

We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

Our children become responsible, determined and independent citizens.

Good Afternoon Everyone,

A cram packed fortnight to share with you this week, the children and staff have been so very busy in and out of school, so here goes...

Learning about Islam

On Monday 10th June we were visited by Yazi who taught us all so many amazing things about her faith and culture as an Islamic woman. The children had an opportunity to dress up in some traditional Islamic dress, make chapattis, write in Arabic and ask questions to build their understanding of the beautiful traditions and celebrations that Yazi spoke of. A fantastic opportunity for everyone and we look forward to more immersive experiences over the course of next year.

Gentlemen's Week

Last week we welcomed 100 gentlemen into school for lunch with the children. It was such a lovely atmosphere in the dining hall and the meals went down a treat! Thank you to all the gentlemen that were able to come and have lunch with us and for those that weren't able to make that happen, please don't worry we will continue to create these opportunities for you to come along and be part of our school day.

Five Stars for the Kitchen

Last week we also had our unplanned food hygiene inspection in the school kitchen. Needless to say the team in the kitchen were amazing and we have achieved a 5 star rating again! Well done to Miss Maggie Pickering and Miss Michaela Booker for everything they do, always going above and beyond to keep us fueled during the day. You are Sutton CP Superstars!

Rounders

On June 12th some of our Year 5 and Year 6 children represented our school at South Craven for a Rounders Tournament. They played incredibly well and as always demonstrated fantastic sportsmanship and team work. Thank you to Mr Clayton for taking the children along and keeping them going.

Cycling

On Thursday 13th June 6 of our year 6 children attended the cycling tournament at Skipton Academy. This is the first time we have taken part in this event and a huge thank you to Mrs Whitehead for making this happen and supporting the children at the event. Again the children represented our school brilliantly competing against other local schools.

Nell Bank

Also on Thursday 13th June six of our Year 3 and Year 4 children attended a Science event at Nell Bank alongside children from 5 other local schools. This was made possible through the work we do with the Ogden Trust. The children worked brilliantly with each other and learned how Early People were amazing scientists. They discovered how Early People used animals to survive; how they made fire and shelters; how they produced cave paintings and made wicker baskets. All children had a fabulous day and were a credit to our school.

New Reception Children

We welcomed our new starters in Reception for the first time this week on their transition afternoons. The Early Years team have been working incredibly hard behind the scenes making sure this transition is as successful as possible facilitating visits to local nurseries and to the family homes to make sure that we have every important bit of information to make their first days in school as happy and successful as possible. Thank you Mrs Dawson, Mrs Humphrey, Mrs Wright, Mrs Walton and Mrs Ireland-Kimmer for making the magic happen!

Forensic Science

On Wednesday 19th June, some of our wonderful Year 5 and 6s attended a forensic science event at South Craven School, where they learned ways in which science can be used to solve crimes. We looked at chromatography, finger prints, the acidity and alkalinity of soil, studied hairs under the microscope and looked at how chemicals react in heat.

Our scientists were incredible ambassadors of the school and they correctly identified the culprit of the crime too! Well done all nine pupils involved!

Race for Life

A massive thank you to everyone that made today's event as successful as it was be that making a donation, coming to cheer us on or actually running alongside the children. As soon as we know the final total of the money you have raised we will let you know. A BIG shout out to Miss Ibbotson for organizing this event and to the whole staff team for making it run so smoothly and safely. You really are the most fantastic team of people.

Year 5 visit London

A fantastic day was had by all the children and staff that went to London. They had the weather and they had the snacks.

The children visited the London eye and also visited Parliament.

A huge thank you to Mr Clayton for making this happen and to Mrs Whitehead,

Miss Baldwin, Mr Barrick, Mrs Kerr and our Chair of Governors, Mr Smith, for supervising the children and ensuring that they had such a fantastic experience. Events like this take a huge amount of planning, preparation and energy and we never take our staff's time for granted. Looking forward to repeating this next year!

Quotes from the children:

"The highlight for me was definitely Parliament. It was so interesting because I love finding out about ancient things"

Kayson.

"The London Eye was scary at first but when you got to the top the view was very impressive" Eleanor.

"The London Eye was really exciting with amazing views". Lana

"When we were on the underground it was very bumpy and it smelled strange". Charlotte.

"The tour round Parliament was very informative." Toby.

"The train journey took ages but was great fun". Poppy
