**We are an aspirational place where learners grow.
Our school is kind and happy and we respect and celebrate the differences in ourselves,
our community and our world.
Our children become responsible, determined and independent citizens.**

Good Afternoon Everyone,

Finally we are beginning to see some brighter weather and this has made such a difference to how everyone is feeling. We hope that you are enjoying this in and evening and on the weekend too. With the lovely weather comes the sunshine so if children can bring sun hats or have sun cream applied before school this always helps in keeping their skin and eyes protected.

Staffing

It has definitely been a fortnight of babies here at Sutton CP.

Mr Stewart our caretaker and his partner have welcome the safe arrival of Charlie to their family. You may have noticed the relief staff on site whilst Mr Stewart is spending time with his family.

Miss Blackie who works in Reception and her partner have welcomed Aria in to the world. Her safe arrival has brought a lot of excitement to Reception.

I know that you will join us in congratulating these families at such a wonderful time.

School Uniform

PE kits are also school uniform and do not include football kits. Children should have a white t-shirt, school hoodie (purple), black sports trousers, black leggings or knee length shorts.

Please avoid branding wherever possible and no 'hot pant' shorts. Spare kit will be provided, if children are not in school agreed PE kit. Children with long hair should have this tied back on PE days.

Fathers' Day Lunches - Week Commencing 10th June

In a few weeks time it will be Father's Day and once again we are inviting those special men to join us for lunch. We have sent out all of the relevant information to parents/carers with full details of menu choices along with instructions on how to book and pay.

Airedale Chemicals Donation

Representatives from Airedale Group visited school this week to meet children and see how we had used their very kind donation of £500 from earlier in the year. The children talked about the books we had bought that focused on Science, Maths and under-represented groups. Look out for the story and pictures in the local

press. A big thank you to Airedale Group for supporting our children's reading.

Pennington's Motor Sports Visit

Lots of excitement this morning, when these two fantastic vehicles arrived at school. Another 'Science at work' event. It was such a privilege watching the children's amazement at these cars and then hear and feel the energy that comes from them when they are started. A massive thank you to Mr Pennington and his team for allowing us to take a close look at these cars. I think the adults were having as much fun as the children!

Playground Buddies

Some of our Year 4 children have taken on a new role this week as 'Playground Buddies' spending some time with our youngest children at lunchtime and helping them engage in games and activities outside. It has already been a huge success with the younger children loving the interaction with those they look up to across school.

Reception Class excitement

The chicks have arrived in all their wonderful fluffiness and the children are taking really good care of them. They also have the cocoons ready to burst into butterflies and be released outdoors over the next couple of weeks. Alongside all of this, the children are very busy preparing a plant sale! Please come along and support if you can.

Parent/Carer Support Group

About Us:

The Parent Support Group is an online support group, facilitated by NHS mental health practitioners. The group is a safe space for parents to get together, share their experiences and build positive relationships. A different subject is discussed each month and parents will receive useful information and strategies around the chosen monthly topic. For an invite, please email: mhstparentsupport@bdct.onmicrosoft.com

Next Parents Support Group details: Tuesday 21st May 2024
Topic: "Supporting your child: Anger & Frustration".
