**We are an aspirational place where learners grow.**  
**Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.**  
**Our children become responsible, determined and independent citizens.**

Good Evening everyone,

My first snow day as Headteacher. Not an easy decision to make but thank you to everyone for your understanding. I hope the children were able to enjoy the snow while it lasted, making some new childhood memories. The school has been in safe hands today thanks to Mr Barrick who created our Sutton CP Snow Patrol at school!

## Deodorants

Some of our older children are bringing deodorant to school as part of their own personal hygiene care. We request that these are roll-on, as unfortunately the fire sensors are sensitive to aerosols and we don't really want unnecessary fire evacuations as a result of sprays being used.

## Early Birds

We have been trialing a 7:30am start at Early Birds breakfast session since February half term. The initial response to our register of interest suggested that this was a viable option for school, however numbers have been low and are currently not covering staffing costs. We will continue with this session until Easter, however if numbers do not increase, we will have no option but to return to a 7:45am start. If you wish to book this extra early slot you can do so via the usual system on the website.

## **After school clubs**

**You can still book for the remaining 3 weeks of this half term.**

## Friday 17th March

It's going to be a busy one!

We are supporting this year's Comic Relief Day, as we are aiming to win £1,500 worth of LEGO bricks for our school as well as a virtual visit from author and Queen of the Jungle Giovanna Fletcher.

The children are invited to dress all in red on that day and make a donation via Parent Pay.

As ever, we welcome your support with this.

This same day is also our Mother's Day lunch. We have been overwhelmed with the response to this and unfortunately some parents have been disappointed as we have not been able to accommodate everyone that wanted to take part. We have 90+ guests on this day alongside the 140+ children who have requested a school lunch; children bringing packed lunches from home also need a space to eat. Our sincerest apologies to those who cannot attend and wanted to. This has definitely been a learning experience for me! Future events will take place over more than one day to accommodate more parents and avoid any further disappointment. We welcome your understanding on this occasion.

All those parents due to attend will be contacted directly, with arrangements for the day, including arrival times and health & safety details so that we can ensure that this is a successful event that all involved can enjoy. Look out for your email this week!

Wishing you all a safe and happy weekend.

Anna Riley  
Headteacher

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less
