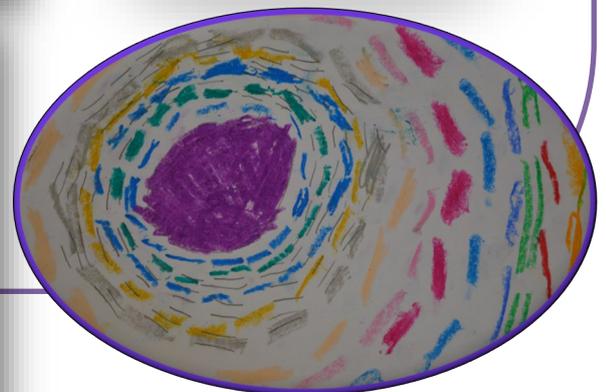

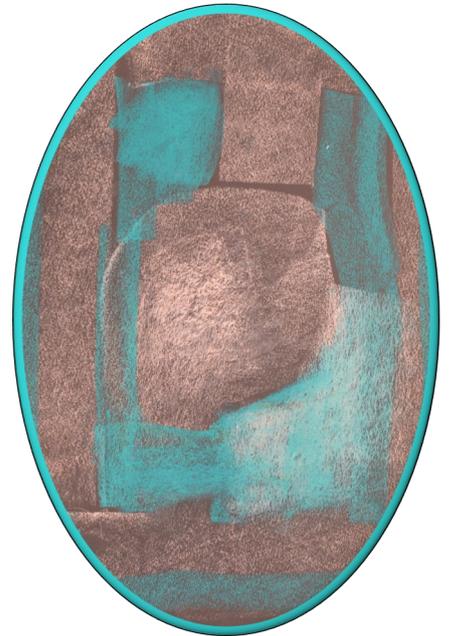

We have planned six wellbeing days across the year and the first took place this week.

These days are a good opportunity to bring awareness of the importance of mental wellbeing into our school. The days are full of calmness and creativity. Each Wellbeing Day is connected to a different theme and children take part in a variety of activities. From art and nature

walks to yoga and mindful meditation, we spend the day doing things that make us feel good, promoting positive wellbeing for children and staff alike.
