Fortnightly newsletter—Friday 6th October

**We are an aspirational place where learners grow.  
Our school is kind and happy and we respect and celebrate the differences in ourselves,  
our community and our world.  
Our children become responsible, determined and independent citizens.**

Good evening everyone,

Another busy couple of weeks in school and unfortunately some indoor playtimes due to the weather. We try to get the children outside as much as we can, and your support in making sure they have suitable coats, clothing and footwear helps us with this.

## Year 6 Residential

Another successful residential comes to end today, for our oldest children in school. I had the privilege of joining them on Wednesday evening and loved hearing about all the amazing things they had been up to at that point. A huge thank you to the team who have taken time away from their own families to ensure that the residential was a success—Miss Dunkley, Miss Ibbotson and Miss Dwyer and to Mr Clayton and Miss Baldwin who supported the team on overnight shifts! And a shout out to the Borwick Hall team for looking after everyone and providing such memorable experiences.

## Social Media and Messaging Apps

Just a little reminder on what we encourage our children to think about when using online and messaging services. We welcome your support in encouraging this to keep all our children safe.

Before you...

**THINK** is it.....?

**TRUE?**

**HELPFUL?**

**IMPROVING the  
conversation?**

**NECESSARY?**

**KIND?**

*The way we communicate with others and about others is a direct reflection of our own character.*

**We are an aspirational place where learners grow.**

**Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.**

**Our children become responsible, determined and independent citizens.**

## Harvest Celebration

We had a fantastic Harvest celebration on Tuesday this week. Thank you to everyone who kindly donated items for the food bank. All your gifts will be very much appreciated by those who need support at this time. Thank you to James for allowing us to go across to the Baptist Church and for his amazing storytelling. Thank you to Year 5 and the team for the beautiful poem and to all the children for their wonderful singing.

## County Music Service

On Thursday this week we were visited by four amazing musicians from the County Music Service for a special assembly. They demonstrated instruments from the brass, string and woodwind families as well as playing some beautiful ensemble pieces. They were in school promoting individual and group music lessons provided by the County Music Service. If you are interested in accessing any of these lessons please the letter attached with this newsletter for more information.

Wishing you all a safe and happy weekend.

## Cross Country Running at Giggleswick

The second round of the cross country event took place on Thursday 12th October.

We had 9 children participating in the event following on from the first round at South Craven the week before.

Two of our Year 4 boys and two of our Year 6 boys have now made it through to the final round in their category, which will take place on Thursday 23rd November at Giggleswick School. We wish them all the very best in this event.

## Football Fun

On Wednesday the 18th October our Y5 boys team took part at the Y5/6 Football Tournament at South Craven. It was a great experience for our Y5 boys and they really tried their best and showed amazing attitude and resilience against all the teams they came up against. I'm especially proud of them as most other team players were older and taller than them, but it mattered not - they supported each other throughout, never stopped smiling and kept the energy going until the end. I am very proud of everyone in our team. My special shout out goes to our goalie, Fenton, who was just phenomenal! And don't just take my word for it - other teams and their teachers all said the same - "Your goalie is AMAZING!"

Well done Team Sutton!

### Book recommendation!

At school we have used **Paul Dix** principles to underpin our changes in behaviour policy and strategy. The books to the left have been hugely helpful for us. He has now released a parent version which is equally as helpful and some of the staff are reading it (as parents). An easy read with some great realistic and easy advice. Worth checking out!
