

## Report feedback from parents 1415

We are really proud of H and can see he has made great progress since joining the school. We also recognise the combined efforts of all school staff in supporting H to achieve his full potential. It's been a great school year and we look forward to seeing you in September.

Thank you so much for E's reports. All the staff that have taught E over the years have contributed enormously to making her the happy, confident ready to learn and pleasant young lady she is today. Thank you Miss D for making her final primary year so wonderful

Proud mum moment!

Thank you for a very praising report. We are so proud of G's achievements and so happy he has been a credit to the school. Thank you for all you have done to teach G. We are so proud of him

G could not have had a better primary education and we can't thank you enough. Thank you too for this fabulous report.

I am happy with O's report. I think it is a true representation of his year. Thank you.

I was extremely pleased with L's report. We feel so proud of all she has achieved at Sutton CP and we know she will miss it very much. Thank you!

We are so proud of J's achievements at Sutton CP School and outside school. It's the very best start in education that he could have had. Thank you.

Another fantastic year for J both in and out of school. We're very proud of how rounded he is and look forward to another happy year at Sutton CP.

So very pleased with E and her report.

We are extremely pleased and proud of C and all that he has achieved. An excellent report.

An excellent report to end the year and the end of J's time at Sutton CP.

I would like to thank all the teachers for encouraging and empowering C to achieve her potential. Her time @ Sutton CP has been a fun and enjoyable journey of learning. I have no doubt that I made the right choice seven years ago in choosing this school. However a massive thank you must go to Miss Dunkley – your teaching skills this year have helped C to exceed expectations academically and also encouraged and boosted her confidence. You are truly brilliant! As a family we are so proud of C.

What a fantastic report! By myself and my husband are very proud of J and hope he continues the good work into Y5.

We are very proud of I's hard work and great progress this year – a super report.

J worked hard this year to improve in all subjects and he will continue to improve by extra tasks in both reading and writing so he gains the next levels very soon.

I am really pleased with L's report and how hard she's worked. I'm very proud of her

A has been very happy at school this year and loves being involved in all aspects of school life. We are so pleased with her progress in maths but have some concerns with her writing. We are so proud of the positive comments you have made about A – we are proud of the young lady she is becoming. Thank you for all you do.

Well done F so proud of you and your achievements, maybe need some more attention to your maths work? I felt proud when we watched you in your play. Well done sweeties, love mummy

We are happy with S's progress and would like both his school and ourselves to help with his development and address and improve his weaknesses. Thank you

Thank you so much for a fabulous first year!

Super proud of S and how she has grown up and she has learnt so much in reception.

We're very proud of how J has settled this year and how hard he has worked on his speech.

We are very pleased with H's report and progress from first starting reception. H loves coming to school and is very excited about starting Y1. Thank you for all your help and support this year.

Thank you so much for all your hard work over the past year and for this enlightening and detailed report.

L has made amazing progress this year. We're very proud of him too! Many thanks to everyone who has helped him

A has had a fantastic first year at school. Thank you to everyone for making us as a family feel so welcome.

O loves school and has really enjoyed his year in reception. This is reflected in the amazing progress he has made during this first year. Well done O and also thank you to all the reception teaching staff. H is looking forward to Y1.ool report

Proud!

We are very proud of N's school report.

Well done everyone!

We were very proud of J's schoat school Very pleased with E this year! Hope she takes your comments on board about not worrying about small things.

We are very happy that B has settled so well and is progressing well. Thank you.

It is fantastic to read such a good school report, we are proud of E's achievements and commitment at school. She has loved Y2 and we all thank Miss Robinson and her team for the encouragement and support E has been given.

A has once again had a wonderful year in your school. Thank you very much.

I am very proud of H's progress this year.

I am pleased with E's progress this year and proud of his contributions to school life.

A great report! Well done, we know what needs to improve to get even better.

Great report! What a difference a year has made – very pleased!

What a lovely report. Well done and keep it up.

I'm glad to see J has made good progress this year. He knows what improvements he has to make and I'm confident he will make them in y6. He has enjoyed having Miss Baldwin but I surprised that he hasn't received learning hero certificate form her this year as he always tries hard and takes care with his work even when things get tricky. Equally he always does his homework and hands it in on time, there are plenty of reasons to be handed the certificate. J is looking forward to being in Y6 and I can't believe he is nearly there.

What a lovely school report, we're so pleased that Emily has made good progress in Y1. She has loved being in Y1 and equally loved having Mrs Newton. She is now looking forward to Y2. Thanks.

An excellent report – we are very proud of S's hard work and achievements!

O has really begun to enjoy school and is more enthusiastic about learning. Mrs Newton has been a fantastic teacher who has really helped to motivate and interest O. Thank you Mrs Newton for a lovely report and everything you have done for O this year.

A has come a long way in a short period of time, mainly thanks to Mrs N and her style (no nonsense but fair) We will take the summer thinking and reflecting on other people's feelings and continue to focus on areas of strength, his reading, as he enjoys it so.

Mrs Newton obviously knows P very well and her report reflects this. Well done P and trust yourself.

WE are both very pleased with K's progress in the past year and hope she continues to improve.

We're always happy with R and his attitude to push himself further and go the extra step in his leaning. We'll miss Miss B after two years and know R has grown under her guidance.

Thank you for all your hard work, he has made tremendous progress of=over the year.

We're really proud of H's achievements during Y3 and would like to thank everyone who has helped and supported her. Another enjoyable year for her at Sutton CP. Thank you!

We're very proud of AS's achievement this year.

Very proud of M this year. M has been a lot more settled in Mrs Whitehead's class and learning seems to be clicking into place. M does have trouble with maths but now she is on the right track I believe that in Y4 she will be working at age related expectation once more.

Well done B! What an excellent report again.

A lovely report. I just wanted to thank Miss Robinson and her Y2 crew (Miss Ibbotson and Mr Doey) for ensuring O had a fantastic year at school. She has enjoyed every second. She is making great progress and you have provided so many extra-curricular activities which O loves and thrives on. She is a bright, confident, happy little girl. Thanks for giving her a great year.

Super proud of K and how he has come on over the last year, thank you for all your support.

A fantastic report M. Mummy, Daddy, Granddad, Grandma and Aunty all has great pleasure in reading it! Mrs Newton was right you did have a tricky first half term with the transition from reception maybe because you were always in the outside area building something! So to start sitting at desks was a huge change. I can tell from then you have gone from strength to strength, the most involved we have had at home is with your reading and we can't believe some of the books and content you have been bringing home! With everything else Mummy and Daddy definitely underestimate your capabilities which is evident when we go to parent consultations. Any slight problems and I have approached Mrs Newton and the issue has been dealt with promptly and resolved which I really appreciate. I know M has really enjoyed some of the topics covered this year (especially the Titanic) and has come home with some amazing facts on various subjects. We are very proud of him and M being happy at school is our main priority, how well he is doing academically is a huge bonus! Thank you for your support Mrs Newton, your words mean a lot.

Really good end of year report. M seems to be doing really well. Some really good comments.

W has really enjoyed Y2. He particularly enjoys maths and science and this is apparent from his attainment this year. We are very proud of him! Thank you

We are extremely pleased and proud of W. An excellent report.

We are really proud of A's report and delighted to see how well he is progressing in science and maths. We are trying to keep him focussed more but I know he has a tendency to 'zone out' at times! He is really happy at school, thank you for all that you have done for him this year.

We are so proud of B's achievements this year. She has worked especially hard on improving her maths level and we are all really pleased with her SATs results. Thank you for all your support and encouragement that you have given B she has grown more confident and settled this year which I know you have contributed to!

Thank you very much for your comments which we are really appreciated. P has really enjoyed her year in your class and this is evident in her progress.

O appears to have enjoyed this year with Miss Robinson. The feedback appears constructive and gives us areas to work on in the future.
