**We are an aspirational place where learners grow.
Our school is kind and happy and we respect and celebrate the differences in ourselves,
our community and our world.
Our children become responsible, determined and independent citizens.**

Happy Friday everyone,

It has been wonderful welcoming all the children back after our Easter holiday and hearing about all the wonderful things they have been up to, be that relaxing at home to visiting family overseas.

Today and over the weekend, some of our families will be celebrating Eid and we would like to say 'Eid Mubarak', your Sutton CP family wish you every happiness.

Coronation Event

On Friday 5th May we will be celebrating with the children, in preparation for the Coronation of King Charles III on Saturday 6th May.

We are inviting all our children to come to school dressed in their best red, white and blue finery for our own 'Coronation' in the school hall! In the afternoon we will be hosting an afternoon tea street party in the front playground where you will be able to come have cake, scones and maybe even some celebration quiche provided by our school kitchen. Donations of cake will be gratefully received! There will also be hot drinks and juice available. This invite will be extended to our local community and neighbours too. If you would like to attend, come and join us from 1:45pm. More details around signing your child out so they can join you, will follow next week.

Race for Life

As a result of our previous extremely successful events, our fundraising family is once again holding its very own '**Race for Life**' event for Cancer Research UK and we would love you to join in with the fun. By taking part in 'Race for Life' and uniting together against cancer, you will be doing something very special.

Cancer Research UK receives no Government funding, so the more of us who join the fight against cancer, the more money we can raise to beat it sooner.

**We will 'Race for Life':
In: Sutton Park
On: Friday 23rd June 2023
At: 1.15pm
For: 5K run/walk**

We are delighted to be able to run this event in the same way as we have done in pre-covid years by inviting families to join us and we are looking forward to having our whole school community together again. Look out for your 'taking part' letter from Miss Ibbotson and Miss Blackie.

Citizenship Event at South Craven

On Thursday 20th April 16 of our Y4 and 5 pupils took part in a Citizenship Workshop called 'Know Your Nation' at South Craven. It was a brilliant event, organized and run by three South Craven Y11 pupils for their GCSG project. Our children learned about topics such as parliament, democracy, public speaking and voting. They all got to do activities and role-play, choosing their own roles from being a monarch, prime minister, members of parliament or even being a Lord / Baroness. Children even experienced democracy creating their own political party and choosing which laws they support or not, as well as creating their own laws. Each party then had to work together and create a convincing public speech to persuade the public voters, in this case all the other party members, to vote for their party and join them. It was great to see our children really engaging with all the activities, working well together, helping each other and demonstrating confidence in their teamwork. All the children had fun and enjoyed this event.

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less

A new gardening campaign called Let It Grow has been launched by the BBC.

The campaign wants to help people transform dull, grey outdoor spaces into wild and colourful ones by growing flowers and vegetables.

The organisers are aiming to give away millions of free seeds for people to plant in the UK, to grow things like nasturtiums, marigolds, sunflowers and calendula.

As well as this, a special show from the brand new Blue Peter garden in RHS Garden Bridgewater will air, with fans able to get their hands on [Green badges](#) by joining in .
