

We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

Our children become responsible, determined and independent citizens.

Happy **Red Nose Day**, **St Patrick's Day** and **Mother's Day** weekend everyone!

We've had a very busy week in school which ended with our Mother's Day lunch event today. We were overwhelmed with the response to this occasion and there has been some learning for future events that have come out of it, but nevertheless, a successful event that everyone who was able to take part in enjoyed.

A huge amount of thanks must go to Mrs Yvette Wallace and Miss Maggie Pickering for organising and facilitating this event. Also, thanks to Miss Michaela Booker and Miss Leanne Devlin for their support in making this magic happen in the kitchen. To all the staff team, along with some amazing Year 6 helpers who were ensuring everyone was safe and happy, a big shout out. It was a real Sutton CP Team effort that paid off. Thank you everyone.

Mr Imran Kotwal visit

On Tuesday, school were very pleased to welcome Mr Imran Kotwal from the Muslim Learning Service to deliver a special assembly about Islam. The children learned about the 5 Pillars of Islam - belief, prayer, fasting, charity and pilgrimage. The children also learned some Arabic phrases and enjoyed finding out about a different faith. These amazing experiences for our children are essential in developing well educated and informed citizens. It is important for our children as they develop, that they understand, respect and celebrate differences in themselves, their community and their world.

Friday 17th March 2023

Would you like to get involved with the
FRIENDS of Sutton CP
We need your help.
We have had to re-schedule our first meeting to
Friday 24th March—3:00pm,
in The HIVE,
at school

Times Tables

As our year 4 parents will be aware, the Year 4 children will complete their times tables statutory check this June. We want to make sure that the children are fully prepared for what the Year 5 and Year 6 Mathematics curriculum throws at them. Knowing their times tables confidently really does have a huge impact on their confidence and success in upper key stage 2 and beyond. All the children across school are learning their times tables and have access to Times Tables Rock Stars at school and at home. We are requesting your support in encouraging the children to practice these as regularly as possible when at home. It doesn't take long to have a go and this regular practice will make a huge difference in the long run. If you are unsure of how to access this resource please get in touch with your child's class teacher.

Parking

Unfortunately, we are having repeated complaints from our local residents about the parking around school and parents parking across residents' private driveways. We politely request that you respect the residents and do not park across their drive ways. This does cause frustration and has resulted in some unpleasant and unnecessary confrontations at the start and end of the school day. I appreciate that parking is difficult around school and there is very little we can do to alleviate this issue. Therefore we require your help as part of our school community and encourage, wherever possible, to park at a distance where it is safe and then walk to school. We talk regularly to our children about how they represent our school in the local area and work hard to keep the relationships with our local residents strong and positive. Your support with this is hugely appreciated.

Wishing you all a safe and happy weekend.

Anna Riley
Headteacher

Class Assemblies

Please see the dates for each class below:

Year 2—Wednesday 29th March 3:00pm

Year 1 —Wednesday 24th May 3:00pm

Year 3—Wednesday 19th July 3:00pm

Reception's Assembly will take place during the Summer term and this date will be confirmed nearer the time.

FEAST Holiday activities

You can use the filters – and the location search tool – to find holiday activities for kids of all ages from 4 to 18. Click an activity find out more, and use the contact details provided on the individual listing to book direct with the provider.

These school holiday activities are open to all children and young people across North Yorkshire. Places are free to those who are eligible for benefits-related free school meals. To book a free place, you'll need your FEAST code when you book.

Is your child or young person eligible and has lost / didn't receive their code? [Request your code using our online form.](#)

There's lots happening across the county and we hope you can find a school holiday activity near you.

If you don't see anything you want to book just yet, please do check back again soon, as we add new activities frequently.

If you don't have access to transport and are worried about how to get to an activity, your child may be eligible for free transport. Please [click here](#) to find out more.

Children - The Sleep Charity

thesleepcharity.org.uk

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less

"Raising Yorkshire Puddings" Parent Support Group

About Us:

The Parent Support Group is an online support group, facilitated by NHS mental health practitioners. The group is a safe space for parents to get together, share their experiences and build positive relationships. A different subject is discussed each month and parents will receive useful information and strategies around the chosen monthly topic. For an invite, please email: mhstparentsupport@bdct.nhs.uk

Next Parents Support Group details: Tuesday 21st March 2023
Topic: "Supporting your child: Unhealthy Coping Strategies + Guest Facilitator"
