If you were attending these clubs before, please register again on the website booking system. When you come to the payment section click on the voucher option and you will not need to pay as you have already paid.

If you want to sign up for these even though you didn't attend before, please also use the website booking system. The charge for 3 week sessions will be 3 x £5.50 = £16.50.

**For more information about booking please see the school website [here](#).**

We anticipate being able to offer a much greater range of clubs after Easter once the building work is completed.

Kind regards
