

Sutton CP School News...

www.wherelernersgrow.co.uk

Friday 24th March 2023

We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

Our children become responsible, determined and independent citizens.

Happy Friday everyone,

The lighter mornings are definitely putting a spring in everyone's step and the flowers around school and in the local area bring that very welcome touch of Spring and all things new.

FRIENDS of Sutton CP meeting

Thank you to everyone that came along and supported us with this today. Don't worry if you couldn't attend but would like to get involved, there will be many opportunities coming up, I'm sure. The Friends of Sutton CP is a hugely valuable resource, helping to raise funds for school in these very difficult times. Your support in either organizing events with the FRIENDS or supporting / attending events they organize, will be greatly appreciated by all the children and staff moving forward. I am looking forward to seeing what fantastic opportunities we will have to bulk up our bank account for the benefit of the children.

Safeguarding

WhatsApp

A helpful reminder that this mobile device application has a recommended age of 16+ and I advise all our parents to prevent your child/ren from using this application.

I appreciate why our older children may need access to a mobile phone for safety, if walking to and from school independently. I also recognise the peer pressure that the children feel at this age to be 'the same' and fit in. This is all part of growing up and emotional development. However, the use of social media/communication apps and games by such young children is always a huge area of concern.

As ever, as parents you ultimately make the decisions and have the responsibility for how your children access online services and messaging, however I would not be taking my role as Safeguarding Lead or the responsibility around the duty of care to our children seriously, if I did not share my concerns and recommendations with you.

Thank you for your support with this.

SPORTS NEWS

Tag Rugby Festival

On Wednesday the 22nd of March our wonderful Y5/6 team took part in the Tag Rugby Festival in South Craven. It was a great event with lots of matches being played. Our players demonstrated absolutely amazing understanding of the game, skillset, discipline, working together, fair play and positive attitude - I could not be any prouder if I tried. Even though the festival format was non-competitive it was thrilling to watch our team win all 4 matches in our group and only very narrowly lose a bonus match played at the end. These results were

not easy to achieve, were in fact hard earned and required a lot of tenacity on the day and were only possible because of their dedication and commitment to learning this sport in PE lessons and practicing for weeks and weeks at their playtimes. And although three of our players were chosen by sports leaders to receive a special medal for stand-out sportsman-

ship, we had an outstanding team who worked together phenomenally!!! Once again our pupils were AMAZING and a total credit to our school and themselves! Also big thank you to all the parents and carers for your support, it is much appreciated!

Well done Team Sutton!
Mrs Howes

As ever, a huge thank you to Miss Howes and Mrs Whitehead for all their hard work and support for our sports team. The staff have an increasing number of sporting opportunities in the pipeline for a number of different sports disciplines at all levels, so keep your eyes peeled!

Wishing you all a safe and happy weekend.

Anna Riley
Headteacher

Class Assemblies

Please see the dates for each class below:

Year 2—Wednesday 29th March 3:00pm

Year 1 —Wednesday 24th May 3:00pm

Year 3—Wednesday 19th July 3:00pm

Reception's Assembly will take place during the Summer term and this date will be confirmed nearer the time.

FEAST Holiday activities

You can use the filters – and the location search tool – to find holiday activities for kids of all ages from 4 to 18. Click an activity find out more, and use the contact details provided on the individual listing to book direct with the provider.

These school holiday activities are open to all children and young people across North Yorkshire. Places are free to those who are eligible for benefits-related free school meals. To book a free place, you'll need your FEAST code when you book.

Is your child or young person eligible and has lost / didn't receive their code? [Request your code using our online form.](#)

There's lots happening across the county and we hope you can find a school holiday activity near you.

If you don't see anything you want to book just yet, please do check back again soon, as we add new activities frequently.

If you don't have access to transport and are worried about how to get to an activity, your child may be eligible for free transport. Please [click here](#) to find out more.

Children - The Sleep Charity

thesleepcharity.org.uk

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less

“Raising Yorkshire Puddings” Parent Support Group

About Us:

The Parent Support Group is an online support group, facilitated by NHS mental health practitioners. The group is a safe space for parents to get together, share their experiences and build positive relationships. A different subject is discussed each month and parents will receive useful information and strategies around the chosen monthly topic. For an invite, please email: mhstparentsupport@bdct.nhs.uk

Next Parents Support Group details: Tuesday 21st March 2023
Topic: “Supporting your child: Unhealthy Coping Strategies + Guest Facilitator”
