

Dear Families,

School has felt a happier place this week. With the return of Y1, Y4 and staff who have been isolating, the familiar 'buzz' of a happy school has returned. As difficult as these times are it is so lovely to see the enthusiasm for school from children and staff. They have all returned fit and well; for this we are thankful. We do have a number of children still isolating at home due to being in contact with covid out of school.

School continues regardless! One day we will look back at this and then, I hope we will be thankful for the many small things which have helped us get through these times. The privilege of working with happy children and staff will certainly feature in my list. (It also helps when the sun shines!)

This week I am enjoying reading each child's report; hearing about children's successes and their next steps is always rewarding. Thanks to our teachers for all their hard work writing the reports. Class based 'sports days' are underway. YR have had great fun as you can see from the photos above.

We have a number of events scheduled for the last few weeks of term. With the planned lifting of COVID restrictions on 19 July we find ourselves once again waiting for school specific guidance from the government. Our COVID group of governors will be meeting next week and will consider implications for events such as our KS2 Pinnacle Walk and Y6 leavers events. Whilst these events will go ahead, it currently looks unlikely that parents will be able to attend.

Not to be deterred, Y6 are currently finalizing their leavers' production. Entitled, 'Wow, what a year' I haven't seen it yet but the blurb says, 'Where to start? Home-schooling, empty supermarket shelves, social-distancing, bubbles, tiers, facemasks, not being able to hug our grandparents...these have been extraordinary and challenging times! But through it all, heroes have emerged and with a strength of spirit, hope in our hearts and a sense of humour, we are coming out the other side. So, what better way to commemorate our place in history than with a bloomin' good sing-song! Sounds like a treat not to be missed.

The production is currently being turned into a film with a planned online premiere on Thursday 22 July. The school will watch it (in their bubbles) during the day and it will be uploaded for parents and families to enjoy later in the day. More details will follow.

As a one year ends we are already looking forwards to a new one. Next week your child will spend some time with their new teacher for September; there is information further on in the newsletter about staffing arrangements for 2021/22.

Have a lovely weekend whether you watch the football or not. We'll all be here bright and early on Monday morning to celebrate or commiserate. Come on England!

To the parents of children using Reading scheme books - Big Cat Collins and Rocket Phonics

We have been delighted with the successful introduction of our new reading scheme this year and have seen it really helping children learn to read. We want to do a stock take in the last week of term to check we have all the books we bought last summer.

Please can you return all reading books to school before or on Friday 16th July. If you think you have any that may be at home, please have a good look for them and send them in, even if this is past the deadline. It is so important that we have these precious resources for future children to use.

We have some books from our old scheme that we no longer need in school so we plan to send these home for children to read in the last week of school and through the summer holidays. These will have a sticker on them saying, "No need to return this book". If your child brings books home with this sticker on they do not need returning to school. You can keep these or pass them on to someone else.

Many thanks for the time you spend reading with your children at home, it makes such a difference.

Local Statistics

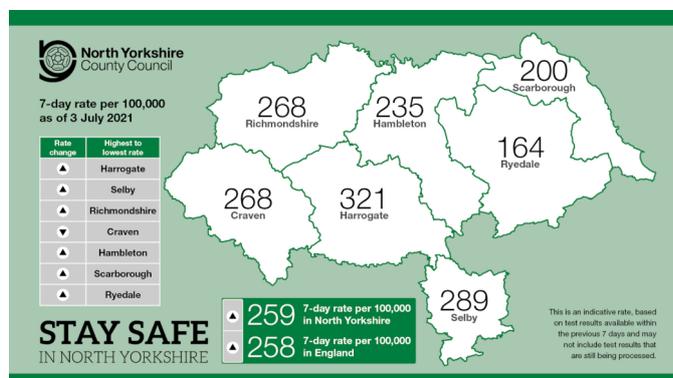

As at 4pm (6th July) the infection rate figures were as follows,

- Craven 3267 (increase of 146)
- Pendle - 11368 (+353)
- Bradford - 55675 (+ 1654)
- Harrogate - 8963 (+591)

All areas showing an increase in the rate of infection with the exception of Pendle.

Last seven days.

- 39 new cases reported in Sutton and Crosshills in the last seven days.
- Third highest district figures in North Yorkshire.
- 4 patients currently in AGH with COVID.

Face Masks

- Staff and visitors continue to wear face masks in communal areas of school.
- Staff are not expected to wear face masks in their own classrooms when teaching.

We encourage you to wear a face mask when dropping off and picking up your child however we recognize that current guidance does not insist on this. If you chose not to wear a mask at this time please ensure that you are observing social distancing by staying 2m apart from other adults.

Increase in COVID rates

With the local rate of COVID cases **increasing** we want to remind parents to be aware of the symptoms and not to send their children into school if they exhibit any of these symptoms:

- A high temperature - this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- New, continuous cough - this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- Loss or change to your sense of smell or taste - this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child has any of the main symptoms of COVID-19:

- Get a PCR test (test that is sent to a lab) to check if they have COVID-19 as soon as possible.
- You and anyone you live with should stay at home and not have visitors until you get your test result - your child should only leave your home to have a test.
- Anyone in your childcare or support bubble should also stay at home if your child has been in close contact with them since their symptoms started or during the 48 hours before they started.

Please note: A negative Lateral Flow test is **not** sufficient to rule out COVID if you have symptoms. They should only be used for asymptomatic testing when you have no symptoms.

NYCC Social Platform Notice:

Parents of children in North Yorkshire schools often use social networking sites such as Facebook to post to their friends. Sometimes parents have used these sites to criticise or make inappropriate comments about schools or even individual teachers. Making defamatory comments on the internet has exactly the same serious legal consequences as if they are made directly to someone else. Legal action could be taken against the person who has made the online comment. Similarly threats of violence can lead to criminal proceedings under the Malicious Communications Act 1988.

If you have any concerns about anything which happens in school please speak to your child's class teacher or the Headteacher who will do their best to resolve things. If you are still unhappy we have a complaints procedure which will ensure that your concerns are investigated thoroughly and appropriate action taken.'

Code of Conduct for Visitors to School Site.

'We, the Governing Body strongly believe that our school should be a welcoming and safe place for our children, staff, parents and visitors alike and that our parents share that belief. We have legal responsibilities for the safeguarding and wellbeing of children and staff, and a duty of care to all users of our school.

All adults who enter our school site at any time set examples of behaviour and conduct which influence children and young people and we believe that they should therefore demonstrate high standards of conduct in order to encourage our pupils to do the same. Parents and Carers must show respect to all other parents and carers, children and staff.

Adults who do not behave in an acceptable manner may be asked to leave the site and the Headteacher has the right to further restrict their access. The process for restriction of access in relation to parents and carers who have reason to come on to the school site is set out in our Access Restriction Procedure.

Behaviour which is regarded as unacceptable includes:

- Physical abuse, threatening, oppressive or aggressive behaviour or use of offensive language towards other adults, staff or children
- Entering the school site under the influence of alcohol or drugs
- Smoking anywhere on the school site
- Bringing dogs, with the exception of Assistance Dogs, on to the school site without the explicit permission of the Headteacher

School-related issues which parents or carers have concerning school, pupils or their families must be brought to the attention of a member of staff. Parents or carers must not try to resolve any issues themselves by direct action. If issues cannot be successfully resolved by speaking to a staff member, parents' and carers' correct course of action is to use our Complaints Procedure as appropriate.

We expect all communication between parents and school to be conducted in a polite and respectful manner. Communication may be similarly restricted if it becomes unacceptable. Thank you for your cooperation.

SPEECH & LANGUAGE THERAPY

Drop In Service

Our Speech and Language Therapy Drop-In Service is still running – just not as usual at the moment

If your child is UNDER 6 years of age and you have any concerns about their speech and language skills we are able to offer a telephone consultation with a Speech and Language Therapist.

You will be able to discuss your concerns with the Therapist, who can then provide advice to support your child's speech and/or language development.

To arrange an appointment, please telephone our admin team on:

01535 292821

Advice and information about how you can support your child's speech and language development can be found on the following links:

Go Green with the Summer Reading Challenge 2021!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Wild World Heroes and is all about nature and looking after the planet.

The challenge is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Wild World Heroes medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from July until Sat 11th Sept. There will also be a fantastic programme of online activities to go with the challenge – whilst there will be some pre-recorded activities available on the @nycclibraries Facebook page, many of the activities will require bookings to be made via eventbrite (see attached flyer)

South Craven Community Library is at present open: Mon 2-4, Weds 10-12, Fri 4-6 and Sat 10-12 but may increase opening hours during the summer.

MEET JACK

Meet Jack, he goes to a school just like yours, he has teachers just like yours and he learns the same things as you.

I feel cross but I don't know why

I wish I'd said something

I feel overwhelmed with emotion

Join Jack as he faces the challenges of his week in an interactive theatre performance by Falling Stars Theatre in collaboration with Mind Matters For Education.

The PERFORMANCE will focus on a boy who struggles to communicate his feelings and leads him to become anxious and withdrawn.

There will be a post performance emotion workout to identify, talk about and consider how to manage emotions.
