We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

Our children become responsible, determined and independent citizens.

Welcome Back!

We hope that you have all had a lovely summer and are now back into the school routine. It has been wonderful to welcome all the children back, including some new faces around school and our first timers in Reception Class.

Some reminders and useful dates to get us started this year...

Website

Our website is due to be renewed this year but we have updated most sections on the current website for you to use. Most information about school can be found there. The website can be accessed via this [link](#).

Tuesday—Racquet Sports (KS1, Y3 & Y4)

SCARF PSHE / RSE re-launch for parents

On Thursday 10th October we are hosting a parent information evening about the non-statutory RSE lesson we are introducing into the curriculum this academic year. At this event you will hear about the rationale for the lesson and also see the resources and experience the lesson itself. Our SCARF representative Juliet Vo will be here to answer any questions you may have and to share the content of the lesson.

Can you help?

We are looking for small world items such as miniature trees, people, animals etc. to help with our Sand Play intervention programme. If you have any items that your children no longer use at home and are happy to donate, we would welcome them to help us build up our bank of resources. Please hand them in to the office for the attention of Kirsty Ibbotson.

Lost Property

We now have some lost property baskets in the main entrance. Any items found around school will be put here for parents to locate those jumpers easily! Please remember to label as many items of clothing as possible to make it easier to find them.

School Uniform

We are dependent upon your support in keeping our children looking smart and ready for school. Having a school uniform gives all our children that sense of belonging and togetherness and reduces those pressures associated with fashion and 'fitting in'. Our expectations around uniform extend to our PE uniform. Please ensure that children have the correct items on PE days. We do have some 'new to you' items but these are mainly non-PE items. We ask that you avoid branded clothing wherever possible and remind everyone that football kit is not school uniform. Children will be given spare PE clothing and asked to change if they are wearing football team clothing.

Parking

We are all aware of the difficulties we have with regards to space around school in the morning and at the end of the day. Please be respectful to our neighbours when parking and avoid parking across driveways. We encourage you, wherever possible, to park and walk a short distance to school to reduce the congestion and maintain a safe arrival and departure for all our families.

Looking forward to another successful and exciting year with you all.
