

Dear Parents/Carers

6th November 2018

Year 2 & Year 4 trip to Dales Dairy in Grassington

A trip to Dales Dairy has been arranged on **Thursday 15th November** to support the teaching of the science curriculum for Years 2 and 4. Both classes are and have been studying animals and life processes. The trip will include a visit to the factory side of the business (pasteurization, bottling, etc.) as well as the farm and milking areas. It is hoped the visit will also help our children widen their experiences in line with one of the school development priorities, which is for children to explore life outside of Sutton.

The children will travel by coach to Grassington and each class will visit for a half day each; Y2 in the morning and Y4 in the afternoon. Lunch will be eaten in school as usual, either before the visit or on return. To enable this visit to go ahead, we will need to ask parents/carers for a voluntary contribution of **£4.00 per child** to cover transport and insurance costs. **Please make your payment via ParentPay by Tuesday 13th November.** No child will be excluded from the visit on the grounds of non-payment, however if insufficient contributions are received, then the trip may have to be cancelled. All educational visits are meticulously planned with full risk assessments and appropriate staffing levels in line with North Yorkshire guidance.

Please ensure your child wears full uniform with school shoes and has a warm coat as they will be outside at some point during the visit. They will also need wellies for visiting the farm and, because we are visiting a food production area, you will be asked to complete a short health questionnaire for your child.

Would you please complete the slip below to give permission for your child to take part in this visit.

Yours sincerely

D Horton

Mr Horton
