

# Sutton in Craven Community Primary School

30th September 2019

Bewerley Park Residential Visit 21st to 25th October 2019

Further to the medical information you provided for your child, in order to enable us to support and care for your child during the Year 6 residential visit, please complete and return this form to the school office by no later than Monday 7th October.

It is important that your child brings with them sufficient necessary medication in an appropriate container with a clear pharmacy label showing:

- The name of the medication
- The name of the patient
- The dosage
- Specific directions for administration
- Precautions relating to the medication storage requirements
- The name of the dispensing pharmacist/GP
- The date of issue and the expiry date

If we currently hold the necessary medication(s) for your child in school, then you do not need to provide additional medication for the purpose of this visit. Medication will be kept in a safe place by a member of staff, however, with the exception of Epipens children must be able to self-administer.

Bewerley Park Residential Visit 21st to 25th October 2019

Medication Plan for.....

| Name of Medication | Specific directions for administration/dosage |
|--------------------|---|
| .....              | .....   |
| .....              | .....   |
| .....              | .....   |

If your child requires an inhaler and/or has a history of allergies/reactions, please tell us what triggers these occurrences

.....  
.....

- I confirm that the above information is correct.
- I confirm that we will not hold the Governors, Staff or Education Authorities responsible unless loss, damage or injury is occasioned as a result of their negligence.
- I confirm that my child will be able to self-administer the above medicine(s).
